LOCAL MATTERS.

☞ Hon. George Vickers, of the U. S. Senate, will accept thanks for interesting public documents.

DELEGATE ELECTED.—The Vestry of St. Paul's Parish have elected Dr. L. M. Ricaud delegate to the Eastern Shore Diocesan Convention, to meet at Easton on the 19th inst., and Josias Ringgold, Jr., alternate.

RELIGIOUS.—Rev. S. B. Southerland, President of the Maryland Annual Conference, will preach at St. JAMES' on Sunday morning at 10½ o'clock, and at CHRIST CHURCH, Chestertown, at 7 o'clock in the evening.

KICKED.—A negro child, seven years old, living with Mr. John Parsons near Bell-Air, while running behind a horse, was kicked square in the face, mashing in his nose and severely injuring his forehead. Dr. Vannort dressed the wounds He will probably recover.

THE RAIL-ROAD WHARF at this place is now completed, and seems to be a most substantial structure in every particular—except, perhaps, the pine piles—which some say are not durable. The wharf is constructed part crib filled in with earth, and part pile and cap. The crib portion is 146 feet long by 32 feet and about eight feet high, the pile wharf 204 feet long and 32 feet wide, with a wing at the far end 28 feet on front and 24 feet wide, giving a face of 60 feet, with about 15 feet water.

BROKE HIS LEG.—Last Monday, James Murray, employed upon the farm of Mr. J. W. Corey's near Hanesville, suffered a painful fracture of his left leg. He was assisting to move a loaded cart, having hold of the tongue, and by some means lost his hold, and falling the whole weight came upon his leg. Both bones are broken near the ankle joint, complicating the joint, and the leg being otherwise bruised and injured. Dr. E A. Vannort reduced the fracture, and has charge of the case. He is doing well.

THE NEW BRIDGE across the Sassafras river at Georgetown, will be finished in two weeks or more, and when completed will be a great public convenience to that section of our improving County, and will shorten the distance to Elkton 7 miles. The bridge is about four hundred and seventy yards long, and will be a strong and noble structure. The towns of Georgetown, Fredericktown, and Galena must improve rapidly after its completion, and "the only wonder" now is that it was not erected long ago. *

THE MECHANICS' BELL.—This bell has been placed in position on the engine house at considerable trouble and expense, for the purpose of giving notice of the hours of seven, twelve, one, and six, at this the present season of the year. This arrangement, if carried out, would be a great convenience to the citizens of the town, and particularly to those who have no time-keeper; but the fact is that the bell is now rung a full half hour ahead of time, and has been gradually advancing from the start. On Thursday morning last, it was rung for seven o'clock before the sun was above the horizon. That morning we were standing with almanac in hand, waiting for the sun to rise: the time given in the almanac for sun-rise that morning was 6 hours 39 minutes, 20 minutes before seven; added to that the sun is something over fifteen minutes fast, so on Thursday morning the bell rang 35 minutes before seven. At this rate of progression it will soon be ringing one day for the next. The easy going old gentleman who attends to it, has fallen into the error that the sun never varies. And added to that he is a very early riser, and perhaps thinks the good people of our town will stir earlier in the morning if time is taken a little by the forelock.

VENDUES.—On Monday next, the 16th, James Lewis will sell on W. P. Francis' bay-side farm, 6 head of horses, 1 pair of mules, and a variety of farm stock and implements.

Wednesday, the 18th, R. W. Jones will sell, at the late residence of Walter T. H. Miller, his entire personalty.

Thursday, the 19th, Dr. J. A. Perkins will sell on his farm near Chestertown, horses, cows, beeves, sheep, and farming implements.

Friday, the 20th, Geo. Vickers, Trustee, will sell on the Barkman farm, the personal property of L. T. Anderson.

To-day, the 4th, H. N. Hammond will sell near Shallcross' Wharf, a lot of personal property.

For particulars of all these sales, see advertisements.

TOWN LOTS.—On Saturday, the 21st inst., Mr. John Kennedy will sell, in the town of Kennedyville, a number of desirable building lots, which have been recently laid out. For particulars, see advertisement.

Kennedyville is a growing place, and is situated in a fertile section of country, directly on the stage road from Chestertown, North, and immediately on the Kent railroad. We hope to see these lots all sold and speedily built up.

AN OLD FOGY.—Judge Robinson, the Chief Judge of this Judicial District, appears to hold some very antiquated ideas of right and wrong, not in accordance with the "progressive spirit" of the age. For instance, the Judge thinks that office-holders should act honestly, and should be punished for doing otherwise, as appears from the following extract from the record of Kent County Circuit Court:

State vs. Edward Comegys and Thomas R. Vickers, indicted for conspiring to take illegal fees from Isaac Gale, and for malfeasance in office. Verdict, guilty. Judgment of the Court, that the parties be removed from office and fined $25 and costs.

When was such a thing ever heard of before? Do the annals of American jurisprudence anywhere bear a duplicate of this record? Reflection will doubtless convince Judge Robinson that such proceedings as the above "judgment of the Court" however just, are nevertheless impracticable, as it would be very embarrassing, and would "clog the wheels of government" to have the major portion of the offices in the country made vacant, even by the mandate of a just judge.—*St. Michael's Comet.*

SEWING MACHINES.

IT is now generally admitted that a good sewing machine is a valuable aid in a family. Few men would decline purchasing a machine of any kind that would enable them to perform their labor in half the time required by other means, and we think the Ladies have as much claim to be relieved from their toil. It has been demonstrated that a GROVER & BAKER SEWING MACHINE will save more than half the time and labour and do the work better. This is the best family sewing machine, because it is simple, and Ladies have no trouble to manage them.

If a sewing machine is too complicated to be used, except by experienced operators, it has very little value as a family machine.—We never knew a Lady who had any difficulty in using a Grover & Baker Machine.

Are the Agents for this machine, and supply them at the city prices.
