LOCAL MATTERS.

Fire.

About 4 o'clock on Sunday afternoon last, the dwelling of Dr. Sam'l. G. Fisher, near Edesville, was entirely destroyed by fire. The fire originated in a wood-shed attached to the house, from an ash barrel. The Doctor was in the field at the time and could have saved the house, but the pump and ax were both in the shed, and the pump nearly consumed, so that it could not be used. The building was new and costly, and there was no insurance upon it.

Orphans' Court.

Nov'r. 22, 1870 —R. R. L. Raymond and W. L. Bowers, executors of Ann E. Allen, returned inventory of personal estate and obtained order for sale thereof.

Lydia A. and A. L. Gooding, admr's. of Wm. Gooding, deceased, returned an inventory of personal property, and obtained an order for the sale thereof.

Letters of administration on the personal estate of Asbury Sappington were granted to Thomas P. Dixon, with Stevenson Constable and Wm. A. Vickers as sureties.

A. E. S. L. Ricaud, executrix of L. M. Ricaud, returned her first administration account.

Samuel G. Fisher, admr. of Ann E. Stevens, returned his first and final administration account.

The Register was directed to issue citation for Isaac Caulk, administrator of Joshua Caulk.

Thanksgiving Day, Military Parade, &c.

Thursday last, the day appointed by the Governor to be observed as a day of thanksgiving, was duly observed in our town. The day was exceedingly fine, and sufficiently mild for the season.

Business was generally suspended and services were held in the Prot. Episcopal and Methodist Episcopal Churches in the morning and in the Court House by the Southern Methodists in the evening.

G. Company, of the 13th Regiment, recently reorganized under the last act of Assembly paraded from their Armory, with thirty-four men including officers, and considering the fact that many of them have but just connected themselves with the Company, made a good display The forenoon was spent in drill on the College Campus: the afternoon was occupied by a Target practice. The Company was divided in three squads, as follows: Squad A under Capt. Perkins, squad B Lieut. Vickers, squad C Lieut. Wickes. Squad B made the best shooting; squad C next. The best single shot was made by Lieut. Vickers; second best by private Rawleigh of squad A; third best by private Hurtt, also of squad A. Squad C made the most hits.

The ranks of the Company are filling up rapidly, and it promises to be more efficient than heretofore.

There are rumors of the organization of another Company, and surely there is plenty of material here for two good sized companies.

Ayer's Cherry Pectoral,

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine, has anything won so widely and so deeply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision against sudden attacks of *Croup*, it should be kept on hand in every family, and indeed as all are sometimes subject to colds and coughs, all should be provided with this antidote for them.

Although settled *Consumption* is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the *Cherry Pectoral*. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, under the *Cherry Pectoral* they subside and disappear.

Singers and Public Speakers find great protection from it.

Asthma is always relieved and often wholly cured by it.

Bronchitis is generally cured by taking the *Cherry Pectoral* in small and frequent doses.

For a *Cough* and *Cold*, no better remedy can be had. Take small doses three times a day and put the feet in warm water at night, until the disease is broken up.

For *Influenza*, when it affects the throat or lungs, take the same course.

For *Whooping Cough*, give small doses three or four times a day.

For *Croup*, give large and frequent doses until the disease is overcome.

No family should be without the *Cherry Pectoral* on hand to protect them, in case of attack, from the above complaints. Its timely use often spares the patient a great amount of suffering and risk, which he would incur by waiting until he could get other aid. Parents, keep it in your houses for the exigencies that arise. Lives dear to you may be saved by it.

So generally are its virtues known, that we need not publish certificates of them here, or do more than assure the public that the best qualities it ever possessed are strictly maintained.

Prepared by DR. J. C. AYER & Co., Practical and Analytical Chemists, Lowell, Mass., and sold all round the world.

Sold by J. L. Stam, Chestertown; J. P. Ireland, Galena, and all druggists and dealers in medicine everywhere. [Nov. 19, 1870.

SOLUBLE

PACIFIC GUANO

IMPROVED IN

QUALITY AND CONDITION.

THE quality of this Guano is materially improved this season by the addition to its composition of a large per cent. of the

SALTS OF POTASH.

It is improved in condition by being brought into market sufficiently dry and uniformly fine to pass with *facility* and *regularity* through the orifices of the

WHEAT DRILL.

More than $1,000,000 is involved in the production of this Guano, and the trade in it has steadily increased, until now it far exceeds that of any other fertilizer.

The Pacific Guano Company has a far greater interest in the maintainance of the *quality* of its Guano than any number of *consumers* can have; hence no apprehension need exist as to its *continued excellence*.

TO PHYSICIANS.

—:o:—

NEW YORK, August 15th, 1868.

Allow me to call your attention to my

PREPARATION

OF

Compound Extract Buchu.

The component parts are BUCHU, LONG LEAF, CUBEBS, JUNIPER BERRIES.

MODE OF PREPARATION.

Buchu, in vacuo. Juniper Berries, by distillation, to form a fine gin. Cubebs extracted by displacement with spirits obtained from Juniper Berries; very little sugar is used, and a small proportion of spirit. It is more palatable than any now in use.

Buchu, as prepared by Druggists, is of a dark color. It is a plant that emits its fragrance; the action of a flame destroys this, (its active principle), leaving a dark and glutinous decoction. Mine is the color of ingredients. The Buchu in my preparation predominates; the smallest quantity of the other ingredients are added, to prevent fermentation; upon inspection, it will be found not to be a Tincture, as made in Pharmacopœa, nor is it a Syrup—and therefore can be used in cases where fever in inflammation exist. In this, you have the knowledge of the ingredients and the mode of preparation.

Hoping that you will favor it with a trial, and that upon inspection it will meet with your approbation,

With a feeling of confidence,
I am, very respectfully,
H. T. HELMBOLD,
Chemist and Druggist, of Sixteen Years' Experience.

—:o:—

Helmbold's Fluid Extract Buchu

Is the great specific for Universal Lassitude, Prostration, &c.

The constitution, once affected with Organic Weakness, requires the aid of Medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT BUCHU invariably does. If no treatment is submitted to, Consumption or insanity ensues.

Helmbold's Fluid Extract of Buchu,

In affections peculiar to Females, is unequalled by any other preparation, as in Chlorosis, or Retention, Painfulness, or Suppression of Customary Evacuations, Ulcerated or Schirrus State of the Uterus, and all complaints incident to the sex, or the decline or change of life.

Helmbold's Fluid Extract Buchu and Improved Rose Wash

Will radically exterminate from the system diseases arising from habits of dissipation, at little expense, little or no change in diet, no inconvenience or exposure; completely superceding those unpleasant and dangerous remedies, Copaiva and Mercury, in all these diseases.

USE

Helmbold's Fluid Extract Buchu

In all diseases of these organs, whether existing in male or female, from whatever cause originating, and no matter of how long standing. It is pleasant in taste and odor, "immediate" in action, and more strengthening than any of the preparations of Bark or Iron.

Those suffering from broken-down or delicate constitutions, procure the remedy at once.

The reader must be aware that, however slight may be the attack of the above diseases, it is certain to affect the bodily health and mental powers.

All the above diseases require the aid of a Diuretic. HELMBOLD'S EXTRACT BUCHU is the great Diuretic.

Sold by Druggists everywhere. PRICE—$1.25 per bottle, or 6 bottles for $6.50. Delivered to any address. Describe symptoms in all communications.
