IRON IN THE BLOOD.

The necessity of a due proportion of iron in the blood is well known to all medical men; when it becomes reduced from any cause whatever, the whole system suffers, the weakest part being first attacked, and a feeling of langour, lassitude, and "all goneness' pervades the system. Stimulants only afford *temporary relief*, and have the same effect as giving a tired horse the whip instead of oats. The true remedy is to supply the blood with the necessary quantity of iron. This can be done by using the

PERUVIAN SYRUP,

a protected solution of the protoxide of Iron, which is so prepared that it assimilates at once with the blood, giving strength, vigor and new life te the whole system.

To take medicines to cure diseases occasioned by a deficiency of IRON IN THE BLOOD, without restoring it to the system, is like trying to repair a building when the foundation is gone.

An eminent divine says: "I have been using the PERUVIAN SYRUP for some time past; it gives me new vigor, bouancy of spirits, elasticity of muscle."

Pamphlets containing certificates of cures, and recommendations from some of the most eminent physicians, clergymen and others, will be sent free to any address.

The genuine has "PERUVIAN SYRUP" blown in the glass.

TO CONSUMPTIVES.

The advertiser, having been restored to health in a few weeks by a very simple remedy, after having suffered for several years with a severe lung affection, and that dread disease Consumption—is anxious to make known to his fellow-sufferers the means of cure.

To all who desire it, he will send a copy of the prescription used, (free of charge), with the directions for preparing and using the same, which they will find a SURE CURE for CONSUMPTION, ASTHAMA, BRONCHITIS, COUGHS, COLDS, and all Throat and Lung Affections. The only object of the advertiser in sending the Prescription is to benefit the afflicted, and spread information which he conceives to be invaluable, and he hopes every sufferer will try his remedy, as it will cost them nothing, and may prove a blessing. Parties wishing the prescription, FREE, by return mail, will please address REV. EDWARD A. WILSON, Williamsburg, Kings Co., New York.

The Best New York Weekly Published.

NEW YORK DAY-BOOK
FOR 1868.

THE NEW DAY-BOOK is a straightforward, Radical Democratic paper, with a larger circulation than any other Democratic journal ever published on this Continent, and it enters on the threshold of 1868 more prosperous and more hopeful of the great cause it upholds than ever before. Standing on the foundation of the Declaration of Independence, that "all (*white*) men are created equal," and *therefore* entitled to equal rights, it is opposed to all forms and degrees of special legislation that conflict with this grand central TRUTH of Democracy.

THE DAY-BOOK, *therefore*, demands the restoration of the "Union as it was"—A UNION OF CO-EQUAL STATES UPON THE WHITE BASIS, as the only hope, and the only means possible under heaven for saving the grand ideas of 1776, and the fundamental principles of American liberty, and if the real friends of freedom, and the earnest believers in that sacred and glorious cause in which the men of the Revolution offered up their lives, will now labor to expose the ignorance, delusion and treason of the Mongrel party, IT WILL SUCCEED, and the white Republic of Washington be restored again in all its original beneficence and grandeur.

THE WEEKLY DAY-BOOK is the most COMPLETE WEEKLY PAPER PUBLISHED. Its News Summary, Family Reading, Agricultural Articles, Reports of Cattle, Grain and Cotton Markets, &c., &c., are not surpassed by any paper.

THE

Maryland Educational Journal,

A SCHOOL and FAMILY MONTHLY.

Published by E. S. ZEVELY
Baltimore Md.

DEVOTED to Education in its widest sense—mentally, morally, physically, at home and in the school-room—which will make it a readable journal for all.

This Journal is practical in purpose, substantial in matter, attractive in style. And although from its title it may be supposed that its pages are wholly devoted to school matters, such will not be the case hereafter. The subject of Education is a much broader one than many imagine, and the idea of the publisher of this Journal, as announced in the outset, is to make it very comprehensive.—The flashy publications of the day, filled with trashy tales, are devoted to Education, and that of a very useless if not injurious character. Not so with this Journal.

We solicit the interest and co-operation of all. Some one in every neighborhood and town wanted to secure subscribers. Liberal cash premiums paid to agents.

☞ With the new year, new arrangements will be announced. See January issue.
