Fire at Still Pond.

MR. EDITOR—The citizens of Still Pond were aroused from their peaceful slumbers last Wednesday morning about 4 o'clock, by the cry of fire, lustily sounded. Arriving at the scene of conflagration, which unfortunately was the dwelling house of Mr. Oliver Roeder, a sad spectacle presented itself. The accumulation of years of toil and labor was being swept away, and he and his friends powerless to prevent. His loss is complete, having saved only a few articles of furniture. The fire originated in the kitchen (caused probably by the cook's pipe, for she smoked a great deal at night,) and made such rapid progress that by the time a crowd assembled the house had nearly burned to the ground. The adjoining house, occupied by Mr. Henry Kelley, was saved only by the most faithful efforts, having several times caught fire. We are happy to say that Mr. Roeder's property is insured in the Kent Mutual Company to the amount of $1,000, and the citizens have with one accord, generously contributed to repair the loss.

BLACKSMITHING AND WHEELWRIGHTING.

WE, the undersigned, take this method of informing our friends and the public that we have connected Wheelwrighting with our former business, believing it will be better for ourselves and our customers too, as we will be able to work much lower where there is to be but one profit. We have

Good Seasoned Stock,

And Good Workmen

in our employ. We intend to have the wood work done as we have had our Blacksmithing—that is to say, *in the very best manner;* and we are willing for the public to be the judges. Our experience is that "the best is the cheapest."

We will have Plows, Cultivators & Harrows for sale. We shall also put up new Carts,

Wagons, Dearborns, Express Wagons,

&c., in good style.

ALL KINDS OF REPAIRING DONE AT SHORT NOTICE.

Our work will be done as low as at any other establishment here or elsewhere in the State or outside of it. We are determined to leave no excuse in the way of those who have heretofore been sending their money out of our own community—where it is so sadly needed—to build up manufacturers at a distance. We challenge a comparison of our work with that done any where else, as to price, material, workmanship, style, finish, or any other essential.

Ayer's

Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.
