SCHENCK'S SEAWEED TONIC.

This medicine, invented by Dr. J. H. SCHENCK, of Philadelphia, is intended to dissolve the food and make it into chyme, the first process of digestion. By cleansing the stomach with Schenck's Mandrake Pills, the Tonic soon restores the appetite, and food that could not be eaten before using it will be easily digested.

Consumption cannot be cured by Schenck's Pulmonic Syrup unless the stomach and liver is made healthy and the appetite restored, hence the Tonic and Pills are required in nearly every case of consumption. A half dozen bottles of the SEAWEED TONIC and three or four boxes of the MANDRAKE PILLS will cure any ordinary case of dyspepsia.

Dr. SCHENCK makes professional visits in New York, Boston, and at his principal Office in Philadelphia every week. See daily papers of each place, or his pamphlet on consumption for his days for visitation.

Please observe, when purchasing, that the two likenesses of the Doctor, one when in the last stage of Consumption, and the other as he now is, in perfect health, are on the Government stamp.

Sold by all Druggists and Dealers, price $1.50 per bottle, or $7.50 the half-dozen. All letters for advice should be addressed to Dr. SCHENCK'S Principal Office, No. 15 North 6th Street, Philadelphia, Pa.

Notice
TO ALL FRUIT GROWERS!

I ADVERTISE in order to let you all know I am still in the market, with one of the largest and best selected stocks of FRUIT TREES of various kinds. Our stock of Peach Trees amounts to about 800,000, comprising 21 of the best Orchard varieties, and am taking orders at extremely low figures and on terms that will enable all who feel desirous of planting to plant. Our Peach Trees are reared from natural pitts, procured from Northampton and Accomac, Va., and Worcester and Somerset Co., Md. We have a block of about 350,000 at Smyrna, Del., unusually good; in size they will compare with any in the country. Our stock of Pears, both Dwarf and Standard, is large, and extra in size. APPLES No. 1—in fact, every thing for sale low that is grown in a first-class Nursery.

I feel exceedingly grateful for past patronage, and hope, by strict attention to the Fruit Growers' interest, to still secure an equal share of patronage. I will pledge myself to be the servant of the Fruit Growers, and do every thing in my power to work to their interest. JOS. C. RASIN, Agent,

LATEST FASHIONS DEMAND
J. W. BRADLEY'S Celebrated Patent
DUPLEX ELLIPTIC
(Or Double Spring)
SKIRT.

The wonderful flexibility and great comfort and pleasure to any lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded assemblies, Operas, Carriages, Railroad Cars, Church pews, arm chairs, for promenade and house dress, as the Skirt can be folded when in use to occupy a small space as easily and conveniently as a silk or muslin dress, an invaluable quality in crinoline, not found in any single spring skirt.

A lady having enjoyed the pleasure, comfort, and great convenience of wearing the Duplex Elliptic Steel Spring Skirt for a single day, will never afterwards willingly dispense with their use. For Children, Misses and Young Ladies they are superior to all others.

They will not bend or break like the single spring, but will preserve their perfect and graceful shape when three or four ordinary Skirts will have been thrown aside as useless. The Hoops are covered with double and twisted thread, and the bottom rods are not only double springs, but twice (or double) covered: preventing them from wearing out when dragging down stoops, stairs, &c.

The Duglex Elliptic is a great favorite with all ladies and is universally recommended by the Fashion Magazines as the Standard Skirt of the Fashionable World.

To enjoy the following inestimable advantages in Crinoline, viz.: superior quality, perfect manufacture, stylish shape and finish, flexibility, durability, comfort and economy, enquire for J. W. Bradley's Duplex Elliptic, or Double Spring Skirt, and be sure you get the genuine article.

CAUTION.—To guard IMPOSITION be particular to NOTICE that skirts offered as "DUPLEX" have the red ink stamp, viz., "J. W. Bradley's Duplex Elliptic Steel Springs," upon the waistband—none others are genuine. Also notice that every Hoop will admit a pin being passed through the centre, thus revealing the two (or double) springs braided together therein, which is the secret of their flexibility and strength, and a combination not to be found in any other Skirt.

For sale in all stores where first class skirts are sold throughout the United States and elsewhere.

Manufactured by the sole owners of the Patent,
