A NEW STORE

To be Added to the Multitude already in Chestertown.

THE subscribers have leased a part of the new building below the Bank, for the purpose of engaging in the Mercantile business; they will keep a General Stock of Merchandise such as is usually kept in a country store, except Boots and Shoes, that branch of the business in the new building will be supplied by Mr. J. W. Collins, on the corner.

For the present the business will be conducted on the

CASH SYSTEM

or its equivalent, not because we are unwilling to accommodate our friends and the public, (for the credit business is desirable because it is decidedly more profitable) but for the want of means to do so.

We will purchase our Goods at net cash prices, as near first hands as possible, and sell them at *Small PROFITS* for CASH or Produce, and under some circumstances for thirty and sixty days.

We intend to do a legitimate business, not selling some goods below cost to make an impression.

But the Entire Stock will be Offered at Small Profits and always at ONE PRICE.

We will do our best to make it the interest of the public to deal with us. We have made arrangements to supply the LADIES with Fine Goods, such as cannot be kept in sufficient quantities in the country from a FIVE HUNDRED DOLLAR SHAWL, a Silk Dress, a Lace Collar or Handkerchief down to a pair of Jouvins Best Kidd Gloves of any size or color. We will consider it no trouble to show our goods, and when desired, goods purchased of us will be sent to any part of the town if it is not convenient for our customers to send for them. Persons from the country purchasing goods from us, can have them delivered at the Hotels or at the end of the Bridge in Queen Anne's. We consider it at present unnecessary to enumerate articles.

Our friends and the public are invited to call and examine our stock.

Furniture.

We are of the opinion that the demand for furniture particularly of the better grades has not been supplied to this market. We intend to keep a well selected stock of

CHEAP and GOOD SUBSTANTIAL FURNITURE,

which will be bought of the Manufacturers at the lowest net Cash prices, and sold at MODERATE PROFITS. Samples of many kinds will be on hand, and arrangements will be made with Manufacturers to fill orders for any description of furniture at city prices. Furniture sold to go to Queen Ann's will be delivered at the end of the Bridge in Queen Ann's, or on the Steamboats free of charge, securely packed, and warranted to be as represented.

CARPETS AND OIL CLOTHS.

We will also have connected with the store, a room for Carpeting and Oil Cloths and many other Goods in that line. Oil Cloths for Halls and Rooms in one piece, all at city prices. And

LAST BUT NOT LEAST

We have been appointed agents for Two First Class SEWING MACHINES the

Grover and Baer AND THE HOWE SEWING MACHINE,

the GROVER and BAKER is used in the family of the Rev. Mr. GOODWIN, Pastor of the Protestant Episcopal Church, Rev. Mr. BURY Pastor of the Methodist Protestant Church and the Rev. Mr. QUIGG Pastor of the Methodist Episcopal Church to whom we refer by permission.

The HOWE MACHINE is made by the company of which Elias Howe, the inventor of the Sewing Machine was the President, (lately deceased,) it must be supposed that he knew how to make a sewing machine and only needs to be tried. The Sewing Machines will be kept in a room fitted up for that purpose, where persons desiring to purchase will be instructed how to use them—all necessary supplies will be kept for these machines, and we will guarantee the prices for which the machines are sold to be the same as the city prices, from $55 up.

The ladies will feel at liberty to visit the sewing machine room whenever inclined to do so.

SASH CORD—SASH CORD—For sale by J. K. ALDRIDGE.

PHILADELPHIA UNIVERSITY OF MEDICINE AND SURGERY.

THE Philadelphia University of Medicine and Surgery was organized in 1848. Chartered by the Legislature, February 26, 1853. Name changed by a legislative enactment to the Eclectic Medical College of Philadelphia in 1860. In 1863 it purchased the Pennsylvania Medical College, established in 1842, and the Philadelphia Medical College, which had previously been merged into the Pennsylvania Medical College. In 1864 it purchased the Penn Medical University. The Trustees of the separate schools united, petitioned, and obtained a special act of the Legislature, consolidating these institutions and changing their names to that of the Philadelphia University of Medicine and Surgery, March 15, 1865. All these various acts are published in the statutes of Pennsylvania. The cost of the building and museum was over one hundred thousand dollars. It will be observed that the University, as now organized, is the legal representative of the four medical Colleges that it has absorbed. It is a liberal school of medicine, confined to no dogma, nor attached to any medical clique; but embraces in its teachings everything of value to the profession.

Sessions.—It has two full sessions each year, commencing on the 1st of October, and continuing until the 1st of January as its first session, and from the 1st of January to the 1st of April as its second; the two constituting one full course of lectures. It has also a summer session, commencing the 1st of April and continuing until August, for the preparatory branches, such as Latin, Greek, Mathematics, Botany, Zoology, Chemistry, Anatomy, Physiology, etc.

Tickets.—Tickets to the full course of lectures $120, or $60 for each session. For the summer or preparatory course $25. Graduating fee $30. To aid *young men of moderate means*, the University has issued *five hundred scholarships*, which are sold to first-course students, for $75, and to second-course students and clergymen for $50, each constituting the holder a life member, with the perpetual privileges of the lectures, and all the teachings of the school. The only additional fees are a yearly dissecting and matriculating ticket, each of which is $5.

The Advantages of Scholarships.—The student holding a scholarship can enter the College at any time during the year, attend as long as he chooses, and re-enter the institution as frequently as desired.

It requires no previous reading or study to enter the University on scholarships, hence, all private tuition fees are saved.

Students, by holding scholarships, can prosecute other business a part of the time.

The candidate for graduation can present himself at any time, and receive his degree as soon as qualified.

In case a student should hold a scholarship and not be able to attend lectures, it can be transferred to another, thus preventing any loss.

Parents, guardians, or friends of students wishing to purchase scholarships for them a year or more before their attendance at the University, can secure them by advancing one-half the price, and paying the balance when the student enters. Physicians and benevolent men can bestow great benefit upon poor young men, by presenting them a scholarship, and thus enabling them to obtain an honorable profession.

The Faculty embraces seventeen eminent physicians and surgeons. The University has associated with it a large hospital clinic, where every form of medical and surgical disease is operated on and treated in the presence of the class.

COLLEGE BUILDING.—The College building, located in Ninth Street, south of Walnut, is the finest in the city. Its front is collegiate gothic, and is adorned with embattlements and embrasures, presenting a novel, bold, and beautiful appearance. The facade is of brown stone, ornamented by two towers, rising to the elevation of eighty feet, and crowned with an embattled parapet. The building contains between fifty and sixty rooms, all supplied with water, gas, and every other convenience that modern improvement can contribute to facilitate medical instruction. Only five hundred scholarships will be issued, and as two hundred and fifty are now sold, those who wish to secure one should do so at once. Money can be remitted by express, or a draft or check sent on any National bank in the United States, when the scholarship will be returned by mail, signed by the President of the Board of Trustees, Jos. S. Fisher, Esq., and the Dean of the Faculty, W. Paine, M. D. All orders for scholarships or other business of the University, should be addressed to Professor W. Paine, M. D, Philadelphia, Pa. June 15, 1867.
