LOCAL MATTERS.

The Rev. E. H. C. Goodwin

Has resigned the Rectorship of Chester Parish and accepted a call to Governor's Island, N. Y.

Orphans' Court.

Tuesday, Dec'r. 6, 1870.—Present, James Beck of Geo., Thomas Lusby and William Stevens.

The release of James M Beasten to Mary L. Johnson, guardian, was received and ordered to be recorded.

On application of Lewin Usilton, admr. of Henry E. Taylor, late of Kent Co., it was ordered that the administrator sell the personal estate of deceased.

On application, ordered that Elias Deputy, guardian to John L. and Maria Deputy, is authorized to appropriate the income of said wards for maintenance and schooling: also returned guardian accounts for the year 1870. Ordered for record.

Wm. N. E. Wickes, acting guardian to the minor children of the late Simon Wickes, was authorized to do certain repairs.

Christmas Advertising.

The Christmas season is approaching, and merchants and shop-keepers who wish to make quick sales of their Holiday stock should notify the community through the newspapers, of the kind and quality of their goods. The season is a busy one, and it is not every farmer who has the time to look up what he wants; besides, an enumeration of articles often suggests to the reader that such a thing will be useful or desirable. There is no investment the merchant makes, which pays him better than judicious advertising, and most especially in regard to that class of goods which supply the holiday season. It is actually necessary that this description of goods be disposed of quickly, or they become nearly dead stock. The evenings are now long, and the county newspaper affords one of the very best mediums for advertising.

PETERSON'S MAGAZINE for January, 1871, is already out. The Fashion Plates of "Peterson" are always good, and the one in the January number is unusually so. The stories are all good even for "Peterson." By all means subscribe for this Magazine for 1871. It is one of the cheapest and best. The terms are two dollars a year, with great reduction to clubs, viz: 5 copies for $8.00, or 8 copies for $12.00, with both an extra copy and a superb premium engraving to the person getting up the club. Specimens are sent gratis to those wishing to get up clubs. Address Chas. J. Peterson, 306 Chestnut street, Philadelphia.

THE MARYLAND FARMER, FOR 1871.—The December of this old and popular Agricultural Monthly is received. It contains a choice variety of reading that cannot but prove attractive to every one engaged in tilling the soil. A new volume commences in January next, when its typography will be greatly improved, and its columns refreshed from the pens of many of our most experienced farmers and planters, who have volunteered as contributors to its columns for the year 1871. It is published on the first of every month by S. Sands Mills & Co., Baltimore, at the low price of $1.50 per annum—clubs of five and upwards $1 each.

Grand Lodge of Good Templars.

The Grand Lodge of the State of Maryland, Independent Order of Good Templars, held its annual session in Cumberland on the 30th ultimo and 1st instant The reports of the Grand Worthy Chief Templar, Grand Worthy Secretary and Grand Worthy Treasurer were submitted, and showed the order to be in a comparatively prosperous condition. The membership numbers 3,996 in good standing. The following officers were elected to serve during the ensuing year: Grand Worthy Chief Templar, Samuel L. King; Grand Worthy Counsellor, L. R. Woollen; Grand Worthy Vice Templar, Miss Mollie McCulloch; Grand Worthy Treasurer, Jas. H. Webb; Grand Worthy Marshal, Jos. C. Russum; Grand Worthy Chaplain, Rev. D. G. Miller; Grand Worthy Assistant Secretary, R. T. Smith, Jr.; Grand Worthy Deputy Marshal, Miss Laura A. Wingate; Grand Worthy Inside Guard, Jas. C. Forsyth; Grand Worthy Outside Guard, E. B. Pearce; Grand Worthy Messenger, Wm. H. Hardt.

The next session will be held in Baltimore, on the third Wednesday of November, 1871. It is probable that the Right Worthy Grand Lodge of North America will also meet in Baltimore in May next.

IMPORTANT, IF TRUE.—It will be remembered that, some weeks ago, a report had got into circulation that Jim Fisk and the P. W. & B. R. R. Co. were each attempting to negotiate for the purchase of the Md. & Del. R. R., the former desiring it to complete the chain of a great through route between New York city and the South, via the Jersey coast and crossing the Delaware at a point opposite Smyrna, while the latter desired it to thwart such a design. Additional evidence that some such move is on foot is furnished in the fact that, says an Easton correspondent of the Baltimore *Sun*, the P. W. & B. R. R. Co. has recently offered to purchase the Md. & Del. Road," and the further statement of the N. Y. *Post* that "a line of railroad is now nearly completed with promises to add largely to the commerce and business prosperity of New York." The *Post* says further: "The effort to obtain a direct southern route by railroad, without going through the city of Philadelphia—which has so often been attempted and failed—is near accomplishment. The Vineland railway, which runs from Atsion, on the New Jersey Southern Railroad, to the Delaware bay, will be opened in a few weeks. It is entirely graded, with bridges all built, and the iron is laid for 16 miles. At the Delaware it is proposed to cross by boat, a short passage with deep water, and connect with the Md. & Del. Railroad at Smyrna."—*Denton Union.*

Ayer's Sarsaparilla,

FOR PURIFYING THE BLOOD.

The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Inveterate cases of scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this *Sarsaparilla* is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this *SARSAPARILLA: St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears*, and other eruptions or visible forms of *Scrofulous* disease. Also in the more concealed forms, as *Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia*, and the various *Uterous* affections of the muscular and nervous systems.

Syphilis or *Venereal* and *Mercurial Diseases* are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. *Leucorrhœa* or *Whites, Uterine Ulcerations*, and *Female Diseases*, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. *Rheumatism* and *Gout*, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also *Liver Complaints, Torpidity, Congestion* or *Inflammation* of the *Liver*, and *Jaundice*, when arising, as they often do, from the rankling poisons in the blood. This *SARSAPARILLA* is a great restorer for the strength and vigor of the system. Those who are *Languid* and *Listless, Despondent, Sleepless*, and troubled with *Nervous Apprehensions* or *Fears*, or any of the affections symptomatic of *Weakness*, will find immediate relief and convincing evidence of its restorative power upon trial.

SOLUBLE
PACIFIC GUANO
IMPROVED IN
QUALITY AND CONDITION.

THE quality of this Guano is materially improved this season by the addition to its composition of a large per cent. of the

SALTS OF POTASH.

It is improved in condition by being brought into market sufficiently dry and uniformly fine to pass with *facility* and *regularity* through the orifices of the
WHEAT DRILL.

More than $1,000,000 is involved in the production of this Guano, and the trade in it has steadily increased, until now it far exceeds that of any other fertilizer.

The Pacific Guano Company has a far greater interest in the maintainance of the *quality* of its Guano than any number of *consumers* can have; hence no apprehension need exist as to its *continued excellence.*

TO PHYSICIANS.

—:o:—

NEW YORK, August 15th, 1868.

Allow me to call your attention to my

PREPARATION
OF
Compound Extract Buchu.

The component parts are BUCHU, LONG LEAF, CUBEBS, JUNIPER BERRIES.

MODE OF PREPARATION.

Buchu, in vacuo. Juniper Berries, by distillation, to form a fine gin. Cubebs extracted by displacement with spirits obtained from Juniper Berries; very little sugar is used, and a small proportion of spirit. It is more palatable than any now in use.

Buchu, as prepared by Druggists, is of a dark color. It is a plant that emits its fragrance; the action of a flame destroys this, (its active principle), leaving a dark and glutinous decoction. Mine is the color of ingredients. The Buchu in my preparation predeminates; the smallest quantity of the other ingredients are added, to prevent fermentation; upon inspection, it will be found not to be a Tincture, as made in Pharmacopeia, nor is it a Syrup—and therefore can be used in cases where fever in inflammation exist. In this, you have the knowledge of the ingredients and the mode of preparation.

Hoping that you will favor it with a trial, and that upon inspection it will meet with your approbation,

With a feeling of confidence,
I am, very respectfully,
H. T. HELMBOLD,
Chemist and Druggist, of Sixteen Years' Experience.

[From the Largest Manufacturing Chemists in the World.]

NOVEMBER 4, 1854.

"I am acquainted with Mr. H. T. HELMBOLD; he occupied the Drug Store opposite my residence, and was successful in conducting the business where others had not been equally so before him. I have been favorably impressed with his character and enterprise."

Helmbold's Fluid Extract Buchu

Is the great specific for Universal Lassitude, Prostration, &c.

The constitution, once affected with Organic Weakness, requires the aid of Medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT BUCHU invariably does. If no treatment is submitted to, Consumption or insanity ensues.

Helmbld's Fluid Extract of Buchu,

In affections peculiar to Females, is unequalled by any other preparation, as in Chlorosis, or Retention, Painfulness, or Suppression of Customary Evacuations, Ulcerated or Schirrus State of the Uterus, and all complaints incident to the sex, or the decline or change of life.

Helmbold's Fluid Extract Buchu and Improved Rose Wash

Will radically exterminate from the system diseases arising from habits of dissipation, at little expense, little or no change in diet, no inconvenience or exposure; completely superceding those unpleasant and dangerous remedies, Copaiva and Mercury, in all these diseases.

USE
Helmbold's Fluid Extract Buchu

In all diseases of these organs, whether existing in male or female, from whatever cause originating, and no matter of how long standing. It is pleasant in taste and odor, "immediate" in action, and more strengthening than any of the preparations of Bark or Iron.

Those suffering from broken-down or delicate constitutions, procure the remedy at once.

The reader must be aware that, however slight may be the attack of the above diseases, it is certain to affect the bodily health and mental powers.

All the above diseases require the aid of a Diuretic. HELMBOLD'S EXTRACT BUCHU is the great Diuretic.

Sold by Druggists everywhere. PRICE—$1.25 per bottle, or 6 bottles for $6.50. Delivered to any address. Describe symptoms in all communications.
