DR. WISTAR'S BALSAM OF WILD CHERRY.

Where this article is known it is a work o, supererogation to say one word in its favor so well is it established as an unfailing remedy for *Coughs, Colds, Bronchitis, Croup, Whooping Cough, Asthma*, diseases of the *Throat, Chest* and *Lungs*, as well as that most dreaded of all diseases, *Consumption*, which high medical authority has pronounced to be an *incurable disease*. Those who have used this remedy know its value; those who have not, have but to make a single trial to be satisfied that of all others it is the *remedy*.

The Rev. Jacob Sechler,

well known and much respected among the German population of this country, writes as follows:

HANOVER, Pa., Feb. 16, 1859.

Messrs. S. W. FOWLER, & SON, BOSTON.

DEAR SIRS:—Having realized in my family important benefits from the use of your valuable preparation—WISTAR'S BALSAM OF WILD CHERRY—it affords me pleasure to recommend it to the public. Some eight year ago, one of my daughters seemed to be in decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of it there was a great improvement in her health. I have in my individual case, made frequent use of your valuable medicine, and have always been benefited by it. *I would, however, caution the public against imposition because there is a good deal of spurious Wistar's Balsam of Wild Cherry afloat throughout the country.*

JACOB SECHLER.

None genuine unless signed "I BUTTS" on the wrapper.

Prepared by SETH W. FOWLE & SON, 18 Tremont St., Boston, and for sale by Druggists generally.

GRACE'S CELEBRATED SALVE.

From Mr. JAMES CURLIN, AMESBURY, MASS.

"I was afflicted with a severe felon on one of my fingers, and tried many remedies without relief. My friends induced me to apply your Salve. In two days it extracted the inflammation from my finger so as to enable me to resume my work. I can almost say that the Salve worked like magic, for it effected a cure without leaving a scar. I unhesitatingly pronounce *Grace's Salve* an excellent remedy and do not doubt it will be appreciated throughout the land."

AGENTS WANTED FOR

The Official History of the War,

Its Causes, Character, Conduct and Results.

By Hon. Alexander H. Stephens.

A Book for all Sections and all Parties.

THIS great work presents the only complete and impartial analysis of the Causes of the War yet published, and gives those interior lights and shadows of the great conflict only known to those high officers who watched the flood-tide of revolution from its fountain springs and which were so accessible to Mr. Stephens from the position as second officer of the Confederacy.

To a public that has been surfeited with APPARENTLY SIMILAR PRODUCTIONS, we promise a change of fare, both agreeable and salutary, and an intellectual treat of the highest order. The Great American War has AT LAST found a historian worthy of its importance, and at whose hands it will receive that moderate, candid and impartial treatment which truth and justice so urgently demand.

The intense desire every where manifested to obtain this work, its Official character and ready sale, combined with an increased commission, make it the best subscription book ever published.

One Agent in Easton, Pa., reports 72 subscribers in three days.

One in Boston, Mass., 103 subscribers in four days.

NEW YORK DAY-BOOK

FOR 1868.

THE NEW DAY-BOOK is a straightforward, Radical Democratic paper, with a larger circulation than any other Democratic journal ever published on this Continent, and it enters on the threshold of 1868 more prosperous and more hopeful of the great cause it upholds than ever before. Standing on the foundation of the Declaration of Independence, that "all (*white*) men are created equal," and *therefore* entitled to equal rights, it is opposed to all forms and degrees of special legislation that conflict with this grand central TRUTH of Democracy.

THE DAY-BOOK, *therefore*, demands the restoration of the "Union as it was"—A UNION OF CO-EQUAL STATES UPON THE WHITE BASIS, as the only hope, and the only means possible under heaven for saving the grand ideas of 1776, and the fundamental principles of American liberty, and if the real friends of freedom, and the earnest believers in that sacred and glorious cause in which the men of the Revolution offered up their lives, will now labor to expose the ignorance, delusion and treason of the Mongrel party, IT WILL SUCCEED, and the white Republic of Washington be restored again in all its original beneficence and grandeur.
