The Chestertown Transcript

Saturday Morning, July 2, 1870.

☞ Our friends throughout the county are earnestly requested to furnish us with all items of local interest transpiring in their immediate neighborhoods.

LOCAL MATTERS.

Not in Session.

Neither the Orphans' Court or County Commissions were in session this week.

Broke his Thigh.

Last Tuesday a negro boy belonging upon the farm of Mr. Thomas Gale, Worton, suffered a fracture of his left thigh by being thrown from a horse; also sustaining other injuries. Dr. Vannort attended the patient to the relief of his sufferings.

The Kent Cornet Band

On Thursday evening last, commenced with what we learn are intended to be semi-weekly performances on the public green. The effort on the part of the Band to afford musical entertainment for our citizens deserves some substantial return, and we propose to call attention to the subject hereafter.

The Fruit Crop.

The Peninsula Fruit Growers' Association estimate the probable number of baskets of peaches to be shipped by the Kent County Railroad as follows: Kennedyville 50,000, Lambson's 30,000, Blacks, 40,000 Massey's 15,000. Should the road be completed to Duyer's in time for the peaches, 50,000 more may be safely added—making a total of 185,000 baskets.

Capt. Andrew Stafford

With whom many of our citizens became unwillingly acquainted at Easton during the war, has graduated with the honors that a great many of those who so dearly loved their country have done. Holding the place of mail agent between Baltimore and Philadelphia, he has been arrested and confessed to robbing the mail of letters and money. How well he loved "the best government the world ever saw;" how like unto many whose modesty keeps their love concealed in the inmost recesses of their hearts.

Excursion Party.

Prospect Lodge, No. 57, I. O. G. T. of Baltimore city, made an excursion on the steamer *Thomas Collyer*, to this town last Tuesday. A committee from Resolute Lodge received the visitors and escorted them to the M. E. Church, where a short address was made by Mr. Kelsey, of Poulson Lodge, No. 108, of Baltimore. After a stay of several hours the excursionists, at 4 P. M., started for home, well pleased we learn, with their reception. This excursion presented a most commendable and remarkable feature—there was not an intoxicated person in the whole party! As a consequence, our citizens were not annoyed by yelling, profanity, or disturbance of any kind on the streets, or at the wharf on the departure of the boat.

Sale of a Fast Horse.

We learn that some days since Mr. W. W. Stephens of this county sold his somewhat celebrated horse White Mountain for eighteen hundred dollars cash, to Marks News of Baltimore, who yesterday sold it to Mr. Moses Moses of Baltimore for two thousand dollars. White Mountain it will be remembered took a premium at the last Maryland Cattle Show.

"Life in Utah; or the Mysteries and Crimes of Mormonism; being an expose of their secret rites and ceremonies, with a full and authentic history of Polygamy and the Mormon sect, from its origin to the pasent time;" by J. H. Beadle, editor of the Salt Lake Reporter, is the title of a valuable work just issued by the National Publishing Co., Philadelphia, Pa.

For more than thirty years the world has been horrified, startled and perplexed by the audacity and success of a sect calling themselves Mormons. Though founded in fraud, this sect has succeeded in spite of all opposition, until is to-day the standing reproach of our country.

The Author's long residence in Utah and his position as Editor of the leading journal of that Territory, peculiarly qualified him to write this work.

The work shows how JOE SMITH and BRIGHAM YOUNG have been enabled to deceive and cheat their followers; how by leading them on from crime to crime, and enticing them with licentious baits, they have succeeded in maintaining their influence over them.

It is important that the public should know what manner of people are growing up in our very midst. This work gives a full and authentic account of their degraded social condition, their blasphemous rites and ceremonies, their sac-religious doctrines and practices, and is one of the most startling accounts of licentiousness and crime ever published. The book is sold only by subscription, and agents are wanted in every county.

The New Self-Raking Attachment
UPON THE
CHAMPION
No. 2 REAPER AND MOWER.

THIS Machine stands pre-eminently at the head of all Harvesting Machines, and many valuable improvements have been added for the coming season. They are first class in every respect—unequalled and unexcelled.

A 2-wheeled Jointed-bar Self-Raker.

As a Mower, equal to the best single Mower in the market, and as a Self-Raking Reaper, it has no superior.

ALSO,
THE CHAMPION
No. 2 Reaper and Mower,
WITH DROPPER ATTACHMENT.

This Dropper is the strongest and most desirable arrangement for gaveling the Grain ever made, and in construction and operation is different in very many respects to any other dropping attachment in use. By continued experimenting in the field, in the most difficult kinds of Grain, the inventor has succeeded in constructing a Dropping Attachment capable of operating successfully in every condition of Grain to be cut. Also,

THE IMPROVED CHAMPION
No. 3 Mower,
The Great National Mowing Machine.

We also call attention to *THE "ETNA" MOWER & REAPER AND DROPPER*, a First Class Machine which is a light draft and easy-cutting Machine, either in Grass or Grain.

THE EXCELSIOR
DROPPING
REAPER AND MOWER
For 1870.

HAVING received from the manufacturers, a car-load of these justly celebrated machines, improved and built expressly for this section of the country, we ask our farmers to examine them before purchasing elsewhere.

There are three styles of Excelsior, to suit various customers.

THE SENIOR EXCELSIOR

With wood frame, has been before the public for the last ten years, and has no superior.

THE IRON-CLAD EXCELSIOR

Combines the accumulated improvements of the Senior Wood Frame, and has several features peculiar to itself. It has an enclosed iron frame, constructed on the principle of the arch, so as to combine enormous strength with great lightness.

THE JUNIOR EXCELSIOR

Is mounted on small wheels, of the same dimensions as the Buckeye. To those who want a Junior, we confidently recommend this machine.
