LOCAL MATTERS.

Church Improvement.

The Methodist Protestant Church in this town is undergoing extensive interior improvement. It has been handsomely frescoed, the gallery front and all the wood work is to be repainted, and the seats finished in imitation of walnut. It will be re-opened for worship the second Sabbath in January. Meanwhile service will be held in the Court House.

Promiscuous Seating.

At a business meeting of the membership of the M. P. Church, held in the Queen street Chapel last Thursday night, a motion to seat the congregation promiscuously on re-occupying the Church, prevailed by a very decided majority. The "middle wall of partition" is therefore removed; and, although some of the older members may regard it as an innovation on old Methodist usages, yet it will doubtless prove here, as it has elsewhere, to be an improvement.

Dramatic.

The Amateur Dramatic Association of Chestertown, propose to give, one evening next week, a public entertainment. We are not familiar with the pieces selected, but their last public appearance gave general satisfaction. The weather at that time, however, was unpropitious and the audience was not large. We hope they will be more generally sustained on this occasion. If the music is furnished by the same gentlemen, that of itself will be well worthy the price of the tickets. See their advertisement.

The Orphans' Court

Met on Tuesday last—present, James Beck of Geo., Thomas Lusby, and Wm. Stevens. In addition to sundry claims passed, the following occupied the attention of the Court:

Thos. P. Dixon, admr. of Asbury Sappington, returned an inventory of the personal estate of deceased.

On application, Franklin C. Harper was appointed guardian to Walter S. Harper, with Jacob Sutton and William T. Hepbron, as sureties.

John N. Usilton and William S. Walker returned their report of the annual rental value of the real estate of the minor children of the late Simon Wickes.

Philina A. C. Clemens, guardian to Angevine Warren, returned her guardian account for the year 1870: passed and ordered for record.

William B. Turbitt, adm'r. of James Brown, colored, returned his first and final account: passed, and ordered for record.

Joshua McCleary, adm'r. of Araminta McCleary, passed his first and final administration account: ordered for record.

R. C. Johnson, adm'r. of Augustus Malsburger, passed his second and final administration account: ordered for record.

A Prize Fight.

Elkton, on Tuesday morning last, was the appointed rendzvous for one of those beastly exhibitions called prize fights, between two Philadelphia bruisers. The principals came down on the Monday evening 6 o'clock train, one stopping off at Newark, Del., and the other coming on to Elkton. The train reaching Elkton at 1½ o'clock on Tuesday morning brought the main body of roughs who always accompany a prize fight. Information had, however proceeded their arrival and a party of police had been telegraphed to Baltimore for, who, under a Deputy Marshal reached Elkton by the 9½ train on Monday night, and who being in readiness arrested all they could lay hands on, who got out of the cars from Philadelphia, using the depot as a jail where they guarded the captured till morning. Some however managed to escape, among the number the referee. Those who succeeded in eluding the police, procured lodgings at safe places in the town, the principal here being secreted by some of the native fancy; and about daylight the party started for Delaware, taking the road over Red Hill. The ground had been selected the day before, on the Maryland side of the line, but the interfence of the Police caused the managers to shift their position to the Delaware side, where the coast appeared to be clear. The place finally selected was on the farm of Mr. Stephen Ott, who though much opposed to the brutal exhibition, was compelled to witness the "sport" on his premises. The ring was formed about midway between Newark and Elkton, and the "engagement took place" between nine and ten o'clock. Twenty-two rounds were fought, when a foul blow was struck by one of the combatants, which ended the fight in favor of the one receiving the blow.—*Cecil Whig.*

Ayer's Cherry Pectoral,

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine, has anything won so widely and so deeply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision against sudden attacks of *Croup*, it should be kept on hand in every family, and indeed as all are sometimes subject to colds and coughs, all should be provided with this antidote for them.

Although settled *Consumption* is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the *Cherry Pectoral*. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, under the *Cherry Pectoral* they subside and disappear.

Singers and Public Speakers find great protection from it.

Asthma is always relieved and often wholly cured by it.

Bronchitis is generally cured by taking the *Cherry Pectoral* in small and frequent doses.

For a *Cough* and *Cold*, no better remedy can be had. Take small doses three times a day and put the feet in warm water at night, until the disease is broken up.

For *Influenza*, when it affects the throat or lungs, take the same course.

For *Whooping Cough*, give small doses three or four times a day.

For *Croup*, give large and frequent doses until the disease is overcome.

No family should be without the *Cherry Pectoral* on hand to protect them, in case of attack, from the above complaints. Its timely use often spares the patient a great amount of suffering and risk, which he would incur by waiting until he could get other aid. Parents, keep it in your houses for the exigencies that arise. Lives dear to you may be saved by it.

So generally are its virtues known, that we need not publish certificates of them here, or do more than assure the public that the best qualities it ever possessed are strictly maintained.

Prepared by DR. J. C. AYER & Co., Practical and Analytical Chemists, Lowell, Mass., and sold all round the world.

Sold by J. L. Stam, Chestertown; J. P. Ireland, Galena, and all druggists and dealers in medicine everywhere. [Nov. 19, 1870.

TO PHYSICIANS

—:o:—

NEW YORK, August 15th, 1868.

Allow me to call your attention to my

PREPARATION

OF

Compound Extract Buchu.

The component parts are BUCHU, LONG LEAF, CUBEBS, JUNIPER BERRIES.

MODE OF PREPARATION.

Buchu, in vacuo. Juniper Berries, by distillation, to form a fine gin. Cubebs extracted by displacement with spirits obtained from Juniper Berries; very little sugar is used, and a small proportion of spirit. It is more palatable than any now in use.

Buchu, as prepared by Druggists, is of a dark color. It is a plant that emits its fragrance; the action of a flame destroys this, (its active principle), leaving a dark and glutinous decoction. Mine is the color of ingredients. The Buchu in my preparation predominates; the smallest quantity of the other ingredients are added, to prevent fermentation; upon inspection, it will be found not to be a Tincture, as made in Pharmacopœa, nor is it a Syrup—and therefore can be used in cases where fever in inflammation exist. In this, you have the knowledge of the ingredients and the mode of preparation.

Hoping that you will favor it with a trial, and that upon inspection it will meet with our approbation,

With a feeling of confidence,
I am, very respectfully,
H. T. HELMBOLD,
Chemist and Druggist, of Sixteen Years' Experience.

—:o:—

Helmbold's Fluid Extract Buchu

Is the great specific for Universal Lassitude, Prostration, &c.

The constitution, once affected with Organic Weakness, requires the aid of Medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT BUCHU invariably does. If no treatment is submitted to, Consumption or insanity ensues.

Helmbold's Fluid Extract of Buchu,

In affections peculiar to Females, is unequalled by any other preparation, as in Chlorosis, or Retention, Painfulness, or Suppression of Customary Evacuations, Ulcerated or Schirrus State of the Uterus, and all complaints incident to the sex, or the decline or change of life.

Helmbold's Fluid Extract Buchu and Improved Rose Wash

Will radically exterminate from the system diseases arising from habits of dissipation, at little expense, little or no change in diet, no inconvenience or exposure; completely superceding those unpleasant and dangerous remedies, Copaiva and Mercury, in all these diseases.

USE

Helmbold's Fluid Extract Buchu

In all diseases of these organs, whether existing in male or female, from whatever cause originating, and no matter of how long standing. It is pleasant in taste and odor, "immediate" in action, and more strengthening than any of the preparations of Bark or Iron.

Those suffering from broken-down or delicate constitutions, procure the remedy at once.

The reader must be aware that, however slight may be the attack of the above diseases, it is certain to affect the bodily health and mental powers.

All the above diseases require the aid of a Diuretic. HELMBOLD'S EXTRACT BUCHU is the great Diuretic.

Sold by Druggists everywhere. PRICE—$1.25 per bottle, or 6 bottles for $6.50. Delivered to any address. Describe symptoms in all communications.
