HOW TO VOTE FOR SCHOOL COMMISSION- ERS.—The following letter from Attorney General Jones was addressed to a gentle- man of Calvert county, Md., in reply to a communication asking information on the subject:

Attorney General's Office, Baltimore, October 1st, 1869.—Dear Sir. In reply to your inquiry in yours on the 28th ulti- whether the present school law re- s the school commissioners to be vot- for on a general ticket by all the voters of the county, or only in his own election district," I have the honor to state that I am clearly of the opinion that section 1 of chapter 2 of the act of 1868, chapter 407, requires "one commissioner for each elec- tion district, to be elected *by the people thereof*, at each election of members of the General Assembly; that is to say, that the legal voters of each district are to vote for a commissioner for that district, and not by a general ticket.

Very respectfully and truly yours,
ISAAC D. JONES, Att'y. Gen.

Railroad Meeting.

A meeting of persons favorable to the project, convened at Elkton on Tuesday last, to take some action looking to the construction of a railroad from Elkton to Massey's, in Kent county. Hamilton Mor- ton, Esq., was called to the Chair and G. W. Cruikshank appointed Secretary.

It was found that Cecil county, the up- per section of Kent county, Maryland, and also Middletown, Delaware, were repre- sented in the meeting, which though not large, seemed earnestly in favor of the ob- ject which had called them together. The failure to accomplish anything tangible at former meetings has induced many persons to apprehend that nothing would be done at this meeting, but the persistency of those assembled succeeded finally in fixing upon a plan which promises definite action. The feasibility of the measure was tho- roughly canvassed and generally conceded. It was shown that the work could be done at a cost less than three hun- red thousand dollars, and the means of requisite funds confidently pr- ...o made t...

steamboat, and the greater availability of this route illustrated. The want of a char- ter was alluded to, and the question of appointing directors of an unchartered road discussed. Finally a motion prevailed to select nine persons favorable to the object as a temperary board of directors. Messrs. Jacob Tome, James B. Groome, William Lindsey, John Peach, Hamilton Morton and William T Weldon, of Cecil county, Robert Griffith and Alexander Wilson, of Kent county, Maryland, and Sewell Green, of Middletown, Delaware, were selected to constitute such board. The meeting then adjourned and a meeting of the Board of Directors was immediately called.—*Cecil Democrat.*

RUTH'S

Challenge Soluble Phosphate,

THE most active and durable FERTIL- IZER ever offered to the Farmer. This article is manufactured expressly to take the place of A. No. 1 Peruvian Guano, and will be found as active as Guano and much more durable in its effects. It is made upon the principle that the measure of our prosperity is the prosperity of the farmer, and every farmer who uses it may confidentially rely upon large Crops unless injured by providen- tial acts. It is indeed the "Challenge" Fer- tilizer of the times and in order that it may always remain such we have engaged in its preparation the very best chemical skill in this country.

Give it a trial.
