The Chestertown Transcript

Saturday Morning, May 14, 1870.

☞ Our friends throughout the county are earnestly requested to furnish us with all items of local interest transpiring in their immediate neighborhoods.

LOCAL MATTERS.

At the Stockholders' Election of the Kent County Railroad, on Monday last, the following gentlemen were elected Directors for the ensuing year: Geo. Vickers, Rich'd. C. Johnson, William Welch, William B. Wilmer, Charles Beasten, Jesse K. Hines, John Gale, George W. T. Perkins. Twenty-two hundred and eighty-three votes were cast, all of which were given for the Directors elect, except forty to Mr. Stephen Boyer.

The unanimous vote given is a gratifying endorsement of the faithfulness of the present Board.

We hear that a committee has been appointed to make a contract for sufficient rails to bring the track to Duyers, and it is expected that the rails will be laid to that point by the first of August. The bridge building has been commenced, and the grading of that section is nearly completed.

Orphans' Court.—H. M. L. Everett, admr'x. of H. L. Spencer, returned an inventory of personal estate.

W. T. Elben, administrator of Joseph Mann, returned a list of sales of the personal estate of deceased.

W. H. Hamilton, administrator of John H. Morgan, returned his first and final administration account.

William T. and Edwin J. Morris, admrs. of Sarah A. Morris, returned their first administration account.

County Commissioners.—The Commissioners were principally engaged in passing accounts. William W. Stephens and John W. Corey were appointed superintendents of the County Wharf at Buck Neck.

B. B. Atkinson was appointed Constable for the Fifth Election District, *vice* John H. Strong failed to qualify.

County Agricultural Association.—On Monday last, five delegates from each of the District Farmers' Clubs of the county, met in the Club Room of the Central Club, and adopted a Constitution and By-laws for the County organization.

All members of the District Clubs may become members of the County organization by paying annually the sum of one dollar. The officers of the County Club are a President, Secretary and Treasurer, with a Vice President and Delegate from each of the Dirtrict Clubs.

After the adoption of the Constitution and By-laws, an election for officers was held, with the following result: President, James A. Pearce; Secretary, Charles H. Baker; Treasurer, John W. Corey.

The President elect on taking the Chair made a short and appropriate address.

The meeting adjourned subject to the call of the President.

STEEL CULTIVATOR TEETH.

CHAPMAN & LAMBERT

HAVE the pleasure of calling the attention of Farmers generally to the following testimonials in regard to their improved Steel Cultivator Teeth, over 200 sets of which have recently been sold in Kent and Queen Anne's counties:

Sassafras, Kent Co., Md.,
April 18th, 1870.

Messrs. Chapman & Lambert—Gentlemen: The Cultivator Teeth I purchased of you the Spring of 1869 gave me entire satisfaction, and I take pleasure in recommending them to the public, believing them to be a very superior article. D. C. BLACKISTON.

Messrs. Chapman & Lambert—Gentlemen: Some Cultivator Teeth that I got from you have given perfect satisfaction, and I will order two more sets to show the estimation I have of them. Very truly yours,

S. HEPBRON BLACKISTON.

Thornton, April 19, 1870.

Sassafras, Kent Co., April 20, 1870.

Messrs. Chapman & Lambert—Gentlemen: I consider your Cultivator Teeth superior to any I have yet used: the advantages over all I have yet purchased and used are, that if properly set in the wood, will go down to the beam, breaking the ground thoroughly and permitting it at once to fall back, filling the furrow; whereas, many three-cornered teeth throw the furrow up to remain, leaving the roots of corn exposed to the rays of the sun to perish. Yours, respectfully,

T. A. JACOBS.

The undersigned, having used the Improved Steel Cultivator Teeth manufactured by Chapman & Lambert, of Chestertown, take pleasure in recommending them to Farmers as a very superior article, and possessing all the advantages over other Teeth claimed by the manufacturers:

J. W. Howard, *Still Pond;*
Wm. A. Thomas, *Quaker Neck;*
A. Hurlock, *Hanesville;*
Samuel Beck, *Hanesville;*
John A. Miller, *Still Pond;*
Joshua S. Cosden, *Queen Anne's Co.;*
T. J. Tucker, " " "
W. H. Stewart, *Kent County;*
John W. Loud, *Quaker Neck.*

These Teeth are now sold at the reduced price of $3.50 per set. We have 150 set on hand. Orders solicited and promptly filled.

BLACK

CHESAPEAKE

INK.

—:o:—

MOST if not all the inks or writing fluids heretofore manufactured in the United States, have been composed of Tanic Acid, Gallic Acid, and a salt of Iron. A saturated solution of Aleppo galls in alcohol, is first made. This tincture contains several ingredients beside the Tannic and Gallic acids. By adding some of this tincture to a solution of Green Vitriol (Sulphate of Iron) the solution assumes first a violet and finally a black color. By adding some of the same tincture to a solution of sulphate of sesquioxide of iron a black color is immediately produced but on standing, both solutions will deposit a black percepitate. The manufacturers of ink add gum sugar or other mucillaginous matter to hold this black powder in suspension.

If this ink should freeze the black powder is, however, precipitated, and will not again readily dissolve, and the ink is rendered worthless. It cannot be diluted, when once too thick, without injuring, if not entirely destroying it. This ink may also be readily washed out from paper or parchment.

Forgers have availed themselves of this knowledge in altering checks, Drafts, Notes, &c. It is probable many wills have been entirely altered to suit interested parties having access to the paper by wsshing out the writing with oxalic acid, and again filling up the blanks. Many changes of Records have been from time to time discovered. Government Stamps have been freed from the ink used in cancelling them, and used a second time. There is no guarantee that anything written with these inks will not be altered at any time, by designing men.

The only preventive lies in using an ink that cannot be erased by any acid or alkali, without destroying the paper or parchment.

Heretofore no such ink could be obtained. Now, every one can obtain an absolutely indelible, unchangeable ink, for a less price than is paid for the worthless fluids in the market.

BLACK

CHESAPEAKE INK,

When written, cannot be erased with oxalic acid. It does not corrode the Pen.

It may be diluted with rain water, if too thick, and used up to the last drop.

It is equal to india ink for drawing.

It can be written with on the margins of Newspapers, or unsized paper of any kind, and does not blot.

It flows more freely from the pen than any other ink or fluid.

Neither freezing nor boiling injure it.—Every one who once uses it buys it again, and will use no other.

WILLIAM A. VICKERS, with whom I have entered into a limited partnership, will fill all orders from any part of the State of Maryland. All other orders should be addressed to me.

Allow me to call your attention to my

PREPARATION

OF

Compound Extract Buchu.

The component parts are BUCHU, LONG LEAF, CUBEBS, JUNIPER BERRIES.

MODE OF PREPARATION.

Buchu, in vacuo. Juniper Berries, by distillation, to form a fine gin. Cubebs extracted by displacement with spirits obtained from Juniper Berrics; very little sugar is used, and a small proportion of spirit. It is more palatable than any now in use.

Buchu, as prepared by Druggists, is of a dark color. It is a plant that emits its fragrance; the action of a flame destroys this, (its active principle), leaving a dark and glutinous decoction. Mine is the color of ingredients. The Buchu in my preparation predominates; the smallest quantity of the other ingredients are added, to prevent fermentation; upon inspection, it will be found not to be a Tincture, as made in Pharmacopœa, nor is it a Syrup—and therefore can be used in cases where fever in inflammation exist. In this, you have the knowledge of the ingredients and the mode of preparation.

Hoping that you will favor it with a trial, and that upon inspection it will meet with your approbation,

With a feeling of confidence,
I am, very respectfully,

H. T. HELMBOLD,

Chemist and Druggist, of Sixteen Years' Experience.

—:o:—

[From the Largest Manufacturing Chemists in the World.]

"I am acquainted with Mr. H. T. Helmbold; he occupied the Drug Store opposite my residence, and was successful in conducting the business where others had not been equally so before him. I have been favorably impressed with his character and enterprise."

—:o:—

Helmbold's Fluid Extract Buchu

Is the great specific for Universal Lassitude, Prostration, &c.

The constitution, once affected with Organic Weakness, requires the aid of Medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT BUCHU invariably does. If no treatment is submitted to, Consumption or insanity ensues.

Helmbold's Fluid Extract of Buchu,

In affections peculiar to Females, is unequalled by any other preparation, as in Chlorosis, or Retention, Painfulness, or Suppression of Customary Evacuations, Ulcerated or Schirrus State of the Uterus, and all complaints incident to the sex, or the decline or change of life.

Helmbold's Fluid Extract Buchu and Improved Rose Wash

Will radically exterminate from the system diseases arising from habits of dissipation, at little expense, little or no change in diet, no inconvenience or exposure; completely superceding those unpleasant and dangerous remedies, Copaiva and Mercury, in all these diseases.

USE

Helmbold's Fluid Extract Buchu

In all diseases of these organs, whether existing in male or female, from whatever cause originating, and no matter of how long standing. It is pleasant in taste and odor, "immediate" in action, and more strengthening than any of the preparations of Bark or Iron.

Those suffering from broken-down or delicate constitutions, procure the remedy at once.

The reader must be aware that, however slight may be the attack of the above diseases, it is certain to affect the bodily health and mental powers.

All the above diseases require [illegible] Diuretic. HELMBOLD'S EXTRACT BUCHU is the great Diuretic.

Sold by Druggists everywhere. Price—$1.25 per bottle, or 6 bottles for $6.50. Delivered to any address. Describe symptoms in all communications.
