THE AMERICAN BUTTONHOLE, OVERSEAMING, —AND— SEWING MACHINE,

HAS THE FOLLOWING ADVANTAGES OVER MOST OF ALL THE OTHER SEWING MACHINES IN THE MARKET:

1. It has a tension which prevents cutting of thread or dropping of stitches.

2. It has the most powerful construction, which will insure good work for a quarter of a century.

3. It sews the lightest cambric and the usual shoe leather without any strain whatever.

4. It has feed bar which can be lowered or raised at will, thus adapting it to all kinds of material.

5 It is impossible to get the machine out of order unless by rust, dust or taking apart. It will never get out of order by working.

6. It has the highest attainable speed, making about 2,200 stitches per minute by foot, and 3,000 by steam.

7. It is the lightest running shuttle machine.

8. It makes the most beautiful Lock Stitch.

9. It has the handsomest appearance.

10. It has the strongest, most convenient, handsomely polished, braced table, with drawer, and board to prevent soiling the dress.

11. Its cover is polished, fitting and locked as a little trunk. There is nothing better than this to preserve the machine.

12. It has a straight needle.

13. Four bobbins hold a spool of cotton.

14. It has the best hemmer.

15. It has the most comple attachment, the Jack-of-all-trades, hems, folls, binds, bastes, tucks, braids and ruffles.

16. It is as simple as any machine in the market.

17. It needs but little time to learn its operation.

18. It has the best embroidering attachment.

The advantages combine the best qualities of a Sewing Machine for the family who want to use it steadily in all kinds of work. Nothing equal can be found in the way of combing the advantages of all the Sewing Machines now known, while obviating all their faults.

The Following Advantages

The AMERICAN possesses alone and undisturbed, there being no other machine even pretending them:

1. It has a larger arm and a stronger construction than any family machine, admitting larger pieces of work, thus fitting the machine to family and manufacturing porposes as well, without need of two machines. It has 8½x5 inches clear room.

2. It sews on a straight piece while puffing another at the same time without basting, attachment or after work.

3. It binds a coat, a skirt, or hat without any braid or binding whatever.

4. It folds up the brim of a hat to any fullness.

5. It overseams a sheet or Brussels carpet.

6. It makes beautiful eyelet work.

7. It embroiders on the edge.

8. It makes button holes of any size on any material.

9. It has the braiding machine which makes braid of any size or color at the rate of 150 yards per hour. This sells for $10 extra.

10. It always won the first premium at every exhibition in which it has been entered.

THE AMERICAN

Can be had as a plain sewing machine without the buttonhole and overseaming, at $15 less than the given prices.

We want a few reliable agents everywhere, to whom we will make it an object to sell these popular machines.

Machines will be sent to any address on receipt of price. Every machine has a full outfit for plain sewing, hemming, &c.

We simply ask an examination to verify all we state.

T. W. Wickes.

Made of Poor Rum, Whiskey, Proof Spirits, and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics" "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, **free from all Alcoholic Stimulants.** They are the **GREAT BLOOD PURIFIER** and **LIFE GIVING PRINCIPLE,** a perfect Renovator and Invigorator of the System, carrying off all poisonous matter, and restoring the blood to a healthy condition. No person can take these Bitters, according to directions, and remain long unwell.

$100 will be given for an incurable case, providing the bones are not destroyed by mineral poisons or other means, and the vital organs wasted beyond the point of repair.

For Inflammatory and Chronic Rheumatism, and Gout, Dyspepsia, or Indigestion, Bilious, Remittent, and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

They invigorate the stomach, and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Copious Discharges of Urine, Pain in the regions of the Kidneys, and a hundred other painful symptoms which are the offsprings of Dyspepsia, are cured by these Bitters.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE, and other WORMS, lurking in th system of so many thousands, are effectually destroyed and removed.

For full directions, read carefully the circular around each bottle, printed in four languages—English, German, French, and Spanish.
