LOCAL MATTERS.

Religious Notice.

The Rev. H. C. Cushing will preach in the M. E. Church, Chestertown, to-morrow (Sunday) morning and evening, at the usual time of service.

Fairlee Primary School

Under the charge of Mr. J. A. Greenwood, teacher, will give an exhibition at Salem M. E. Church, Monday evening next. See Advertisement.

The Ice Crop

Has been successfully housed, and is of a thickness and quality seldom obtained here, not less than four inches, and clear as crystal. This luxury, it is to be hoped, will be furnished our citizens cheaper than last season

Robbery.

Saturday night, the 24th inst., the store room of Mr Samuel Frazier in this town, was robbed of some fifty dollars—supposed to have been done a short time before the close of the store. The money was taken from a desk at the end of the counter.

The Weather

Has been remarkably seasonable for the past ten days, and the ice king has taken complete possession of our creeks and rivers. On the 24th inst., the steamer "Chester" succeeded in landing her freight and passengers as far up the river as Rolph's—since then we have had no communication with Baltimore by water.

Kent Co. R. R.

We hear that the Kent County Railroad Company have secured a locomotive to be used in ballasting that portion of the track from Kennedyville to Worton station. It is unfortunate that the road is not in running order from Chestertown during this blockade. The freeze promises to be a long one, and the running of a larger portion of the road would greatly increase its receipts.

Improvements.

Among the recent improvements of our town is a two story Frame Dwelling with Back Building on Cannon Street, built by Mr. Thomas Hurtt on a lot purchased from Mr. James A. Shaw.

Mr. J. K. Aldridge having purchased from A. W. Sparks the building on High street, adjoining the Burchinal Building, has fitted up a large store room which is already occupied as a dry goods store.

The other part of the lower floor Mr. Aldridge will occupy for a tin, stove and hardware store, the situation being a much better one for the business than his old stand.

The Orphans' Court

Met on Tuesday last: present, James Beck of George, Thos. Lusby, and Wm. Stevens. After passing a number of claims the following matters were attended to by the Court:

B. F. H. Caulk, executor of Julia W. Caulk, returned a list of sales of the personal estate of deceased. Received, and ordered for record.

Julia A. Hunt, executrix of Deborah Turner, returned an inventory of the personal estate of deceased. Ordered for record.

The last will and tesrament of John Blake, colored, was admitted to probate. Letters testamentary were granted to Jacob Handy, colored, with Rich. Smyth and James A. Pearce as sureties, and the legal notice to creditors ordered.

The last will and testament of Samuel Clark was admitted to probate. Letters of administration, C. T. A., on the personal estate of deceased were granted to Samuel T. Chambers, with John Hadaway and L. B. Vanhorn as sureties, and the legal notice to creditors ordered.

Letters of administration on the personal estate of Martin L. Newsome were granted to Lewis F. Newsome, with Hanson Crew and Edward D. Crew as sureties. Jas. Morris and B. R. Meginniss were appointed to appraise the personalty, and the legal notice to creditors ordered.

Letters of administration, C. T. A., on the personal estate in Maryland of Samuel W. Roberts, late of New Castle county, Delaware, were granted to Henry Davis, of the same county and State, with Geo. W. Davis and Wm. T. Hepbron as sureties, and the legal notice to creditors ordered.

A citation was issued for Comegys Cosden, guardian to Martha C. Moffett, to return guardian account.

VENDUE NOTES can be obtained at this office.

Ayer's Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.

TO PHYSICIANS

—:o:—

NEW YORK, August 15th, 1868.

Allow me to call your attention to my

PREPARATION
OF
Compound Extract Buchu.

The component parts are BUCHU, LONG LEAF, CUBEBS, JUNIPER BERRIES.

MODE OF PREPARATION.

Buchu, in vacuo. Juniper Berries, by distillation, to form a fine gin. Cubebs extracted by displacement with spirits obtained from Juniper Berries; very little sugar is used, and a small proportion of spirit. It is more palatable than any now in use.

Buchu, as prepared by Druggists, is of a dark color. It is a plant that emits its fragrance; the action of a flame destroys this, (its active principle), leaving a dark and glutinous decoction. Mine is the color of ingredients. The Buchu in my preparation predominates; the smallest quantity of the other ingredients are added, to prevent fermentation; upon inspection, it will be found not to be a Tincture, as made in Pharmacopea, nor is it a Syrup—and therefore can be used in cases where fever in inflammation exist. In this, you have the knowledge of the ingredients and the mode of preparation.

Hoping that you will favor it with a trial, and that upon inspection it will meet with your approbation,

With a feeling of confidence,
I am, very respectfully,
H. T. HELMBOLD,
Chemist and Druggist, of Sixteen Years' Experience.

"I am acquainted with Mr. H. T. HELMBOLD; he occupied the Drug Store opposite my residence, and was successful in conducting the business where others had not been equally so before him. I have been favorably impressed with his character and enterprise."

—:o:—

Helmbold's Fluid Extract Buchu

Is the great specific for Universal Lassitude, Prostration, &c.

The constitution, once affected with Organic Weakness, requires the aid of Medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT BUCHU invariably does. If no treatment is submitted to, Consumption or insanity ensues.

Helmbold's Fluid Extract of Buchu

In affections peculiar to Females, is unequalled by any other preparation, as in Chlorosis, or Retention, Painfulness, or Suppression of Customary Evacuations, Ulcerated or Schirrus State of the Uterus, and all complaints incident to the sex, or the decline or change of life.

Helmbold's Fluid Extract Buchu and Improved Rose Wash

Will radically exterminate from the system diseases arising from habits of dissipation, at little expense, little or no change in diet, no inconvenience or exposure; completely superceding those unpleasant and dangerous remedies, Copaiva and Mercury, in all these diseases.

USE

Helmbold's Fluid Extract Buchu

In all diseases of these organs, whether existing in male or female, from whatever cause originating, and no matter of how long standing. It is pleasant in taste and odor, "immediate" in action, and more strengthening than any of the preparations of Bark or Iron.

Those suffering from broken-down or delicate constitutions, procure the remedy at once.

The reader must be aware that, however slight may be the attack of the above diseases, it is certain to affect the bodily health and mental powers.

All the above diseases require the aid of a Diuretic. HELMBOLD'S EXTRACT BUCHU is the great Diuretic.

Sold by Druggists everywhere. PRICE—$1.25 per bottle, or 6 bottles for $6.50. Delivered to any address. Describe symptoms in all communications.
