The Chestertown Transcript

Saturday Morning, July 9, 1870.

☞ Our friends throughout the county are earnestly requested to furnish us with all items of local interest transpiring in their immediate neighborhoods.

LOCAL MATTERS.

County Commissioners.

The County Commissioners were in session, but transacted no business of public interest.

Further Reduction.

The Kent County Railroad Company has made a further reduction in the fare to the N[illegible]al Camp Meeting. Passengers will now be carried for $3.85. See advt.

Washington College.

The Commencement Exercises of Washington College will take place on Wednesday, the 13th of July, and not on the 14th, as stated in the advertisement of last week. See correction.

Trip to York.

On our first page will be found a communication giving a description of York, Penn. Our correspondent writes with ease and we should be pleased to hear from him frequently.

The Fourth.

The fourth of July was observed in our town by a suspension of business on the part of the principal business firms. The Reed Rifles had a short drill, morning and afternoon, with thin ranks. Two negro military organizations paraded the streets without arms.

Kent Railroad.

The Board of Directors of this road held a meeting on Thursday last, at which it was unanimously determined to bring the road to Chestertown from Duyer's station by what is known as the curved route.

The material for laying track to Duyer's has all been on the ground, except the fastenings, for some days; and we presume the track-layers are at work to-day. The grading from Duyer's to Chestertown will be proceeded with at once, and the road completed to the town before seventy-one.

Orphans' Court.

Richard Hynson, Esq., administrator of Sophia H. Freeman, late of Washington city, deceased, returned a list of debts due deceased, and his first and final administration account.

William T. Hepbron, administrator of Daniel W. Turner, returned his first administration account.

Joel Slaughter, administrator of Henry B. Slaughter, returned his final administration account and dividend.

Broke Jail.

Another prisoner escaped from our jail on Monday night last, early in the evening. The party is a negro named George Bordley, and was committed on a charge of larceny. The Sheriff is under the impression that he had confederates on the outside who furnished him with the means to get his irons off; that he then climbed the chimney to the roof, came through the trap door to the private chamber of the Sheriff and escaped through the window, which is not secured by iron bars. In the Sheriff's chamber a blanket torn in several pieces and tied to the bed post, was hanging out the window to the roof of an outhouse.

Resisting an Officer.

Some days since a negro named George Washington Vance, was arrested by constable R. P. Stewart on a charge of false swearing at our recent corporation election, and carried before Justice Russell, who discharged him for a further hearing on his own recognizance. On Thursday last, he did not appear, and the officer went in search of him and found him some distance in the country at work He refused to go with the officer, and resisted. Mr. Stewart summoned assistance: he still refused and resisted and attempted to flee, when the officer finding he was about to escape, shot at him three times. The last fire brought him too, two balls having taken effect. He was then lodged in jail. Dr. T. H. Whaland was called in to attend his wounds, and succeeded in extracting one of the balls. The Doctor does not consider him in a dangerous condition.

Parties who make up their mind to resist the law, must take the consequences.

Drowned.

We are pained to record a sad case of drowning which occurred off Kent Island on Monday evening of last week. It seems that Mr. Henry C. Harris, aged about 26 years, and a son of Mr. William Harris, aged about 12 years, accompanied by a negro man, were proceeding homeward to Kent Island from White Rock Creek, in a long boat, when a gale of wind struck them as they neared the residence of Jas. D. Carville, Esq., which capsized the boat and threw them into the water. The negro man succeeded in getting ashore and gave the alarm, when Messrs. John C. Tolson and Thomas H. Harris went to the rescue of the unfortunate man and youth, but in the darkness could not find them, and they were drowned. The boat has since been picked up, but nothing has been heard from the bodies notwithstanding search has been kept up constantly. We are requested to ask that should the bodies be found information be sent to Mr. William Harris, on Kent Island.—*Centreville Observer.*

Fatal Accident.

William Darling, whilst engaged in assisting Mr. William H. Wilmer to thresh his wheat crop on Thursday, was killed under distressing circumstances. It seems that he was engaged in pouring the unseparated wheat and chaff into the thresher, and in order to prevent the chaff from falling down his neck had bound a small boat sail, made of strong duck, around his neck, leaving a tail to it. Whilst pouring in a basketful of wheat and chaff the tail of the sail caught into the rod which connects the horse-power and thresher, which drew him into the rod while in motion and he was snatched against the thresher with such violence as to cause his death in a few minutes. His skull and breast bones were completely shattered. This should serve as a timely warning to others to be careful how they risk danger around fast machinery.—*Centreville Observer.*

The Arctic Expedition.—The conference committee of Congress on the bill making an appropriation of one hundred thousand dollars to aid in fitting out an expedition of discovery to the Arctic regions have agreed to make the amount fifty thousand dollars. The bill allows the President to select the commanders of the expedition, and authorizes the Secretary of the Navy to detail two vessels for its use.

For Congress.—Colonel E. F. Anderson, of Washington county, has been recommended as the Republican candidate for Congress in the Fourth District of Maryland. In the Fifth District, where the contest is likely to be spirited in the next campaign, the Hon. Wm. M. Merrick is prominently mentioned as the Democratic Conservative candidate.

CONSTABLE'S SALE.

BY Virtue of a writ of Fieri Facias, issued by James Cohee, one of the Justices of the Peace of the State of Maryland, in and for Kent county, and to me directed, at the suit of Harbard & Clinton, use of William T. Hepbron, against the goods and chattles, lands and tenements of Shadrick Whales, negro, I have seized and taken in execution all the right, title, claim and interest of the said Shadrick Whales, negro, of, in and to the following property, to wit:

HOUSE AND LOT

Containing about 1½ Acres,

situated in Kent county, on the public road leading from Goose Hill to Lemuel Skeggs', and being the same land which was conveyed to the said Shadrick Whales by James E. Howard and others, by deed dated September 8, 1855, recorded in Liber J. F. G., No. 3, page 156, one of the Land Record Books for Kent county: and I hereby give notice, that on

SATURDAY, 16th day of JULY, 1870,

at Worton Heights, at 2 o'clock, P. M., I will offer at Public Sale, to the highest bidder, for cash, the said property so seized and taken in execution, to pay and satisfy said debt, interest and costs, due and to become due thereon.
