LOCAL MATTERS.

Base Ball in the Streets.

The interest which has revived in this game, has brought with it a renewal of the dangerous practice of playing in the streets of our town, and neither broken noses or broken hands seem to abate it.

A few days since, a gentleman and his wife with an infant in her arms, were walking the main street, and the ball, driven by a heavy bat, came very near the infant.

The votaries of this game practice it openly and daily in our streets, utterly regardless of the ordinances of the town and the safety and comfort of the passers-by. During the session of Court they threw their heavy balls about the Court Yard crowded with people.

Kent County Railroad.

On Monday next trains will commence to run regularly over an additional section of the Kent county Railroad, bringing the terminus within a few miles our town, and landing passengers from Philadelphia, in Chestertown in six hours. From Worton Station to Chestertown, the grading is, we may say, finished, and the track will doubtless be laid at an early day on that section of the road.

Job Printing.

We have recently added to our office a late improved card and bill-head press, and are prepared to print cards, bills, envelopes, circulars, &., with neatness and despatch, and in good style. The citizens of the county are requested to bear this in mind.

Richard Snowden Thomas,

One of the old citizens of our county, died at his residence near Chestertown, on Saturday last. Mr. Thomas was in his 85th year, and maintained a remarkable activity to within a short period of his death, and his intellect to the last—giving instructions as to his burial, and selecting his pall-bearers. He was one of the heroes of the battle of Caulk's Field in 1814, and commanded a field piece in that engagement.

The Circuit Court for our county concluded the bulk of the business on Wednesday last, and the jury was discharged. Almost the entire time of the Court was occupied with the trial of larcenies by negroes.

The disorderly conduct for some months past in the streets of our town at night, terminated in a presentment of the Grand Jury of three young men for riotous conduct—who were each fined five dollars and costs by the Court. As the particular individuals are not in the habit of these indulgencies, and have made the special request, we omit their names from the proceedings, but in the future, parties must take all the consequences of their folly.

The Orphans' Court

Met on Tuesday: present, Jas. Beck of Geo., Thos. Lusby, and Wm. Stevens.

The Court passed a number of claims against the estates of deceased parties.

John R. Lusby, adm'r. of L. L. Rollison, returned an inventory of the personal estate of deceased.

William Wilson, executor of Jas. Wilson, returned an inventory of the real and personal estate of deceased, and obtained order for the sale of the personalty.

The last will and testament of R. S. Thomas, dec'd., was admitted to probate, and ordered to be recorded. Letters testamentary were granted to Richard Hynson, executor, with William B. Wilmer and Lewin Usilton as sureties. John R. Lusby and Stephen Lecates were appointed to appraise the personal estate, and the notice to creditors ordered.

County Commissioners

Met on Tuesday last: present, William Ordeenbron, Thomas P. Dixon and Stephen Constable.

Geo. T. Skirven, Jno. Kelley and Wm. Wilmer were appointed examiners to view the neighborhood and determine whether the public convenience requires a public road commencing at or near the south of Quaker Lane, to some point on the I. U. road.

R. W. Jones, John Boyer and Richard C. Nicols, were appointed examiners to lay down a private road through the lands of A. P. Sharp, Patrick Murray and M. Ascher.

R. E. Wallis, Isaac Parsons and Jas. P. DeCorse, were appointed examiners to determine the propriety of a public road commencing near Dr. Worrell's gate and running thence to the Hanesville road.

THURSDAY, APRIL 20—EXTRA SESSION.

All the members present.

Ordered, that Geo. W. Howard have permission to encroach upon the public road by moving a bank in the vicinity of his lime kiln.

Ordered, that Geo. W. Moffitt be authorized to cut off the timber on the road through the forrest, commonly known as the Moffitt road.

Ordered, that Miss H. A. Smyth have permission to move her fence along the road of her farm, not over one foot in the road at any one point.

Ordered by the Court that the report of Wm. Janvier, Jacob Highly and Samuel Merritt, examiners, to widen the public road in the second election district, from Massey's to Sassafras, be rejected, except so far as to widen the same through the lands of Joseph Morris and others to Morris' station; and that Jos. Morris be appointed supervisor of the same.

BLACKSMITHING AND

WHEELWRIGHTING.

WE, the undersigned, take this method of informing our friends and the public that we have connected Wheelwrighting with our former business, believing it will be better for ourselves and our customers too, as we will be able to work much lower where there is to be but one profit. We have

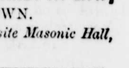

Good Seasoned Stock,

And Good Workmen

in our employ. We intend to have the wood work done as we have had our Blacksmithing—that is to say, *in the very best manner;* and we are willing for the public to be the judges. Our experience is that "the best is the cheapest."

We will have Plows, Cultivators & Harrows

for sale. We shall also put up new Carts,

Wagons, Dearborns, Express Wagons,

&c., in good style.

ALL KINDS OF REPAIRING DONE AT SHORT NOTICE.

Our work will be done as low as at any other establishment here or elsewhere, in the State or outside of it. We are determined to leave no excuse in the way of those who have heretofore been sending their money out of our own community—where it is so sadly needed—to build up manufacturers at a distance. We challenge a comparison of our work with that done any where else, as to price, material, workmanship, style, finish, or any other essential.

CHESTERTOWN, DEC. 27TH, 1870.

The subscriber most respectfully informs the Public that after the first day of January next he will take possession of the Mill and will conduct it, he hopes, more to the satisfaction of the Public than for some time past. He is in treaty for a very superior Miller, and soon as the Spring opens will make some improvements which must render her equal to any Mill on the Eastern Shore.

He hopes whenever there is any cause of complaint to be at once notified of the same. By strict attention or supervision, and competent workmen, he hopes soon to be able to re-establish her former reputation.

Ayer's Sarsaparilla,

FOR PURIFYING THE BLOOD.

The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this *Sarsaparilla* is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, in length, cure, by the use of this *SARSAPARILLA: St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears,* and other eruptions or visible forms of *Scrofulous* disease. Also in the more concealed forms, as *Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia,* and the various *Ulcerous* affections of the muscular and nervous systems.

Syphilis or *Venereal* and *Mercurial Diseases* are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. *Leucorrhœa* or *Whites, Uterine Ulcerations,* and *Female Diseases,* are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. *Rheumatism* and *Gout,* when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also *Liver Complaints, Torpidity, Congestion* or *Inflammation* of the *Liver,* and *Jaundice,* when arising, as they often do, from the rankling poisons in the blood. This *SARSAPARILLA* is a great restorer for the strength and vigor of the system. Those who are *Languid* and *Listless, Despondent, Sleepless,* and troubled with *Nervous Apprehensions* or *Fears,* or any of the affections symptomatic of *Weakness,* will find immediate relief and convincing evidence of its restorative power upon trial.
