LOCAL MATTERS.

PREACHING AT THE COURT HOUSE.—We are requested to state that one of the Ministers of the M. E. Church, South, will preach in the Court House to-morrow (Sabbath) afternoon, at 3 o'clock.

MAD DOGS.—The Commissioners of Chestertown passed an order, at their last meeting, to prevent dogs running at large in the streets of Chestertown, between Sunday the 8th and Monday the 23rd inst., without being muzzled.

The Bailiffs are directed to kill all dogs found running at large, unmuzzled, between the above dates.

REGISTRATION OF KENT.—The number of Registered Voters in this County is 2,060, divided among the several districts as follows: First district 524, second 419, third 272, fourth 391, fifth 454. This is a larger number by at least one hundred and fifty than the voters of our County has heretofore been estimated at, and shows conclusively that our population is largely on the increase.—*Kent News.*

IN an extract from the Fredericksburg (Va.) Herald, we notice the following sales of Virginia lands to Marylanders: 138 acres lying in Westmoreland county, to Samuel Rolph, of Queen Anne's county, for $20 per acre: 400 acres on Matox creek, to T. H. Massey, of Kent Co., for $8,000: 104 acres in Richmond Co. to John Taylor, of Kent Co. for $12,000: 434 acres in Westmoreland county, to Wm. Meginness, of Kent, for $6,944.

In addition to the above, we learn that Jesse Morris, residing near this town, a few weeks ago purchased a farm in Middlesex county, lying on the Rappahannok river, containing 200 acres, for $3,500.

SEWING MACHINES.

IT is now generally admitted that a good sewing machine is a valuable aid in a family. Few men would decline purchasing a machine of any kind that would enable them to perform their labor in half the time required by other means, and we think the Ladies have as much claim to be relieved from their toil. It has been demonstrated that a GROVER & BAKER SEWING MACHINE will save more than half the time and labour and do the work better. This is the best family sewing machine, because it is simple, and Ladies have no trouble to manage them.

If a sewing machine is too complicated to be used, except by experienced operators, it has very little value as a family machine.—We never knew a Lady who had any difficulty in using a Grover & Baker Machine.
