Special Notices.

DR. SCHENCK'S

PULMONIC SYRUP.

This great medicine cured Dr. J. H. SCHENCK, the Proprietor, of Pulmonary Consumption, when it had assumed its most formidable aspect, and when speedy death appeared to be inevitable. His physicians pronounced his case incurable when he commenced the use of this simple but powerful remedy. His health was restored in a very short time, and no return of the disease has been apprehended, for all the symptoms quickly disappeared, and his present weight is more than two hundred pounds.

Since his recovery, he has devoted his attention exclusively to the cure of Consumption and the diseases which are usually complicated with it, and the cures effected by his medicines have been very numerous and truly wonderful. Dr. SCHENCK makes professional visits to several of the larger cities weekly, where he has a large concourse of patients, and it is truly astonishing to see poor consumptives that have to be lifted out of their carriages, and in a few months healthy, robust persons. DR. SCHENCK'S PULMONIC SYRUP, SEAWEED TONIC, and MANDRAKE PILLS are generally all required in curing Consumption. Full directions accompany each, so that any one can take them without seeing Dr. SCHENCK, but when it is convenient it is best to see him. He gives advice free, but for a thorough examination with his Respirometer his fee is three dollars.

Please observe, when purchasing, that the two likenesses of the Doctor—one when in the last stage of Consumption, and the other as he now is, in perfect health—are on the Government stamp.

Sold by all Druggists and Dealers. Price $1.50 per bottle, or $7.50 the half dozen. Letters for advice should always be directed to Dr. Schenck's Principal Office, 15 North 6th St., Philadelphia, Pa.

General Wholesale Agents: Demas Barnes & Co., N. Y.; S. S. Hance, Baltimore, Md.; John D. Park, Cincinnati, Ohio; Walker & Taylor, Chicago, Ill.; Collins Bros., St. Louis, Mo. [2d w. ca. mo. 1 yr.

TO CONSUMPTIVES.

The advertiser, having been restored to health in a few weeks by a very simple remedy, after having suffered for several years with a severe lung affection, and that dread disease Consumption—is anxious to make known to his fellow-sufferers the means of cure.

To all who desire it, he will send a copy of the prescription used (free of charge), with the directions for preparing and using the same, which they will find a SURE CURE for CONSUMPTION, ASTHAMA, BRONCHITIS, COUGHS, COLDS, and all Throat and Lung Affections. The only object of the advertiser in sending the Prescription is to benefit the afflicted, and spread information which he conceives to be invaluable, and he hopes every sufferer will try his remedy, as it will cost them nothing, and may prove a blessing. Parties wishing the prescription, FREE, by return mail, will please address REV. EDWARD A. WILSON, Williamsburg, Kings Co., New York.

ATTENTION IS CALLED TO THE

AMERICAN

Fruit Drying House!

IN presenting this new and most useful invention to the public, we feel satisfied that we are supplying a want which all Fruit Growers have long experienced. It is a means of preserving in the most perfect manner all Fruits or Vegetables, such as PEACHES, APPLES, Pears, Plums, Cherries, Berries of all kinds, Green Corn, String Beans, Green Peas, &c.

It is a house, with a furnace attached in such manner as to cause a constant and rapid circulation of heated air within, or passing regularly through and out at the top of the house by two valves to turn off or on the heat as the drying process may require, carrying off immediately all the watery elements of the Fruits, and preserving all the aromatic properties without the least fermentation or decomposition.

The Fruits are not discolored but remain perfectly fair and pure, free from all manner of dirt, flies or wet weather. It only requires about six to eight hours (just as you give attention) to dry them perfectly. Fruits thus dried are of double the value of those dried in the ordinary way.

See handbills for testimonials. The following, from a well known citizen of Kent county, is all that is deemed necessary to give here:

MR. P. MCN. THOMAS,—*Dear Sir:* The fruit drying House, that I bought of J. W. Patterson, agent for Jasper Billings, patentee, I am very much pleased with, and recommend it to all Fruit Growers as a means of saving much of their fruit. Fruit dried in it is much superior to that dried in the ordinary way. It gave entire satisfaction last season. JOHN GALE.

WORTON MANOR, July 1st, 1867.

Price of House, drying from 10 to 15 bushels per day..... $40.00
Do. Do. Drying more..... 50.00

You are aware that enough fruit is lost from falling off trees in all orchards, if saved, to pay for several of these houses. Houses manufactured by Stewart & Bro., Chestertown, and by Harbourd & Clinton, Still Pond.

Mears' Infallible
(SUGAR-COATED)
AGUE PILLS
NEVER FAIL!

Mears' Wonderful Ague Pills

are unrivalled for the cure of Chills and Fever. Hundreds of persons who have been afflicted with this distressing complaint for months, after trying Quinine in vain, have been speedily cured by them.

They are warranted not to contain a particle of Quinine, Arsenic, or any other deleterious drug; on the contrary, they are a most excellent tonic and alterative, promoting the appetite, and renovating and strengthening the system. For a torpid liver, or any bilious derangement, they will be found an excellent remedy—gently stimulating the liver to an increased action—thus removing the most troublesome source of this distressing disease.

Those living in districts where Chills and Fever prevail *should never be without these Pills;* and on the *first appearance* of the symptoms, should take a few, and thus ward off an attack.

They may be taken by old or young, and at any time, without the slightest regard to diet or exposure.

BRISTOL, August 1st, 1866.

This is to certify, that I am acquainted with the formula of MEARS' CELEBRATED FEVER AND AGUE PILLS, and I have *used the same very extensively* in my practice, and have never known them to fail when used according to directions; on the contrary, I have *succeeded with them,* in many instances, after TRYING QUININE IN VAIN.
