LOCAL MATTERS.

Orphans' Court.

Present, James Beck of Geo., William Stevens, and Thomas Lusby.

John Wilson and William T. Hepbron returned their report of the annual rental value of the real estate of Margaret Haley, minor, in the hands of F. H. Harper, her acting guardian.

J. B. Kilpatrick, admr. of John Kilpatrick, late of Kent county, dec'd., returned his first and final admr'n. account.

Letters of administration, *De Bonis Non*, on the personal estate of James Houston, were granted to Richard Hynson, with William B. Wilmer and William T. Hepbron as sureties, and the administrator was authorized to sell two shares of the Union Manufacturing Company of Maryland.

Queen Anne's County Items.

Dr. Jas. Bordley of Centreville, a physician of some reputation, died on Tuesday of last week.

Thomas H. Goldsborough has been appointed Postmaster at Centreville in the place of L. T. Coburu, deceased. The citizens of Centreville—Democrats and Republicans—says the Observer, desired that the widow should be retained, but unfortunately she had no vote, and Mr. Creswell has an eye to the voters.

Centreville, according to the Observer, is in an unfortunate condition. After work for the day is over, the laboring class have no where to go but the saloons, where they often spend more money than they earn during the day.

A Church, or Lodge of some kind should be instituted in the place at once, and even homes for the laboring class where they may spend the evening after the day's work is over might answer the purpose.

Charged with Robbery.

George Briscoe, negro, was arrested on the arrival of the Steamer Trumpeter at her pier in Baltimore on Monday last, charged with having robbed the dwelling of Samuel J. Hill and George Beaston.

Briscoe has been transferred to the Kent County Jail.

Vendues.

On Wednesday next Mr. John K. Bosee in Morgan's Creek Neck, will sell at public sale, commencing at 10 o'clock, A. M., Horses, Cows, Shoats and other personal property. On the same day in the same locality at 1 o'clock, R. P. Stewart will sell Horses, Cattle and general farm stock. For particulars see advertisements.

MOORE'S RURAL NEW-YORKER.—This is one of the very best Agricultural journals in the country. Its Agricultural, Horticultural and Mechanical Departments are made up by the most experienced editors to be found, and its corps of contributors constitute the best improved minds throughout the Union. To any farmer the RURAL must prove invaluable, as a source of information regarding his pursuit. At the same time, it is a most welcome visitor to the family, as its Miscellaneous and Domestic Departments embrace the choicest original and selected articles. In a word, we know of no paper combining more of the qualities of a first class Family and Agricultural journal than the NEW-YORKER. It is printed in admirable style on first-class paper, and contains sixteen large pages weekly.

TERMS—$3 a year of 52 numbers, and only $2.50 in clubs of ten. This Quarter's 13 numbers sent FREE to all who subscribe for 1871 on or before Christmas, 1870. Club inducements for 1871 are unprecedented. Specimens, Premium Lists, &c., sent free to all forming Clubs,—and a live Club Agent wanted in every town. Address D. D. T. MOORE, 41 Park Row, New York.

An Important Decision.

The long-pending case of the State of Maryland against the Baltimore and Ohio Railroad Company, being an action to recover $316,871, arrears of one-fifth of the receipts from passengers on the Washington Branch, and due the State, has been decided in the Superior Court. The plea of a "set-off" of $285,529 paid by the Railroad Company for premiums upon gold and exchange, to pay the interest in London upon the bonds of the State, was over overruled. On Friday Judge Dobbin gave his opinion in favor of the railroad company on the main question:

The court decided: First—That the act requiring the company to pay one-fifth of the passenger receipts on the Washington Branch was in violation of the Constitution of the United States, under the existing decisions of the Supreme Court of the United States. That the defendant could not be compelled to pay the State the said one-fifth, although collected by the company under an illegal contract. That the company could charge for passengers whatever was authorized by its charter That the said "one-fifth" was paid by passengers under duress, and could be recovered by them in a suit at law; and that if passengers could recover it, of course the State could not.

Immediately upon the rendering of the decision the Railroad Company reduced its fare to Washington thirty cents, making it now $1.20, instead of $1.50, as heretofore.

DR. Julius Braklemann, a prominent German literateur, fell at Mars-la-Tour. He had planned an elaborate collection of the early lyric poets of France, and had already three volumes of matter in shape for publication, when the declaration of war forced him out of Paris and into the German ranks. The publisher whom he had selected was a German bookseller in Paris, whose property has been destroyed since his expulsion from that place; and it is probable that the prepared volumes have shared in the general destruction.

SOLUBLE

PACIFIC GUANO

IMPROVED IN

QUALITY AND CONDITION.

THE quality of this Guano is materially improved this season by the addition to its composition of a large per cent. of the

SALTS OF POTASH.

It is improved in condition by being brought into market sufficiently dry and uniformly fine to pass with *facility* and *regularity* through the orifices of the

WHEAT DRILL.

More than $1,000,000 is involved in the production of this Guano, and the trade in it has steadily increased, until now it far exceeds that of any other fertilizer.

The Pacific Guano Company has a far greater interest in the maintainance of the *quality* of its Guano than any number of *consumers* can have; hence no apprehension need exist as to its *continued excellence.*

Ayer's Cathartic Pills,

For all the purposes of a Laxative Medicine.

Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative *Pill.* The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them: those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these *Pills* rapidly cure:—

For **Dyspepsia** or **Indigestion, Listlessness, Languor** and **Loss of Appetite,** they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For **Liver Complaint** and its various symptoms, **Bilious Headache, Sick Headache, Jaundice** or **Green Sickness, Bilious Colic** and **Bilious Fevers,** they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For **Dysentery** or **Diarrhœa,** but one mild dose is generally required.

For **Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back** and **Loins,** they should be continuously taken as required, to change the diseased action of the system. With such change those complaints disappear.

For **Dropsy** and **Suppressed Swellings** they should be taken in large and frequent doses to produce the effect of a drastic purge.

For **Suppression** a large dose should be taken as it produces the desired effect by sympathy.

As a **Dinner Pill,** take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

TO PHYSICIANS

—:o:—

NEW YORK, August 15th, 1868.

Allow me to call your attention to my

PREPARATION

OF

Compound Extract Buchu.

The component parts are BUCHU, LONG LEAF, CUBEBS, JUNIPER BERRIES.

MODE OF PREPARATION.

Buchu, in vacuo. Juniper Berries, by distillation, to form a fine gin. Cubebs extracted by displacement with spirits obtained from Juniper Berries; very little sugar is used, and a small proportion of spirit. It is more palatable than any now in use.

Buchu, as prepared by Druggists, is of a dark color. It is a plant that emits its fragrance; the action of a flame destroys this, (its active principle), leaving a dark and glutinous decoction. Mine is the color of ingredients. The Buchu in my preparation predominates; the smallest quantity of the other ingredients are added, to prevent fermentation; upon inspection, it will be found not to be a Tincture, as made in Pharmacopœa, nor is it a Syrup—and therefore can be used in cases where fever in inflammation exist. In this, you have the knowledge of the ingredients and the mode of preparation.

Hoping that you will favor it with a trial, and that upon inspection it will meet with our approbation,

With a feeling of confidence,
I am, very respectfully,
H. T. HELMBOLD,
Chemist and Druggist, of Sixteen Years' Experience.

—:o:—

[From the Largest Manufacturing Chemists in the World.]

NOVEMBER 4, 1854.

"I am acquainted with Mr. H. T. HELMBOLD; he occupied the Drug Store opposite my residence, and was successful in conducting the business where others had not been equally so before him. I have been favorably impressed with his character and enterprise."

—:o:—

Helmbold's Fluid Extract Buchu

Is the great specific for Universal Lassitude, Prostration, &c.

The constitution, once affected with Organic Weakness, requires the aid of Medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT BUCHU invariably does. If no treatment is submitted to, Consumption or insanity ensues.

Helmbld's Fluid Extract of Buchu,

In affections peculiar to Females, is unequalled by any other preparation, as in Chlorosis, or Retention, Painfulness, or Suppression of Customary Evacuations, Ulcerated or Schirrus State of the Uterus, and all complaints incident to the sex, or the decline or change of life.

Helmbold's Fluid Extract Buchu and Improved Rose Wash

Will radically exterminate from the system diseases arising from habits of dissipation, at little expense, little or no change in diet, no inconvenience or exposure; completely superceding those unpleasant and dangerous remedies, Copaiva and Mercury, in all these diseases.

USE

Helmbold's Fluid Extract Buchu

In all diseases of these organs, whether existing in male or female, from whatever cause originating, and no matter of how long standing. It is pleasant in taste and odor, "immediate" in action, and more strengthening than any of the preparations of Bark or Iron.

Those suffering from broken-down or delicate constitutions, procure the remedy at once.

The reader must be aware that, however slight may be the attack of the above diseases, it is certain to affect the bodily health and mental powers.

All the above diseases require the aid of a Diuretic. HELMBOLD'S EXTRACT BUCHU is the great Diuretic.

Sold by Druggists everywhere. PRICE—$1.25 per bottle, or 6 bottles for $6.50. Delivered to any address. Describe symptoms in all communications.
