The Chestertown Transcript.

Saturday Morning, July 24, 1869.

☞ Our friends throughout the county are earnestly requested to furnish us with all items of local interest transpiring in their immediate neighborhoods.

LOCAL MATTERS.

Southern Methodist Camp Meeting.—This camp, which commences on the 6th day of August, in Mr. David Clements' woods, will be attended, we are informed, by the following distinguished ministers: Dr. Duncan, Dr. Bond, and Dr. Roszell.

Manufacture of Ice.—The great ice manufactory at New Orleans is one of the marvels of the age; but the process of converting distilled water into solid blocks of ice is said to be exceedingly simple.

On Wednesday last Mr. Collin F. Stam of our town, made a small quantity of ice by chemical process.

Rail Road Matters.—We learn that the Board of Directors of the Kent Railroad will meet at Kennedyville to-day for the transaction of business and an examination of the grading of the road. The committee appointed at the last meeting will submit a contract for the rails, blocks and chairs, from Massey's Cross Roads to Kennedyville. If the contract should prove acceptable, we may look for the early completion of the road to that point, about nine miles from our town.

We hear that the Queen Anne's Company have completed laying their rails to Millington.

Excursions and Picnics.—The height of the excursion and picnic season seems to have been reached, and our citizens certainly have had the most ample opportunities afforded for engaging in them. Last Tuesday afternoon the steamer *Geo. Law*, under charter of her officers, made an excursion from Crumpton to the mouth of the river, touching at all the landings, and returning by moonlight: a very pleasant affair, we learn, though not largely patronized. On Wednesday the steamer *Chester*, under charter of the Crumpton Lodge of Good Templars, made an excursion from that place to Havre De Grace; which we are informed was a very nice affair indeed; and the pleasures of the occasion were not marred—as is too often the case—by intoxicated parties.

The Methodist Protestant Sabbath School held a picnic last Wednesday, at 'Airy Hill.' The arrangements for comfort and enjoyment were complete, and all returned highly gratified with the events of the day. On Thursday the Protestant Episcopal School spent the day very pleasantly in Baker's Woods. The recently organized M. P. School, in Morgan's Creek Neck, also held a picnic on Thursday, in the grove near the residence of Mr. John Melvin. The attendance was large, and the exercises very interesting: everything passed off most agreeably.

Institution of a Lodge of Knights of Pythias.—On last Tuesday evening, Grand Chancellor G. W. Stoddard of Baltimore, assisted by Past Chancellor S. E. B. Wolfe, M. D., and bro. A. T. Jones, instituted a new Lodge of the Order of Knights of Pythias, in this town, to be known as Kent Lodge No. 40; and after conferring the Degrees of the Order upon a number of gentlemen, proceeded to install the following officers:

Venerable Patriarch—S. S. Usilton
Worthy Chancellor—William T.
Vice Chancellor—Jas. A. Shaw.
Recording Scribe—T. Waters Russell
Financial Scribe—Lewis S. Fowler.
Banker—A. A. Biscoe.
Guide—William G. Russell.
Inner Steward—Thomas Lee.
Outer Steward—Alonzo Ming.

The Grand Officers expressed themselves highly gratified with the appearance of the gentlemen comprising the Lodge, and feel confident that it will increase and prosper.

This Order is still a very young one—only five years old—yet it already numbers over three hundred Lodges, in some nineteen States of the Union; there being one hundred and thirty-eight in Pennsylvania alone. It is entirely unsectarian, and has nothing to do with politics—inculcating upon its members only the highest of moral lessons, especially those of benevolence, charity, and brotherly love.

The Grand Lodge of Maryland meets next Tuesday, in Baltimore, when it is expected that over forty Lodges will be represented.

Grand Contract.—The Philadelphia, the Queenstown and Harrisburg railroad was begun at the stakes on the eastern bank of the Choptank, about four miles above Denton, on Monday, ultimo last. The work was begun with a small force, but an effort is being made to complete it to Sixty-one. Our friend Hagarty says about two miles have been graded. As soon as a sufficient force can be secured work will be commenced along the whole line.—*Denton Union.*

To Land Buyers.—Being well acquainted with the soil and location of tide-water Virginia, I offer my services for the next three months to accompany parties visiting the State with a view to purchase or lease.

URIEVILLE
GRIST AND SAW MILLS.

The undersigned, having rented the above well-known Mills, takes this method of informing his friends and the public generally that he is now prepared to accommodate them in Grinding and Sawing, having at both Mills thoroughly competent and reliable men. The Mills are in excellent condition for work, and all who favor him with their patronage may rely upon full justice in every respect, being done them, and as good a turn-out for grist as can be had at any Mill in the county. By giving his entire personal attention, and a determination to leave nothing undone to give satisfaction to his customers, he hopes to receive a liberal patronage.

H. M. ROLLISON,
May 29, 1869—6m. Urieville Mills.

TO THE PUBLIC!

We have this day, May 25th, 1869, completed extensive repairs on the MILL, which enable us to grind more than ten bushels of good meal in one hour, and more than eight bushels of wheat. If any one doubts it, I invite him to call, and I promise to convince him, we can accommodate all that may find it convenient to send, in the best possible manner. We have also repaired the mill for grinding Plaster, and Corn in the ear, etc.

N. B. I have been compelled to expend quite a large amount of money in the repaires or incur great loss, and cause the public much inconvenience; I would therefore take it as a great favour for any one owing me to call and pay their indebtedness, or any part of it. I have called where I thought it most likely to succeed and failed, and am discouraged from further attempts. This may find some prepared whom I least suspect. If so, I shall be spared the mortification of selling paper or borrowing money.

Most respectfully,
THOS. H. WHALAND.
