CONSUMPTION CURABLE BY DR. SCHENCK'S MEDICINES.

TO CURE CONSUMPTION, the system must be prepared so that the lungs will heal. To accomplish this, the liver and stomach must first be cleansed and an appetite created for good wholesome food, which, by these medicines will be digested properly, and good healthy blood made; thus building up the constitution. SCHENCK'S MANDRAKE PILLS cleanse the stomach of all bilious or mucous accumulations; and, by using the Sea Weed Tonic in connection, the appetite is restored.

SCHENCK'S PULMONIC SYRUP is nutricious as well as medicinal, and, by using the three remedies, all impurities are expelled from the system, and good, wholesome blood made, which will repel all disease. If patients will take these medicines according to directions, Consumption very frequently in its last stage yields readily to their action. Take the pills frequently, to cleanse the liver and stomach. It does not follow that because the bowels are not costive they are not required, for sometimes in diarrhœa they are necessary. The stomach must be kept healthy, and an appetite created to allow the Pulmonic Syrup to act on the respiratory organs properly and allay any irritation. Then all that is required to perform a permanent cure is, to prevent taking cold. Exercise about the rooms as much as possible, eat all the richest food—fat meat, game, and, in fact, anything the appetite craves; but be particular and masticate well. [2nd w. ea. mo. 1 yr.

TO CONSUMPTIVES.

The advertiser, having been restored to health in a few weeks by a very simple remedy, after having suffered for several years with a severe lung affection, and that dread disease Consumption—is anxious to make known to his fellow-sufferers the means of cure.

To all who desire it, he will send a copy of the prescription used (free of charge), with the directions for preparing and using the same, which they will find a SURE CURE for CONSUMPTION, ASTHAMA, BRONCHITIS, COUGHS, COLDS, and all Throat and Lung Affections. The only object of the advertiser in sending the Prescription is to benefit the afflicted, and spread information which he conceives to be invaluable, and he hopes every sufferer will try his remedy, as it will cost them nothing, and may prove a blessing. Parties wishing the prescription, FREE, by return mail, will please address REV. EDWARD A. WILSON, Williamsburg, Kings Co., New York.

ATTENTION IS CALLED TO THE

AMERICAN

Fruit Drying House!

IN presenting this new and most useful invention to the public, we feel satisfied that we are supplying a want which all Fruit Growers have long experienced. It is a means of preserving in the most perfect manner all Fruits or Vegetables, such as PEACHES, APPLES, Pears, Plums, Cherries, Berries of all kinds, Green Corn, String Beans, Green Peas, &c.

It is a house, with a furnace attached in such manner as to cause a constant and rapid circulation of heated air within, or passing regularly through and out at the top of the house by two valves to turn off or on the heat as the drying process may require, carrying off immediately all the watery elements of the Fruits, and preserving all the aromatic properties without the least fermentation or decomposition.

The Fruits are not discolored but remain perfectly fair and pure, free from all manner of dirt, flies or wet weather. It only requires about six to eight hours (just as you give attention) to dry them perfectly. Fruits thus dried are of double the value of those dried in the ordinary way.

See handbills for testimonials. The following, from a well known citizen of Kent county, is all that is deemed necessary to give here:

MR. P. MCN. THOMAS,—*Dear Sir:* The fruit drying House, that I bought of J. W. Patterson, agent for Jasper Billings, patentee, I am very much pleased with, and recommend it to all Fruit Growers as a means of saving much of their fruit. Fruit dried in it is much superior to that dried in the ordinary way. It gave entire satisfaction last season.
