LOCAL MATTERS.

Orphans' Court.

Tuesday, Nov. 29, 1870.—Present, James Beck of Geo., Thomas Lusby and William Stevens.

The release of Mary R. Hayden and Charles Hayden to John K. Bosee, Extr. of John Bosee, was received and ordered to be recorded.

Franklin H. Harper, Admr. of John Haley, late of Kent county, returned a list of sales of the Personal Estate of dec'd.

L. M. Strong and B. F. Beck returned their annual rental valuation of the real estate of the minor children of John M. Hudson.

Elizabeth Hurtt, executrix of John Hurtt, returned her second and final administration account: passed and ordered to be recorded.

Stealing

Still goes bravely on in the 5th Dist. We learn that a few nights since Rogues took from Mrs. Dennis Vickers one dozen Fowls, together with a lot of Butter and a cream pot full of cream, all ready for next days' churning.

On Monday morning Constable Ayres searched some fifteen houses, for meat stolen from Lochie McAlee last week, but could find no traces of the property.

Death of a Centinarian.

John Blake, negro, died on Wednesday 25th ulto., said to be 112 years old, certainly known to be 104 years of age. John was respected by all who knew him, and ever bore a good character in the neighborhood. He lived in the swamp near Fairlee, upon a lot of his own, recently sold, with privilege of retaining it during his life. At the time of his death had $250 of $300 paid him, left in The Kent National Bank. He at one time belonged in the family Col. Simon Wickes, and the representatives of this family ever attended to keeping John and seeing that he suffered for nothing. We have always heard from John that the late Simon Wickes, Esq., assisted him, and Mr. W. N. E. Wickes also, to whom he turned for advice regarding his best way of fixing business matters. John, six years ago, was engaged in cutting cord wood, and could tell how he lived to see so many new things. First, he cut wheat with the Sickle, then the Cradle, and finally he had after a Reaper. In youth he thrashed with a flail, then he rode horses and trod out the grain, and later still looked with wonder upon the work of the Horse-power and Thresher with Judge Chambers' invention of Straw Carrier; and lastly, he gazed with astonishment upon the doings of Steam-Power. He was himself a slave, was made free long years ago; saw all men free in this land, but never voted. We believe he lived as best he knew how.

He leaves behind a nephew known as "Young John Blake," who is now near 90 years of age. Surely this seems to be a family remarkable for longevity. *

Mr. Editor:—At the suggestion of several persons, I ask you to publish the suggestion that the friends of Dr. Sam'l. G. Fisher shall now come forward and offer same tangible proof of their sympathy with him at his severe loss. He had expended all of his surplus money in the erection and furnishing of this house, besides having a new place to fit up and pay for, and his family dependant entirely upon his exertions. Let his Patients head a List, and we promise that his many friends will do their part.

"A FRIEND."

BLACK LEAD and Blacking Brushes for sale by J. K. ALDRIDGE.

Ayer's Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color with the gloss and freshness of youth.* **Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a**

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.

PACIFIC GUANO

IMPROVED IN

QUALITY AND CONDITION.

THE quality of this Guano is materially improved this season by the addition to its composition of a large per cent. of the

SALTS OF POTASH.

It is improved in condition by being brought into market sufficiently dry and uniformly fine to pass with *facility* and *regularity* through the orifices of the

WHEAT DRILL.

More than $1,000,000 is involved in the production of this Guano, and the trade in it has steadily increased, until now it far exceeds that of any other fertilizer.

The Pacific Guano Company has a far greater interest in the maintainance of the *quality* of its Guano than any number of *consumers* can have; hence no apprehension need exist as to its *continued excellence.*

TO PHYSICIANS.

—:o:—

NEW YORK, August 15th, 1868.

Allow me to call your attention to my

PREPARATION

OF

Compound Extract Buchu.

The component parts are BUCHU, LONG LEAF, CUBEBS, JUNIPER BERRIES.

MODE OF PREPARATION.

Buchu, in vacuo. Juniper Berries, by distillation, to form a fine gin. Cubebs extracted by displacement with spirits obtained from Juniper Berries; very little sugar is used, and a small proportion of spirit. It is more palatable than any now in use.

Buchu, as prepared by Druggists, is of a dark color. It is a plant that emits its fragrance; the action of a flame destroys this, (its active principle), leaving a dark and glutinous decoction. Mine is the color of ingredients. The Buchu in my preparation predominates; the smallest quantity of the other ingredients are added, to prevent fermentation; upon inspection, it will be found not to be a Tincture, as made in Pharmacopeea, nor is it a Syrup—and therefore can be used in cases where fever in inflammation exist. In this, you have the knowledge of the ingredients and the mode of preparation.

Hoping that you will favor it with a trial, and that upon inspection it will meet with your approbation,

With a feeling of confidence,

I am, very respectfully,

H. T. HELMBOLD,

Helmbold's Fluid Extract Buchu

Is the great specific for Universal Lassitude, Prostration, &c.

The constitution, once affected with Organic Weakness, requires the aid of Medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT BUCHU invariably does. If no treatment is submitted to, Consumption or insanity ensues.

Helmbold's Fluid Extract of Buchu,

In affections peculiar to Females, is unequalled by any other preparation, as in Chlorosis, or Retention, Painfulness, or Suppression of Customary Evacuations, Ulcerated or Schirrus State of the Uterus, and all complaints incident to the sex, or the decline or change of life.

Helmbold's Fluid Extract Buchu and Improved Rose Wash

Will radically exterminate from the system diseases arising from habits of dissipation, at little expense, little or no change in diet, no inconvenience or exposure; completely superceding those unpleasant and dangerous remedies, Copaiva and Mercury, in all these diseases.

USE

Helmbold's Fluid Extract Buchu

In all diseases of these organs, whether existing in male or female, from whatever cause originating, and no matter of how long standing. It is pleasant in taste and odor, "immediate" in action, and more strengthening than any of the preparations of Bark or Iron.

Those suffering from broken-down or delicate constitutions, procure the remedy at once.

The reader must be aware that, however slight may be the attack of the above diseases, it is certain to affect the bodily health and mental powers.

All the above diseases require the aid of a Diuretic. HELMBOLD'S EXTRACT BUCHU is the great Diuretic.

Sold by Druggists everywhere. PRICE—$1.25 per bottle, or 6 bottles for $6.50. Delivered to any address. Describe symptoms in all communications.
