The Chestertown Transcript.

Saturday Morning, October 31, 1868.

LOCAL MATTERS.

ORPHANS' COURT.—The Orphans' Court will meet on Thursday next, (the 5th of November), instead of Tuesday, the regular day of meeting.

PREACHING AT THE COURT HOUSE.—The Rev. J. Hervey DuLaney, of the M. E. Church, South, will preach in the Court House to-morrow (Sabbath) afternoon. Service will commence at 3 o'clock.

CIRCUIT COURT FOR KENT COUNTY.—The Court met on Tuesday last, and the following additional cases have been disposed of:

Jeremiah Mahoney vs. W. T. Smith. Jury trial; action for money loaned. Jury not agreeing were discharged.

W. H. Spratt vs. W. T Smith. Action to recover the value of putting in a Turbine water wheel. Jury discharged: compromised. McCullough for plaintiff. Vickers for defence.

A. C. Nowland vs. Kent County Railroad. Appeal from the award of jury on land damages. Affirmed.

In delivering the opinion of the Court in this case, Judge Robinson read several points of law which had been agreed upon by the Court for the government of such cases. He said in substance that the jury must give the landowner the value of his land, without any diminution, and that its value was to be determined by its location, and other attending circumstances. Thus, for instance, a man's lawn was more valuable than the corner of his farm. That they should estimate all the advantages and disadvantages, but that the future value of the land was not a point for the consideration of the jury.

J. N. Usilton vs. Kent County Railroad Company. Appeal as above. Judgment affirmed: Railroad Co. to pay costs. Hynson and Slay for the Company. Mr. Pearce for plaintiff.

The decision of these cases would indicate that the Court is not likely to disturb the award of the juries.

State vs. Edw. Comegys and Thos. R. Vickers, indicted for conspiring to take illegal fees from Isaac Gale and for malfeasance in office. Verdict, guilty. Judgment of the Court, that the parties be removed from office and fined $25 and costs. Blackiston for defence.

Judge Wickes pronounced the sentence of the Court upon the following parties: Alexander Thomas, convicted of stealing $90 from Thos. Baker, to the penitentiary for three years.

Henry Miller, convicted of stealing clothing from John T. Bramble, to the penitentiary for two years.

Samuel Vincent, convicted of assaulting Henry Hynson with intent to kill, to the penitentiary for four years.

On motion of D. J. Blackiston, Esq., R. F. Bratton, of Princess Ann, was admitted an attorney of the court.

DEBILITY.

Every one at times feels the necessity o something to tone up the system depressed by mental or bodily exhaustation. At such times let every one, instead of taking alcoholic or medicinal stimulants, which afford only a temporary relief, reinvigorable his debilitated system by the natural tonic elements of the

PERUVIAN SYRUP,

or Protected Solution of the Proxtide of Iron, which vitalizes and enriches the blood by supplying it with its Life Element, IRON,

Being from Alcohol in any form, it energizing effects are not followed by corresponding reaction but a permanent, infusing strength, vigor and new life into all parts of the system, and building up an Iron Constitution.

WM. C. STERLING, Esq., of Poughkeepsie, N. Y., says:

"Since taking the Peruvian Syrup I feel better, my strength is improved, my bowels are regular, my appetite first rate.

There is an old Physician in this city (older than I am,) who has been in the Drug business for 10 years, who has used the Syrup for three months, and gives it as his decided opinion, thas it is best Alterative Tonic Medine he ever knew."

For Dyspepsia, Debility, and Fema'e Weakness, the Peruvian is a specific. A 32 page pamphlet sent free. The genuine has "Peruvian Syrup" blown in the glass.

SEWING MACHINES.

IT is now generally admitted that a good sewing machine is a valuable aid in a family. Few men would decline purchasing a machine of any kind that would enable them to perform their labor in half the time required by other means, and we think the Ladies have as much claim to be relieved from their toil. It has been demonstrated that a GROVER & BAKER SEWING MACHINE will save more than half the time and labour and do the work better. This is the best family sewing machine, because it is simple, and Ladies have no trouble to manage them.

If a sewing machine is too complicated to be used, except by experienced operators, it has very little value as a family machine.—We never knew a Lady who had any difficulty in using a Grover & Baker Machine.
