SEWING MACHINES.

IT is now generally admitted that a good sewing machine is a valuable aid in a family. Few men would decline purchasing a machine of any kind that would enable them to perform their labor in half the time required by other means, and we think the Ladies have as much claim to be relieved from their toil. It has been demonstrated that a GROVER & BAKER SEWING MACHINE will save more than half the time and labour and do the work better. This is the best family sewing machine, because it is simple, and Ladies have no trouble to manage them.

If a sewing machine is too complicated to be used, except by experienced operators, it has very little value as a family machine.—We never knew a Lady who had any difficulty in using a Grover & Baker Machine.

Are the Agents for this machine, and supply them at the city prices.

Persons prefering to select a machine in the city will be supplied with an order to the Baltimore agency. Machines will be delivered in any part of the county,

DEBILITY.

Every one at times feels the necessity of something to tone up the system depressed by mental or bodily exhaustation. At such times let every one, instead of taking alcoholic or medicinal stimulants, which afford only a temporary relief, reinvigorable his debilitated system by the natural tonic elements of the

PERUVIAN SYRUP,

or Protected Solution of the Protoxide of Iron, which vitalizes and enriches the blood by supplying it with its Life Element, IRON,

Being from Alcohol in any form, its energizing effects are not followed by corresponding reaction but a permanent, infusing strength, vigor and new life into all parts of the system, and building up an Iron Constitution.

WM. C. STERLING, Esq., of Poughkeepsie, N. Y., says:

"Since taking the Peruvian Syrup I feel better, my strength is improved, my bowels are regular, my appetite first rate.

There is an old Physician in this city (older than I am,) who has been in the Drug business for 40 years, who has used the Syrup for three months, and gives it as his decided opinion, thas it is best Alterative Tonic Medicine he ever knew."

For Dyspepsia, Debility, and Female Weakness, the Peruvian is a specific. A 32 page pamphlet sent free. The genuine has "Peruvian Syrup" blown in the glass.

Pacific Guano Company's
(*CAPITAL* $1,000,000)
SOLUBLE
PACIFIC GUANO

THE VALUE of this Guano is now so *well known and appreciated*, that it does not require further recommendation from us.

The Company *owns the Guano Islands*, and other *sources of supply* from which its raw material is drawn. Hence, this Guano, possessing such high excellence, can be brought into market at a price *not* exceeding that of the ordinary Super-Phosphates of Lime.

The large capital invested by this Company affords the surest guarantee of the continued excellence of their fertilizer, as the safety of their capital depends upon continued and permanent business.

Experience has shown that this Guano ripens the Wheat crop from five to six days earlier than the Super-Phosphates.

It is the *policy* and *purpose* of the Company to furnish the best fertilizer that *enterprise* and *capital*, *aided* by the best scientific ability, can bring into market, at the *lowest possible cost to consumers.*

BEST ARTICLE IN USE

Letter from A. L. Carter.

MONASKIN, Lancaster Co., Va., August 10, 1868.

Messrs. HERBERT & HAIRSTON, Baltimore, Md.

Gentlemen:—I purchased two tons Andrew Coe's Phosphate last fall and applied it in comparison with A No. 1 Peruvian Guano, each drilled in with wheat, at the rate of about 150 pounds per acre, on similar land. The growth of straw was greater where the guano was applied, but the yield of wheat greater and quality better where I used the Phosphate. I also purchased two tons last spring to experiment on oats and corn. The growth of oats was very fine, the corn looks well and bids fair to yield heavily. I shall want more to apply to wheat this fall.

Very respectfully, A. L. CARTER.

Letter from Hon. E. J. Henkle.

Anne Arundel County, Aug. 8th, 1868.

Messrs. Herbert & Hairston:

Gentlemen:—I have used Andrew Coe's Super-Phosphate of Lime on my corn crop for two successive years, and take great pleasure in testifying to its merits. My crop last year was bettter filled in the ear and heavier than I ever raised before. The soil was of inferior quality, and I could only attribute the success of the crop to the effects of the fertilizer. I have used it again this year and it promises equally good results. It is, in my opinion, the most popular and best manufactured fertilizer in use in this community.

Very truly yours, E. J. HENKLE.

Letter from Michael Graybill.

Amsterdam, Va., July 31, 1868.

Messrs. Herbert & Hairston:

I used Andrew Coe's Phosphate by the side of No. 1 Peruvian, and I could see no difference between the two; both did well. I will want some again this fall. Very respectfully yours, MICHAEL GRAYBILL.

Letter from Jesse Slingluff, Esq., President of the Commercial and Farmers Bank.

Baltimore, August 4th, 1868.

Andrew Coe, Esq., Baltimore, Md.

Dear Sir:—I used on my wheat last fall your Super-Phosphate of Lime, and found it to do well. I most cheerfully recommend farmers to use it, as a first-rate fertilizer.

Very respectfully yours,

JESSE SLINGLUFF, Baltimore county, Md.

Letter from Basil S. Benson.

Anne Arundel Co., Md., July 18, 1868.

Andrew Coe, Esq., Baltimore, Md.

Dear Sir:—I have bought twenty-six tons of your Phosphate and used it on my fall and spring crops, and it is the best fertilizer that I have ever used. Yours, truly,
