The Chestertown Transcript

Saturday Morning, June 25, 1870.

☞ Our friends throughout the county are earnestly requested to furnish us with all items of local interest transpiring in their immediate neighborhoods.

LOCAL MATTERS.

County Commissioners.—The statement of the expenses of the county will be found upon our first page, and will necessarily occupy much of our space for several weeks.

Richard W. Jones, Esq., was appointed State Director in the Kent County Railroad on the 14th instant. The announcement should have appeared last Saturday, but was inadvertently omitted in the minutes of proceedings and we were not advised of it.

Norris Barnard gives all his right, title and claim to the County in the new road through his land to the new wharf known as Barnard's wharf, as described upon the minutes by courses and distances.

The Commissioners have justified public expectation in effecting a considerable reduction in the tax, and this in the face of considerable abatement in the amount of the general assessment, growing out of the law passed at the last session of the Legislature exempting all mortgages from taxation. The assessment for 1869 was 8,056,493; for 1870, 7,922,716; so that for 1870 the assessment of taxable property was less by $133,777 than last year. But for the passage of this act the reduction in the tax would have been about $16,000, a trifle more or less. The Commissioners have struck the descending scale, and hope to effect still further reductions next year. Before the next levy the amount of taxable property will have considerably increased. We believe the last Legislature passed an act to tax all railroads in the State. The amount which will thus be added to our taxable property will eventually repay the railroad tax which now seems a somewhat burdensome levy.

We congratulate our Commissioners upon these evidences of an economical administration of County affairs.

The attention of parties intending to visit the National Camp Meeting is called to the advertisement of A. L. Vannort's Boarding Tent.

The Crops.—The farmers of this county have commenced reaping their wheat, and the universal opinion is that they will realize a very little over their outlay for seed, fertilisers and expenses of reaping.

Corn is small and the fields in bad condition from the grass, owing to the continued late rains.

The peach crop promises to be very small, all old trees having lost nearly all their fruit.

Upon the whole the prospects of the farmers in this locality is very gloomy.

Farmers' County Club.—The first meeting of the Farmers' County Club was held on Tuesday last: the attendance of members was small, the farmers being very busy preparing for their wheat harvest.

James A. Pearce, Esq., the President, delivered an address which was listened to with much attention, and which the Club directed to be published. Being the first meeting of the Club, but little business was transacted. The subject of a reduction in the charges for freighting and selling grain was, after some debate, sent to the District Clubs for discussion and an expression of opinion from them.

Mr. Pearce's speech will be found elsewhere in our columns.

Orphans' Court.—George H. Willson, administrator of Richard J. Shaw, returned an inventory of the personal estate of said deceased.

William H. Ford, guardian to John H. Ford, returned his final guardian account.

S. A. Boyer, admr'x. of Simon W. Boyer, returned a list of debts due deceased. Also returned her second and final administration account.

Martha Brice, admr'x of W. N. Brice, returned her first and final administration account and dividend, which was passed.

The last will and testament of Deborah Turner was admitted to probat and ordered to be recorded. Letters testamentary were granted to Julia A. Hunt, the executrix, with Jeremiah Nicols and William B. Wilmer as sureties. Jas. A. Roseberry and William T. Hepbron were appointed to appraise the personal estate, and the legal notice to creditors ordered.

On petition of Richard Hynson, acting guardian of Henry L. Boyd, the Court ordered that Richard Hynson, executor of the late Joseph Boyd, pay to Henrietta Boyd the sum of $341.73 for the maintenance, [illegible] of the minor H. L. Boyd.

The Register was directed to issue citation for Thos. S. Wilmer, adm'r. of Thos. Newcomb to settle estate of deceased.

I. O. G. T.—District Deputy, James J. Hogg, assisted by A. D. Melvin, Lodge Deputy of Kennedyville Lodge, and members from "Guiding Star," "Resolute," and "Kennedyville" Lodges, instituted "Union" Lodge, No. —, I. O. G. T., at Union M. E. Church, on Wednesday evening, June 22d, 1870. The following persons were installed as officers for the present current quarter:

W. C. T., Thomas Bryan; W. V. T., R R. Bowers; W. S., Amos Parsons; W. A. S., Annie Bryan; W. F. S., Emily J. Rasin; W. T., Nelson Murrin; W. C., Joseph Cebee; W. M., Saml. Cooper; W. D. M., Eph'm. Stoops; W. I G., Moses Kennard; W. O. G., Thos. Parsons; R. H. S., Washington Watkins; L. D., W. T. Ruth.

Rev. T. L. Poulson, G. W. C. T. of the Grand Lodge of Maryland, I. O. G. T., delivered an excellent address upon the subject of temperance, in the M. E. Church of this town, on Thursday evening last. The order of Good Templars attended in regalia. Mr. Poulson preceded his address by reading the temperance poem, "The Vagabond." Miss Ready, of North East, a young lady possessing a remarkably fine voice, sang two beautiful songs; and Miss Thomas, of the same place, presided at the melodeon.

Kent Cornet Band.—This amateur organization, on Thursday evening last, procured a large barge and went on the river immediately opposite the town and played a number of very good pieces. The barge was lighted up with torches, the water perfectly smooth, and together with the music the effect was very pleasing.

TO PHYSICIANS.

New York, August 15th, 1868.

Allow me to call your attention to my

PREPARATION OF

Compound Extract Buchu.

The component parts are BUCHU, LONG LEAF, CUBEBS, JUNIPER BERRIES.

MODE OF PREPARATION.

Buchu, in vacuo. Juniper Berries, by distillation, to form a fine gin. Cubebs extracted by displacement with spirits obtained from Juniper Berries; very little sugar is used, and a small proportion of spirit. It is more palatable than any now in use.

Buchu, as prepared by Druggists, is of a dark color. It is a plant that emits its fragrance; the action of a flame destroys this, (its active principle), leaving a dark and glutinous decoction. Mine is the color of ingredients. The Buchu in my preparation predominates; the smallest quantity of the other ingredients are added, to prevent fermentation; upon inspection, it will be found not to be a Tincture, as made in Pharmacopœa, nor is it a Syrup—and therefore can be used in cases where fever in inflammation exist. In this, you have the knowledge of the ingredients and the mode of preparation.

Hoping that you will favor it with a trial, and that upon inspection it will meet with our approbation,

With a feeling of confidence,
I am, very respectfully,
H. T. HELMBOLD,
Chemist and Druggist, of Sixteen Years' Experience.

[From the Largest Manufacturing Chemists in the World.]

November 4, 1854.

"I am acquainted with Mr. H. T. Helmbold; he occupied the Drug Store opposite my residence, and was successful in conducting the business where others had not been equally so before him. I have been favorably impressed with his character and enterprise."

WILLIAM WEIGHTMAN,
Firm of Powers & Weightman,
Manufacturing Chemists,
Ninth and Brown streets, Philadelphia.

Helmbold's Fluid Extract Buchu

Is the great specific for Universal Lassitude, Prostration, &c.

The constitution, once affected with Organic Weakness, requires the aid of Medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT BUCHU invariably does. If no treatment is submitted to, Consumption or insanity ensues.

Helmbold's Fluid Extract of Buchu,

In affections peculiar to Females, is unequalled by any other preparation, as in Chlorosis, or Retention, Painfulness, or Suppression of Customary Evacuations, Ulcerated or Schirrus State of the Uterus, and all complaints incident to the sex, or the decline or change of life.

Helmbold's Fluid Extract Buchu and Improved Rose Wash

Will radically exterminate from the system diseases arising from habits of dissipation, at little expense, little or no change in diet, no inconvenience or exposure; completely superceding those unpleasant and dangerous remedies, Copaiva and Mercury, in all these diseases.

USE

Helmbold's Fluid Extract Buchu

In all diseases of these organs, whether existing in male or female, from whatever cause originating, and no matter of how long standing. It is pleasant in taste and odor, "immediate" in action, and more strengthening than any of the preparations of Bark or Iron.

Those suffering from broken-down or delicate constitutions, procure the remedy at once.

The reader must be aware that, however slight may be the attack of the above diseases, it is certain to affect the [illegible] and mental powers.

All the above diseases require the aid of a Diuretic. HELMBOLD'S EXTRACT BUCHU is the great Diuretic.

Sold by Druggists everywhere. Price—$1.25 per bottle, or 6 bottles for $6.50. Delivered to any address. Describe symptoms in all communications.
