The Orphans' Court

Met on Tuesday last: present Jas. Beck of George, Thomas Lusby, and William Stevens.

After passing a number of accounts, the Court transacted the following business:

On application, James H. Fawkner and Julia A. Fawkner, orphans, of Kent Co., were bound, with the consent of their brother, to Abraham Hurlock The indentures were executed and ordered to be recorded.

John Hadaway, administrator of John Butler, returned his second administration account, which was passed by the Court and ordered for record.

Mary E. Brown, guardian to Hiram M., Henry C., Mary E., and Ann R. Brown, returned her guardian accounts for the year 1870.

The release of Samuel Merritt and Mary E. Brown, to James A. Merritt, administrator D. B. N. of Julia Merritt and J. Kemp Merritt, were received and ordered for record.

C. A. E. Davis, appointed guardian to Anna C. E., Henrietta L., and David P. Davis, presented her bond with B. F. Houston and W. B. Tilghman, as sureties.

Letters of administration on the personal estate of John H. Burchinal, were granted to William D. Burchinal, with John C. and Burton Burchinal as sureties. B. B Perkins and Wm. W. Parks were appointed to appraise the personal estate, and the legal notice to creditors ordered.

Samuel T. Chambers, administrator C. T, A. of Samuel Clark, returned an inventory of the personal estate of deceased, which was received and ordered for record, and obtained an order for the sale thereof.

On application of J. H. Blackiston, guardian to P. A. M. Brooks, and in accordance with the recommendation of Wm. Welch and P. F. Rasin, it was ordered that the said guardian be authorized to furnish, at a fair price, timber for the erection of the bridge about to be built by the county, at Perkins' Branch, from the woods of said minor.

An application having been made to compel David Hurley and Rachel W. Hurley, admr's. of Samuel C. Hurley, to give counter security, and the same having been refused, their letters of administration were revoked.

The County Commissioners

Met on Tuesday last: present, William T. Hepbron, Thomas P. Dickson, Stevenson Constable.

In addition to a number of orders for the payment of road and bridge levies, the following reports were made:

E. E. Miller, collector of tax for the First District, reported that he had received on the assessment of 1870, $5,106.03, of which amount he had paid to the State the sum of $1,500.

A. B. Wheatley, collector of tax for the Fifth District, reported the amount of taxes collected from Oct. 1, 1870, to Dec. 31, county, $2,383.67; State, $350.55.

William V. Lucas, collector of tax for Third District, reported the whole amount received from July 1st to Dec. 31, 1870, $4,765.44, of which paid State and special orders $3,461,31, leaving a balance in hand of $1,299.13.

Sunday School Sociable.

The teachers and scholars of the Methodist Protestant Sunday School of this town, on Tuesday evening last, held a "sociable" at the Armory. The room was decorated with evergreens, and contained two large Christmas trees, filled with gifts for the children. The Rev. Mr. Cushing, the Pastor, opened with some fitting remarks to the children, at the conclusion of which an impromptu Santa Claus was introduced from one of the ante-rooms, who distributed the gifts from the trees, and created considerable merriment. Refreshments were liberally dispensed, and the evening pleasantly spent in social converse and singing. At ten the assemblage dispersed, all highly delighted.

Thieves Abroad.

An attempt was made last Wednesday night to break into the clothing store of L. Hecht & Bro. in this town. The unusual violent barking of a neighbor's dog next door, caused his owner to suspect the presence of thieves, and he arose and inspected his premises, thus alarming the burglars and causing a discontinuance of their work. They had cut around one of the panels in the front door, and in a short time would have succeeded in effecting an entrance.

Reading and Library Association.

By advertisement elsewhere, it will be seen that a call is given for those interested in the formation of a Working Men's Reading Room and Library Association.

Various unsuccessful attempts have been made in our town to establish Reading Rooms and Library Associations But, so far as we remember, they have not heretofore been by the working men, but by the gentlemen of means and leisure. In all previous attempts the members have mostly been of those whose individual supply of reading matter largely exceeded their time or inclination for reading; and this has been their fatal weakness. A working man's association for library and reading purposes, will not embrace this element of dissolution; and, if properly organized, will probably succeed. There is certainly sufficient material in a town of this size, to support a respectable library. Much smaller towns North of us do so. And the little town of Galena in our county has, we are informed, a very useful and well selected library, which is annually growing.

We hope this call may be attended by all the working men of our town,—and particularly the young men,—and that they will not allow themselves to be led into any impracticable scheme, by any of our old reading room and library stagers, who have utterly failed in all their attempts.

Horse-Fiddling.

The property holders of Chestertown are taxed to pay Bailiffs to enforce the ordinances of the town; and yet, upon every occasion of the marriage of a citizen, the whole neighborhood is annoyed by noises that make night hideous; and there is not the least effort on the part of the officers to prevent it, or even abate it while in progress.

This nuisance has been perpetrated twice lately—once, on the occasion of the marriage of one of the town commissioners. Why this nuisance should be permitted is beyond explanation. There is nothing malicious in the outrage, it is true; and, if no one but the married couple were in hearing distance,—as people are not married often during their lives, and are generally in the best of humor about that time,—it would not make so much difference; but, as it is, the whole town is disturbed on the occasion of every marriage.

Almost a Fire.

Friday evening of last week an alarm of fire was caused by the burning of some furniture and bedding in a room in Church street, which resulted from an attempt to fill a lighted coal oil lamp from a jug, causing the oil to take fire. Considerable alarm was created, and a next door neighbor—usually quiet and collected—we learn, threw a bed down the stairs containing his child, about three years old. The little fellow rolled out without injury.

Church Improvement.

The Methodist Protestant Church was occupied on Sunday morning last, for the first time since it has been frescoed and painted. The pulpit was filled by the Rev. T. D. Valiant, of Centreville.

Knights of Pythias.

The Grand Lodge of Maryland, of the "True Knights of Pythias," held its annual session in Baltimore last week. The following officers for the ensuing term were elected: P. C. Dr. I. H. Dickson, of Syracuse Lodge, No. 55, G. C.; P. G. C. J. F. Lewis, of Stoddard Lodge, No. 17, V. G. C; P. C. Thos. S. Uppercue, of Rescue Lodge, No. 23, G. R. and C. S.; P. C. Rudolph Schmidt, of Schiller Lodge, No. 28, G. B.; P. C. J. P. Windsor, of Quantico Lodge, No. 34, G. G.; P. C. Robert Gillaspey, of Golden Lodge, No. 1, G. I. S.; P. C. O. H. Vaughan, of Franklin Lodge, No. 20, G. O. S., P. G. C. Gen. John A. Steiner, filling the G. V. P.'s chair. The newly elected officers have been duly installed, and entered upon the discharge of the duties of their respective stations.

P. G. V. C. S. S. Usilton, of Chestertown, is one of the Grand Lodge Representatives to the Supreme Lodge of the world, which holds its next session in Philadelphia.

J. K. ALDRIDGE has removed to the store room lately occupied by J. F. Howard, opposite the Court House, and is prepared to supply his customers and the public generally with anything in the TIN and STOVE line. His stock of HARDWARE cannot be surpassed in this market. BLACKSMITHING AND WHEELWRIGHTING.

WE, the undersigned, take this method of informing our friends and the public that we have connected Wheelwrighting with our former business, believing it will be better for ourselves and our customers too, as we will be able to work much lower where there is to be but one profit We have

Good Seasoned Stock, And Good Workmen

in our employ. We intend to have the wood work done as we have had our Blacksmithing—that is to say, *in the very best manner;* and we are willing for the public to be the judges. Our experience is that "the best is the cheapest."

We will have Plows, Cultivators & Harrows for sale. We shall also put up new Carts,

Wagons, Dearborns, Express Wagons,

&c., in good style.

ALL KINDS OF REPAIRING DONE AT SHORT NOTICE.

Our work will be done as low as at any other establishment here or elsewhere, in the State or outside of it. We are determined to leave no excuse in the way of those who have heretofore been sending their money out of our own community—where it is so sadly needed—to build up manufacturers at a distance. We challenge a comparison of our work with that done any where else, as to price, material, workmanship, style, finish, or any other essential.

VENDUE NOTES can be obtained at this office.

Ayer's Cherry Pectoral,

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine, has anything won so widely and so deeply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision against sudden attacks of *Croup,* it should be kept on hand in every family, and indeed as all are sometimes subject to colds and coughs, all should be provided with this antidote for them.

Although settled *Consumption* is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the *Cherry Pectoral.* So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, under the *Cherry Pectoral* they subside and disappear.

Singers and Public Speakers find great protection from it.

Asthma is always relieved and often wholly cured by it.

Bronchitis is generally cured by taking the *Cherry Pectoral* in small and frequent doses.

For a *Cough* and *Cold,* no better remedy can be had. Take small doses three times a day and put the feet in warm water at night, until the disease is broken up.

For *Influenza,* when it affects the throat or lungs, take the same course.

For *Whooping Cough,* give small doses three or four times a day.

For *Croup,* give large and frequent doses until the disease is overcome.

No family should be without the *Cherry Pectoral* on hand to protect them, in case of attack, from the above complaints. Its timely use often spares the patient a great amount of suffering and risk, which he would incur by waiting until he could get other aid. Parents, keep it in your houses for the exigencies that arise. Lives dear to you may be saved by it.

So generally are its virtues known, that we need not publish certificates of them here, or do more than assure the public that the best qualities it ever possessed are strictly maintained.

Prepared by DR. J. C. AYER & CO., Practical and Analytical Chemists, Lowell, Mass., and sold all round the world.

Sold by J. L. Stam, Chestertown; J. P. Ireland, Galena, and all druggists and dealers in medicine everywhere. [Nov. 19, 1870.
