The Chestertown Transcript.

LOCAL MATTERS.

PORK.—There has been, as yet, but little pork offered in our town. It is selling from eight to ten dollars per hundred pounds.

BANK RESIGNATION.—We learn that Col. Spencer, Cashier of Kent National Bank, intends resigning his position, to take effect the first of January ensuing.—*News.*

LARGE PORKERS.—Mr. James Brice, butcher, of our town, slaughtered on Tuesday last, three hogs of his own fatting, which weighed respectively 612, 448 and 353 pounds; total 1,413. The largest was 22 months and 25 days old, and was procured from his father, Wm. A. Brice.

A contest of skill in guessing the weight of the larger one was entered into, the party depositing his vote with the weight and his name marked thereon and enclosing 25 cents, the successful party to take the whole amount Forty-five voted, and the pool was won by the gentleman who voted 610. One other party came within three pounds. This is a novelty in our latitude, and we believe is a Pennsylvania game.

BUILDING LOT PURCHASED.—The beautiful building lot, corner of Cannon and Mill streets, opposite the residence of Col John N. Denning, has been purchased by Mr. Richard S. Usilton, who, we learn, intends dividing it next Spring into four or five lots, erecting a dwelling on the corner, and perhaps several others. The site is a most eligible one.

We are glad to notice that the attention of enterprising men seems now to be turned to that portion of Cannon street, (heretofore so much neglected,) and in addition to the improvements recently made by Col. Denning, Major Richard Smyth has completed a handsome two-story dwelling on the lot adjoining that purchased by Mr. Usilton. Wm. Bacchus, Esq., has also erected a small dwelling on the same side of the street, a short distance above.

By the way, would it not be well for the Commissioners to have a side-walk constructed for the convenience and comfort of the residents of that growing section of the town? During the bad weather of the winter and early spring, particularly, the walking is dreadful, and pedestrians are compelled to wade through the clay and mud as best they can.

And selling Goods at

CASH PRICES.

OUR COMPETITION IS AGAINST THE CITY, AND WE ARE SATISFIED THAT AN EXAMINATION OF OUR STOCK WILL INSURE SALES.

We have concluded that the most effectual way to advertise is to show the Goods at the counter. We find the most of our customers competent to judge for themselves, and the best evidence we could have that they think our Goods cheap is, we sell them.

IN ADDITION TO THE USUAL STOCK WE KEEP

Carpets, Furniture,

AND

SEWING MACHINES.

PERSONS WISHING TO SAVE MONEY, CAN DO SO BY PURCHASING OF

B. B. PERKINS & SON.

SEWING MACHINES.

IT is now generally admitted that a good sewing machine is a valuable aid in a family. Few men would decline purchasing a machine of any kind that would enable them to perform their labor in half the time required by other means, and we think the Ladies have as much claim to be relieved from their toil. It has been demonstrated that a GROVER & BAKER SEWING MACHINE will save more than half the time and labour and do the work better. This is the best family sewing machine, because it is simple, and Ladies have no trouble to manage them.

If a sewing machine is too complicated to be used, except by experienced operators, it has very little value as a family machine.—We never knew a Lady who had any difficulty in using a Grover & Baker Machine.

B. B. Perkins & Son

Are the Agents for this machine, and supply them at the city prices.

Persons preferring to select a machine in the city will be supplied with an order to the Baltimore agency. Machines will be delivered in any part of the county.
