The Chestertown Transcript.

Saturday Morning, June 19, 1869.

☞ OUR friends throughout the county are earnestly requested to furnish us with all items of local interest transpiring in their immediate neighborhoods.

LOCAL MATTERS.

FINE STRAWBERRIES.—These delicious berries have never been finer or so abundant with us before this season. We omitted last week to mention the receipt from Dr. A. Vannort of a box of the largest and most delightful we have ever seen. They were very large, of the finest flavor, and we believe of the Doctor's own propagating.

AUNT SALLIE IS DEAD!—This old goose, whose great age we noticed a few weeks since, was killed on Monday last by being run over by an ox cart. She was blind, and in the 76th year of her age. She was for 40 years owned by Mrs. Sarah Miller of Swan Creek, afterwards cared for by Col. W. T. H. Miller, and finally protected until her death by Mrs. James M. Page, near Edesville.

CAVALRY.—The young men of the Fifth District have organized a Cavalry Company, and on Saturday last, G. D. S. Handy, Esq., was elected Captain; Geo. H. Wilson, first Lieutenant; John Brice second Lieutenant. They have now upon their list fifty names, and upon the regular roll over thirty It is fine material for a troop, most of the men being between the ages of 18 and 25 years.

FESTIVAL AT THE ARMORY.—The ladies are holding a Festival in aid of the Lodge of Good Templars, of this place. All the delicacies of the season, at reasonable prices, together with confectionery, &c., in abundance. A novel feature—voting for the prettiest girl in Chestertown, who will be crowned Queen of Love and Beauty, the Coronation Address to be made by H. W. Vickers, Esq.,—will take place at the close of the Festival, this evening.

THE KNIGHTS TEMPLAR of the country celebrated the Semi-centennial anniversary of St. John's Commandery in Philadelphia on Tuesday last. There were three thousand Knights in line. A number of our citizens went on to witness the celebration. Gen. Crawford of our town, was Chief Marshal of the day. We are informed that the General is one of seventeen who hold higher rank in the Masonic fraternity than all others in the United States.

A MEETING of the camp meeting committee and others was held on the camp ground (Baker's Woods) on Thursday. The managers for the approaching camp meeting were selected, and the various committees appointed. The bread tent was given to Mr. Fredus Aldridge and the horse pound to Mr. John Greenwood of Wm. The committee on the location of tents will meet on the ground on Wednesday, July 21st, at which time all persons proposing to tent are requested to be present.

MILITARY PARADE.—Company G. 13th Regiment Maryland National Guard, have decided to celebrate the fifth day of July, Monday. The Company will meet at their Armory at half-past seven o'clock, A. M., and after a short parade through the principal streets, proceed a short distance from the town, where the day will be principally spent in drill. The Company has not yet had sufficient time to make very great progress in drill, and their object is to improve that occasion. They will have a Soldiers' Picnic, and return in the cool of the evening.

COLORED MASONIC DEMONSTRATION.—By handbills posted around, we see that the "M. W. Union Lodge, for the state of Md., Free and Accepted Ancient York Masons," (colo.) of Baltimore will give an Excursion to our town on Thursday June 24, for the purpose of dedicating the Masonic Hall which has been built here by the cold. masons. The bill states, "The Grand Royal Arch Chapter with her subordinates, the Knights Templar and Princes of Jerusalem will be present in full regalia. On arriving at Chestertown they will march through the principal streets, to the place of dedication.

Committee of reception—Jas. A. Jones, Wm. Perkins, J. F. Sprigg, W. T. Denby, Jas. Elbert, Moses Crosby, W. E. Anderson.

PAINFUL ACCIDENT.—Little Peregrine Tilghman, son of Capt. James Tilghman of this town, met with a painful accident on Saturday which it was at one time thought would cost him his life. He in company with two others had followed Mr. Thomas Chambers into a stable loft, and in attempting to pass from one side of the loft to the other Peregrine fell through a feed hole in the floor which was covered over with hay, and was precipitated some six to eight feet, falling across a manger below. At first recovery was considered doubtful. Drs. Bordley & Son were summoned and rendered efficient medical aid, and when last heard from the child was considered out of danger.—*Centreville Observer.*

The fourth of July falling on Sunday this year, the 5th is by statute designed as a legal holiday. Bank paper falling due on the 5th, is therefore payable on the 6th, and paper falling due on the 4th, must be paid on the 3d.

For the Transcript.

County Sabbath School Convention.

In accordance with previous announcement a Convention of Sabbath School Superintendents and Delegates from all the Sabbath Schools of Kent county was held in this town on Wednesday last. The morning session was held at the Methodist Protestant Church, a full delegation from nearly all the schools in the county being present.

The Convention was called to order by Rev. Mr Owens of Baltimore; Rev. Mr. Gray of Wesley Chapel, was elected temporary Chairman, and W. F. Massey, Secretary.

The proceedings were opened with prayer by Rev. Mr. Gray.

On motion of Rev. Mr. Owens, Bros. Duncan Brown, Wm. B. Usilton and Rev. Mr. Ridgway were appointed a committee to report permanent officers for the Convention.

During the absence of the committee, Rev. J. T. Murray addressed the Convention, bidding the various delegations welcome to our town.

The committee then reported the following officers: President—Robert S. Griffith. Vice Presidents—Rev. J. T. Murray, Rev. H. S. Thompson, James Kendall, George R. Beck and Samuel W. Aldridge, Secretaries—W. F. Massey and S. S. Baker.

The report was unanimously adopted.

Mr. Griffith, on taking the Chair, made a short and appropriate address.

On motion of Rev. Mr. Owens, all Sabbath School teachers present were recognized as Delegates to the Convention.

Reports from the various Schools being called for the following Schools responded:

M. E. School at Millington, by Thomas Mallalie, Esq., reported in good working condition.

Mr. Fowler, on part of a School near Millington, reported the school, which is a new one, to be increasing in numbers and interest.

Mr. N. T. Meginniss reported the organization of a new School near Massey's X Roads, with a good prospect of success.

Mr. Brown, the Sunday School Missionary, reported the organization of a School in the Forest, which gives promise of permanent success.

Mr. N. T. Meginniss reported the M. P. School at Sassafras to be in a vigorous condition—80 children and 12 teachers.

A Missionary Society has been organized in connection with the School and promises to become very useful.

The M. E. Sunday School at Sassafras reported 50 pupils and 10 teachers on the roll.

M. E. School at Galena reported 80 pupils and 8 teachers.

M. P. School at Galena reported 55 pupils and 8 teachers.

M. E. Church, South, at Chesterville, reported 50 scholars and 8 teachers—200 books in library.

M. E. School at same place reported 50 scholars and 4 teachers.

R. P. Stewart reported the organization of a School at Melbourne, under many disadvantages. This School has met with flattering success, notwithstanding the fact that its only place of meeting is a plank shed in the woods, sixteen feet square. Rev. Mr. Murray addressed the Convention in behalf of this School, strongly urging its claims for assistance upon this community.

M. E. School at Spry's Gate reported 25 pupils and 4 teachers; new school house built and school kept open the entire year.

Mr. Young reported the organization, on Sunday last, of a school at Locust Grove: 26 pupils and 6 teachers present.

M. E. School at Still Pond was reported by the superintendent, Dr. Hammond, to be hardly in as efficient a condition as he desired. The library consists of 350 volumes, and the school numbers 35 scholars and 6 teachers.

Dr. Melvin reported the M. P. School at Kennedyville to be in a very flourishing condition—school was closed last winter—commenced in the Spring with 77 pupils and 470 volumes in the library.

Rev. H. S. Thompson reported a mission school organized near Betterton, which is of great promise.

Mr. Wm. K. Copper reported the M. E. School at Union Church as in a prosperous condition.

Mr. Geo. R. Beck reported the M. P. School at St. James' Church in good condition, about 75 pupils, and an increasing interest manifested in the school.

Rev. J. T. Murray reported the M. P. School, in Chestertown, in a good way for success; teachers faithful and much interest manifested; but regretted that the old Union Hymn Book was still used, rather than that of the modern Music Book. He also gave an interesting account of a new library system in operation in this school, and advised its adoption by all schools.

M. E. School, in Chestertown, was reported in a healthy condition, having about 130 pupils, a good library, and a fine Cabinet organ to assist the singing.

M. E. School at Salem, reported by Jas. Kendall 32 pupils: school needs books

Mr. S. S. Baker reported Bond Chapel M. E. School to be prosperous, having 30 pupils and 6 teachers, a Sunday School Chapel and a good library.

School at Walton Chapel organized two days ago with a fair prospect of permanency.

Rev. Mr. Gray reported the M. Prot. School at Wesley Chapel to be small, but the prospect good—40 pupils attending.

Rev. Mr. Ridgway reported the existence of a remarkably prosperous school in Piney Neck; great activity and interest manifested by the people; 83 pupils on the roll. This school solicits contributions of old books from other schools.

Mr. James Kendall reported 50 pupils in the M. E. School at Hynson's Chapel, with a prospect of increase. The great want of the school, he said, was more books and more grace.

Mr. Wm. H. Coleman reported a greater degree of interest than usual in the M. E. School at Rock Hall. School numbers 96 pupils and 20 teachers, with 50 vols. in library.

Mr. James Coleman reported the M. P. School in Broad Neck to be increasing.

On motion, the hour for the children's meeting was fixed at 3 o'clock P. M.

The Convention then adjourned, with Benediction by Rev. H. S. Thompson, to meet at the M. E. Church at 2½ P. M.

Afternoon Session.

The meeting was opened with singing and a prayer by Rev. Mr. Ridgway, after which a general discussion of various questions of interest was participated in by a number of speakers. The hour for the children's meeting having arrived, Rev. Mr. Owen introduced Messrs. Wysong and Hinckley of Baltimore city. Mr. Wysong gave a model black-board lesson to the children, which was highly interesting to all present.

The work of the Convention was then resumed, and Messrs. Wysong and Hinckley gave an account of their method of conducting Sabbath Schools. After general discussion of interesting topics, the Convention adjourned, with Benediction by Rev. Mr. Massey, to meet at the M. E. Church at 8 o'clock P. M.

Evening Session.

Rev. J. T. Murray, Vice-President, in the Chair. Services opened by singing and prayer by Rev. H. E. Miskimon.

The minutes of the afternoon session were read and approved.

Subject for discussion: "Our experience as Sabbath School teachers."

Messrs. Blake of Queen Anne's, Mallalieu of Kent, Fahnestock of Baltimore, and Stewart of Kent, gave an interesting account of the results of their labors in the Sabbath School.

Professor Hogg, of Washington College, was called for, and spoke of the great good that had resulted from his work as a Sabbath School teacher; he urged upon the teachers of Sabbath Schools to be earnest in their undertaking.

The Convention was next addressed by Mr. Hinkley of Baltimore, and Rev. Mr. Thompson of Still Pond.

The following resolutions were offered by Mr. Wm. B. Usilton, and adopted by the Convention:

Resolved, That in our judgment the holding of County Sabbath School Conventions is of great practical benefit; calculated to excite a deeper interest in the good cause, and fruitful of suggestions, which greatly assist Sabbath School officers and teachers in the discharge of their important duties.

Resolved, That we regard singing as a most important part of Sunday School exercises, and should receive the special attention of all Sabbath Schools.

Resolved, That the modern collections of Sabbath School hymns, printed with the musical notes, are best calculated to interest the children.

Resolved, That wherever it is practicable, instrumental music should be used in our Sabbath Schools.

Resolved, That as a rule, Sabbath Schools should be continued thoughout the year.

Mr. Wysong gave another interesting black-board lesson.

Mr. S. S. Baker offered the following resolutions, which were adopted:

"Resolved, That we acknowledge Mersrs. Wysong, Hinkley, Owen and Brown to be earnest laborers in the Sabbath School cause.

Resolved, That we feel greatly benefitted by their advice and presence with us this day.

Resolved, That we will ever welcome them in our midst as true heralds of Christ's work.

Rev. Mr. Owen offered the following resolutions which were adopted:

Resolved, That the thanks of this Convention are due and are hereby tendered to Mr. R. S. Griffith, our President, and Rev. J. T. Murray, Vice-President, for the able impartial manner in which they discharged the duties of their office; and also to Messrs. W. F. Massey and S. S. Baker, secretaries, for the full and satisfactory manner in which they have reported the minutes of this convention.

Resolved, That appreciating fully the kindness and hospitality of the citizens of Chestertown, extended to the members of the Convention, we return them our thanks, and we will ever hold them in dearest remembrance.

Resolved, That the papers in Chestertown be respectfully requested to publish the proceeding of this Convention.

The chairman, Rev. Mr. Murray, next addressed the Convention in some feeling remarks, urging upon all present the great necessity of being earnest in the cause of Sabbath schools.

After singing of the doxology, and benediction by Rev. Townsend, the Convention adjourned to meet on the third Wednesday and Thursday of June next.

The Good Templars.

A quarterly meeting of delegates from the respective lodges of this order, in the counties of Kent, Queen Anne's and Caroline, was held in Centreville on Thursday last. In consequence of the unfavorableness of the weather, the lodges in Queen Anne's only were represented.—The Association met at the hall of Chester Lodge, Worthy Chief Templar, Mr. Isaac W. Starkey presiding, assisted by Miss Ellen Sweeney, W. V. T., Wm. D. Smith, W. S., and the necessary subordinate officers. The Lodge opened in regular form, and then entered into private business, and after spending a couple of hours in the discussion of matters not proper to be made public, the Association adjourned to partake of a sumptuous dinner prepared by Chester Lodge for the delegates and visiting members from other lodges. Enpassant, we will remark that the committee of ladies who had these preparations in charge, deserve great credit for the manner in which they performed the duties assigned them, and we feel sure that the thanks of the delegates generally, are heartily tendered them for the handsome manner in which they were entertained.

After partaking of dinner, the Association reassembled at two o'clock, and again entered upon the transaction of private business. During this session there were quite lively discussions upon a number of subjects, and particularly so upon the proposition to discountenance the use of spiritous liquors for culinary purposes, which enlisted the attention of the members and rendered the occasion one of profit, we trust, to the order. Disposing of the private business of the session, the Association went into an election of officers for the ensuing term, which resulted in the of J. T. Hand, of Chester Lodge W. C. T.; Miss Sallie Barton of Church Hill Lodge, W. V. T.; John P. Hartley, of Crumpton Lodge, W. Treas., and Mr. Jos. S. Starkey, of Sudlersville Lodge, W. Sect. The Association then resolved to hold its next session at Sudlersville, on the second Thursday in September, after which the convention adjourned to partake of a substantial supper, also refreshments consisting of ice-cream, strawberries and cake.

At eight o'clock in the evening, public meeting was held at the M. E. Church, where a large and attentive audience had assembled. Interesting and able addresses were delivered by the Rev. Mr. Valliant, of the M. P. Church of Centreville; Rev. Mr. Owen, of Baltimore and Dr. Samuel McCullum, of Templeville, a review of which is entirely unnecessary.

During the exercises, the choir of the Church discoursed some excellent instrumental and vocal music, and the audience expressed themselves as highly pleased with the proceedings of the evening.—*Maryland. Citizen.*

Queenstown, Harrington and Breakwater Railroad.

J. M. Barry & Co., who have taken the contract to finish the J. B. R. R. to Lewes, have also the contract for grading and building the road from Queenstown to Harrington. They will complete this end of the road by the first of August, and the Queenstown and Harrington road by the first of next year. Then we shall have a direct route from New York by water to Lewes across the Peninsula by rail to the Chesapeake, and thence to Baltimore, Annapolis and Washington. The prominent men of both States think this road will pay and become the great freight route from New York South. Lewes will be a coal depot, from which coal may be shipped by water to any point. The men engaged in this enterprise have the money, and intend to push it through. One thing is sure, the road will develop a large and productive section of country, and give them a cheap and short route to the great markets of the country.

Messrs. J. M. Barry & Co. are business men and will complete the work as speedily as possible. The people on the line of this road should awake to the great advantages which will be given them by it, and aid in every possible way its speedy construction.—*Sussex Journal.*

RAILROAD.—Nothing definite was done at the railroad meeting at Millington on Thursday of last week, in consequence of the absence of the contractor. It is proposed to formally open the branch road to Massey's on the 10th of July. The work on this branch has progressed so very slow, and is now so backward, that the opening of the road to Sudlersville in time for the peach crop is very doubtful. Another meeting will be held at Millington on Monday next, from which we hope good results will flow.—*Crumptonian, June 5th.*

Ten Cents Expense in nine years.

"I have long thought that, in justice to the excellence of your sewing Machine, it was my duty to inform you that, nine years since I purchased one from your agent in this city, and that I have had it in constant use since that time, and, during the entire period, the expense, aside from a few needles, has been ten cents to keep it in perfect repair. I give the above as evidence of the superiority of your machine, over others, because I have used those made by other parties, but with little satisfaction."—*Letter from Mrs. M. E. Wilson, Washington, D. C. to Grover & Baker, S. M. Co.*

URIEVILLE GRIST AND SAW MILLS.

THE undersigned, having rented the above well-known Mills, takes this method of informing his friends and the public generally that he is now prepared to accommodate them in Grinding and Sawing, having at both Mills thoroughly competent and reliable men. The Mills are in excellent condition for work, and all who favor him with their patronage may rely upon full justice in every respect, being done them, and as good a turn-out for grist as can be had at any Mill in the county. By giving his entire personal attention, and a determination to leave nothing undone to give satisfaction to his customers, he hopes to receive a liberal patronage.

H. M. ROLLISON,
May 29, 1869—6m. Urieville Mills.

TO THE PUBLIC!

WE have this day, May 25th, 1869, completed extensive repairs on the MILL, which enable us to grind more than ten bushels of good meal in one hour, and more than eight bushels of wheat. If any one doubts it, I invite him to call, and I promise to convince him, we can accommodate all that may find it convenient to send, in the best possible manner. We have also repaired the mill for grinding Plaster, and Corn in the ear, etc.

N. B. I have been compelled to expend quite a large amount of money in the repaires or incur great loss, and cause the public much inconvenience; I would therefore take it as a great favour for any one owing me to call and pay their indebtedness, or any part of it. I have called where I thought it most likely to succeed and failed, and am discouraged from further attempts. This may find some prepared whom I least suspect. If so, I shall be spared the mortification of selling paper or borrowing money.

Most respectfully,
THOS. H. WHALAND.
