Special Notices.

DR. WISTAR'S BALSAM OF WILD CHERRY.

In the whole history of medical discoveries NO REMEDY has performed so many or such remarkable cures of the numerous affections of the THROAT, LUNGS and CHEST, as this long-tried and justly celebrated *Balsam*.—So generally acknowledged is the superior excellence of this remedy that but few of the many who have tested its virtues by experience fail to keep it at hand as a speedy and certain cure for sudden attacks of *Cold*—fully believing that its remedial powers are comprehensive enough to embrace every form of disease, from the slightest cold to the most dangerous symptom of pulmonary complaint.

UNSOLICITED TESTIMONY.

From REV. FRANCIS LOBDELL, *Pastor of the South Congregational Church, Bridgeport, Connecticut.*

"I consider it a duty which I owe to suffering humanity to bear testimony to the virtues of Dr. WISTAR'S BALSAM OF WILD CHERRY. I have used it—when I have had occasion for any remedy for Coughs, Colds or Sore Throat—for many years, and never in a single instance has it failed to relieve and cure me. I have frequently been very hoarse on Saturday, and looked forward to the delivery of two sermons on the followiug day with sad misgivings, but by a liberal use of Balsam my hoarseness has invariably been removed, and I have preached without difficulty.

I commend it to my brethren in the ministry, and to the public speakers generally, as a certain remedy for the bronchial troubles to which we are peculiarly exposed."

Prepared by SETH W. FOWLE & SON, 18 Tremont St., Boston, and for sale by Druggists generally.

GRACE'S CELEBRATED SALVE.

From Mr. E. TUCKER, Depot Master at Salisbury, Mass.

"I have been troubled for years with a bad humor; sometimes outwardly and sometimes inwardly. During the past summer it manifested itself more than usual outwardly, and I used your Salve All signs of it have since disappeared, without affecting me inwardly, indicating, I think, the eradicating nature of the Salve.

OF INTEREST TO THE READING PUBLIC.

On the first of January, 1868, there will be published simultaneously in the cities of New York and Baltimore the first number of a new monthly Magazine, to be called

"THE NEW ECLECTIC."

It will possess the following distinctive features, which it is hoped will recommend it to the favor of a large portion of the reading public.

1st It will embrace the whole field of American, English and Continental periodical literature, and after a comprehensive and careful monthly review, will republish only such articles as bear evidence of the highest ability, the purest principle, and the most complete adaptness to the wants of American readers and the general necessities of the age.

It will refuse to identified with the principles of any party or sect, political or religious, but will seek to bring before a discriminating public views of the most asteemed and temperate organs of the more prominent schools which divide the suffrages of the thinking world, with a view to promote the growth of an intelligent, healthful operative public opinion.

3rd. The selections will come under the general heads of Politics, Sociology, Religion, Belles Letters, Biography, History, Science and Art; and the aim will be to keep busy mercantile and professional men accurately and compendiously informed upon those important movements of the day in the world of thought and discovery, which merit the attention of all classes of society.

NEW YORK DAY-BOOK

FOR 1868.

THE NEW DAY-BOOK is a straightforward, Radical Democratic paper, with a larger circulation than any other Democratic journal ever published on this Continent, and it enters on the threshold of 1868 more prosperous and more hopeful of the great cause it upholds than ever before. Standing on the foundation of the Declaration of Independence, that "all (*white*) men are created equal," and *therefore* entitled to equal rights, it is opposed to all forms and degrees of special legislation that conflict with this grand central TRUTH of Democracy.

THE DAY-BOOK, *therefore*, demands the restoration of the "Union as it was"—A UNION OF CO-EQUAL STATES UPON THE WHITE BASIS, as the only hope, and the only means possible under heaven for saving the grand ideas of 1776, and the fundamental principles of American liberty, and if the real friends of freedom, and the earnest believers in that sacred and glorious cause in which the men of the Revolution offered up their lives, will now labor to expose the ignorance, delusion and treason of the Mongrel party, IT WILL SUCCEED, and the white Republic of Washington be restored again in all its original beneficence and grandeur.

THE WEEKLY DAY-BOOK is the most COMPLETE WEEKLY PAPER PUBLISHED. Its News Summary, Family Reading, Agricultural Articles, Reports of Cattle, Grain and Cotton Markets, &c., &c., are not surpassed by any paper.
