TO PHYSICIANS.

—:o:—

NEW YORK, August 15th, 1868.

Allow me to call your attention to my

PREPARATION
OF
Compound Extract Buchu.

The component parts are BUCHU, LONG LEAF, CUBEBS, JUNIPER BERRIES.

MODE OF PREPARATION,

Buchu, in vacuo. Juniper Berries, by distillation, to form a fine gin. Cubebs extracted by displacement with spirits obtained from Juniper Berries; very little sugar is used, and a small proportion of spirit. It is more palatable than any now in use.

Buchu, as prepared by Druggists, is of a dark color. It is a plant that emits its fragrance; the action of a flame destroys this, (its active principle), leaving a dark and glutinous decoction. Mine is the color of ingredients. The Buchu in my preparation predominates; the smallest quantity of the other ingredients are added, to prevent fermentation; upon inspection, it will be found not to be a Tincture, as made in Pharmacopœa, nor is it a Syrup—and therefore can be used in cases where fever in inflammation exist. In this, you have the knowledge of the ingredients and the mode of preparation.

Hoping that you will favor it with a trial, and that upon inspection it will meet with your approbation,

With a feeling of confidence,
I am, very respectfully,
H. T. HELMBOLD,
Chemist and Druggist,
of Sixteen Years' Experience.

—:o:—

[From the Largest Manufacturing Chemists in the World.]

NOVEMBER 4, 1854.

"I am acquainted with Mr. H. T. HELMBOLD; he occupied the Drug Store opposite my residence, and was successful in conducting the business where others had not been equally so before him. I have been favorably impressed with his character and enterprise."

—:o:—

Helmbold's Fluid Extract Buchu

Is the great specific for Universal Lassitude, Prostration, &c.

The constitution, once affected with Organic Weakness, requires the aid of Medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT BUCHU invariably does. If no treatment is submitted to, Consumption or insanity ensues.

Helmbold's Fluid Extract of Buchu,

In affections peculiar to Females, is unequalled by any other preparation, as in Chlorosis, or Retention, Painfulness, or Suppression of Customary Evacuations, Ulcerated or Schirrus State of the Uterus, and all complaints incident to the sex, or the decline or change of life.

Helmbold's Fluid Extract Buchu and Improved Rose Wash

Will radically exterminate from the system diseases arising from habits of dissipation, at little expense, little or no change in diet, no inconvenience or exposure; completely superceding those unpleasant and dangerous remedies, Copaiva and Mercury, in all these diseases.

USE

Helmbold's Fluid Extract Buchu

In all diseases of these organs, whether existing in male or female, from whatever cause originating, and no matter of how long standing. It is pleasant in taste and odor, "immediate" in action, and more strengthening than any of the preparations of Bark or Iron.

Those suffering from broken-down or delicate constitutions, procure the remedy at once.

The reader must be aware that, however slight may be the attack of the above diseases, it is certain to affect the bodily health and mental powers.

All the above diseases require the aid of a Diuretic. HELMBOLD'S EXTRACT BUCHU is the great Diuretic.

Sold by Druggists everywhere. PRICE—per bottle, or 6 bottles for $6.50. to any address. Describe symptoms in all communications.

The Great Medical Discovery!
Dr. WALKER'S CALIFORNIA
VINEGAR BITTERS,

Hundreds of Thousands
Bear testimony to their wonderful Curative Effects.

WHAT ARE THEY?

THEY ARE NOT A VILE
FANCY DRINK,

Made of Poor Rum, Whiskey, Proof Spirits, and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics" "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter, and restoring the blood to a healthy condition. No person can take these Bitters, according to directions, and remain long unwell.

$100 will be given for an incurable case, providing the bones are not destroyed by mineral poisons or other means, and the vital organs wasted beyond the point of repair.

For Inflammatory and Chronic Rheumatism, and Gout, Dyspepsia, or Indigestion, Bilious, Remittent, and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

They invigorate the stomach, and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Copious Discharges of Urine, Pain in the regions of the Kidneys, and a hundred other painful symptoms which are the offsprings of Dyspepsia, are cured by these Bitters.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

WIN, TAPE, and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed.

For full directions, read carefully the circular around each bottle, printed in four languages—English, German, French, and Spanish.

THE AMERICAN
BUTTONHOLE & OVERSEAMING
is the only complete
SEWING MACHINE
TERMS EASY — WIL. DEL.
511 King
G. PATRONI

THE AMERICAN BUTTONHOLE, OVERSEAMING, —AND— SEWING MACHINE,

HAS THE FOLLOWING ADVANTAGES OVER MOST OF ALL THE OTHER SEWING MACHINES IN THE MARKET:

1. It has a tension which prevents cutting of thread or dropping of stitches.

2. It has the most powerful construction, which will insure good work for a quarter of a century.

3. It sews the lightest cambric and the usual shoe leather without any strain whatever.

4. It has feed bar which can be lowered or raised at will, thus adapting it to all kinds of material.

5. It is impossible to get the machine out of order unless by rust, dust or taking apart. It will never get out of order by working.

6. It has the highest attainable speed, making about 2,200 stitches per minute by foot, and 3,000 by steam.

7. It is the lightest running shuttle machine.

8. It makes the most beautiful Lock Stitch.

9. It has the handsomest appearance.

10. It has the strongest, most convenient, handsomely polished, braced table, with drawer, and board to prevent soiling the dress.

11. Its cover is polished, fitting and locked as a little trunk. There is nothing better than this to preserve the machine.

12. It has a straight needle.

13. Four bobbins hold a spool of cotton.

14. It has the best hemmer.

15. It has the most comple attachment, the Jack-of-all-trades, hems, folls, binds, bastes, tucks, braids and ruffles.

16. It is as simple as any machine in the market.

17. It needs but little time to learn its operation.

18. It has the best embroidering attachment.

The advantages combine the best qualities of a Sewing Machine for the family who want to use it steadily in all kinds of work. Nothing equal can be found in the way of combing the advantages of all the Sewing Machines now known, while obviating all their faults.

The Following Advantages

The AMERICAN possesses alone and undisturbed, there being no other machine even pretending them:

1. It has a larger arm and a stronger construction than any family machine, admitting larger pieces of work, thus fitting the machine to family and manufacturing porposes as well, without need of two machines. It has 8½x5 inches clear room.

2. It sews on a straight piece while puffing another at the same time without basting, attachment or after work.

3. It binds a coat, a skirt, or hat without any braid or binding whatever.

4. It folds up the brim of a hat to any fullness.

5. It overseams a sheet or Brussels carpet.

6. It makes beautiful eyelet work.

7. It embroiders on the edge.

8. It makes button holes of any size on any material.

9. It has the braiding machine which makes braid of any size or color at the rate of 150 yards per hour. This sells for $10 extra.

10. It always won the first premium at every exhibition in which it has been entered.

THE AMERICAN

Can be had as a plain sewing machine without the buttonhole and overseaming, at $15 less than the given prices.

We want a few reliable agents everywhere, to whom we will make it an object to sell these popular machines.

Machines will be sent to any address on receipt of price. Every machine has a full outfit for plain sewing, hemming, &c.

We simply ask an examination to verify all we state.

SOLUBLE
PACIFIC GUANO
IMPROVED IN
QUALITY AND CONDITION.

THE quality of this Guano is materially improved this season by the addition to its composition of a large per cent. of the

SALTS OF POTASH.

It is improved in condition by being brought into market sufficiently dry and uniformly fine to pass with *facility* and *regularity* through the orifices of the

WHEAT DRILL.

More than $1,000,000 is involved in the production of this Guano, and the trade in it has steadily increased, until now it far exceeds that of any other fertilizer.

The Pacific Guano Company has a far greater interest in the maintainance of the *quality* of its Guano than any number of *consumers* can have; hence no apprehension need exist as to its *continued excellence.*
