LOCAL MATTERS.

Rev. Charles H. Baker

Will preach in the M. P. Church in this place to-morrow (Sunday) morning, at the usual hour.

Suicide.

Christopher C. Pratt, formerly of this county, recently residing on a farm of Mr. T. W. Eliason's, near Wye Mills, Talbot county, committed suicide on Monday last by taking ten grains of strychnine. Mr. Pratt, it is supposed, was suffering from aberation of mind brought on by intemperance and the mortification of arrest and imprisonment for disorderly conduct while under the influence of liquor.

The Tournament.

We call attention to the advertisement of the Grand Tournament and Fete to be held near the village of Still Pond, on Wednesday, the 26th day of July next. Arrangements are in progress to make this one of the grandest fetes which has ever taken place in old Kent. It will be numerously attended by the new Order, the Knights of Pythias, from the adjoining States and Baltimore city. The Grand Lodge of Maryland will attend. Ample provision will be made for food and refreshments, and no spiritous liquor will be allowed on the grounds.

Democratic County Convention.

The delegates elected at the primary meetings, on Saturday last, met in County Convention on Monday.

The Districts were represented as follows:

First—C. J. Scott, Stephen Boyer and F. Hyland Taylor.

Second—Jacob Sutton, S. Hepbron Blackiston and Samuel A. Merritt.

Third—William V. Lucas, Richard C. Smyth and Dulaney Rasin.

Fourth—James A. Shaw, William Bacchus and James H. Plummer.

Fifth—John Brice, S. A. J. Wickes and J. A. Rollison.

C. J. Scott, Esq., was called to the Chair, and S. H. Blackiston, Esq., appointed Secretary. The ticket which stands at the head of our columns was selected.

The following delegates were appointed to the Gubernatorial Convention: David C. Blackiston, William Welch and David Jones—instructed to vote for the Hon. R. B. Carmichael as long as there was any hope for his nomination.

Excursion over the Eastern Shore Railroads.

On Monday last a special train consisting of locomotive, sleeping, refreshment, and smoking car, having on board the President, Mr. Hinkley, and Superintendent, Mr. Kenney, of the Philadelphia, Wilmington and Baltimore railroad, Bayard Taylor, and other distinguished guests, came down the Delaware road and commenced an inspection of the Maryland branches. At Middletown the party were met by General Tilghman of the Easton road, and G. W. T. Perkins of the Kent road. At Townsend the train passed to the Townsend Branch and thence to the Kent and Queen Anne's road, and was met at Sudlersville by the President and Directors of the Queen Anne's road. Arrived at Carville's Station they met with an enthusiastic reception, and were escorted in carriages to Centreville and around the surrounding country. Considerable time was spent in social enjoyment in Centreville, the hour of departure being long delayed. The party again took the rails for Massey's, and came down the Kent Branch to Worton Station, arriving about 7 o'clock, and some hours after the expected time, Hon. George Vickers, the President of the Kent road, having just left the station, wearied with waiting. Under the original arrangement it was not expected that the excursionists would come to our town, but the delay at Centreville made it nessesary to change the programme in this respect, and the party were taken charge of by Mr. Perkins and Superintendent Hines, who had joined them at Sudlersville by a cross-cut through Queen Anne's county. After some delay, owing to the unexpected turn of events, the party were transferred to our town, and refreshed and toad by Mr. Perkins.

The party expressed themselves as highly pleased with our county, and the railroad gentlemen as particularly well pleased with our road. Bayard Taylor's trip has immediate connection with a work he is preparing on the railroad systems of the Atlantic States.

THE CONSTITUTIONALITY OF THE INCOME TAX is at last fairly submitted to a judge of the Supreme Court of the United States, Mr. Justice Strong, sitting on circuit in Philadelphia, in the case of Henry C. Lea, the well known capitalist of that city, against Wm R. Leeds, an internal revenue collector, to recover back the amount of certain income tax heretofore collected. For the plaintiff Spencer Miller, Esq., and Hon. Wm. M. Evarts appeared, and submitted all the familiar poinst against the constitutionality of the tax as a direct tax, supported by forcible reasoning and an array of collateral authority. The remarks which fell from the judge were few, and, we are informed by the Inquirer, did not indicate which way his mind leaned. He observed, in answer to some statistics exhibited by Mr. Miller, "that Mr. Wm. B. Astor had paid income on more than the whole State of Vermont, and that Mr. A. T. Stewart had paid more than was collected in any one of twenty-seven States and Territories—more, indeed, than the aggregate amounts paid by Florida, Arizona, Colorado, Dakota, Washington, New Mexico, Utah, Idaho and Montana combined;" that "no one was more conscious of the injustice of the present income law in its operation, but the question before him was one of *power*, and not of *policy*."

FROM EASTERN SHORE EXCHANGES.

CAROLINE COUNTY.

Sickness on the increase.

General harvest last week.

The first shipment of huckelberries was made by Mr. Wm. J. Wilkinson of Burrsville, to Philadelphia on Monday of last week.

Several parties, all colored, have been arrested for the robbery of Mr. Chas. Ringold's store at Hillsboro', and lodged in the jail at Centreville. The evidence is said to be very strong against two or three of them.

CECIL COUNTY.

Wheat is said to be much better in quantity and quality than was anticipated. Corn is growing rapidly since the rains. Oats and hay are scarcely worth harvesting. Peaches have fallen off in large quantities, but the dropping has ceased, leaving still a fair crop to ripen.

An infant child of Wm. C. Crow, of Elkton, was on Thursday of last week, bitten quite severely by a pet monkey belonging to a neighbor.

Mitchell F. Jamar, of Elkton, a member of the first class at West Point, has been honored by his fellows with the rank of Captain of his class.

The Elkton Cornet Band have sold their instruments to a new colored band, of that town, for $140. The Elkton Band anticipate getting new instruments, at a cost of about $400.

Money sold at the Elkton Building Society, on last Saturday night, for 27 and 27¾ premium.

TALBOT COUNTY.

The farmers have finished their wheat harvest; the grain is reported splendid, and crop large, notwithstanding the fly. Talbot county is said to grow the finest wheat in the world, and it brings more per bushel. A Teachers' Institute commences on the 10th of July, at Easton. Excursions by rail and steamer seem quite popular in this county this season. Another quarrel has commenced between the Star and Journal. Better hadn't, gentlemen.

DORCHESTER COUNTY.

The Democratic Convention of Monday last, passed the following resolutions:

Resolved by the Democracy of Dorchester in Mass Meeting assembled,

1st. That in accordance with ancient law and precedent the Eastern Shore is entitled to the next Governor of Maryland.

2d. That the Hon. R. B. Carmichael is the choice of our County for that high and responsible office.

3d. That the Delegates to the approaching State Convention, to be selected this day, are requested to act as a unit to carry out the sense of this meeting as expressed in the foregoing resolutions, and secure the just rights of the Eastern Shore.

The following gentlemen were selected as Delegates to the State Convention:

George J. Meekins, William Holland, Sam'l W. Woolford, Clement Sulivane. Alternates—Dr. Washington A. Smith, Wm. T. Vickers, Charles Lake and Philip D. Laird.

Ayer's Cathartic Pills,

For all the purposes of a Laxative Medicine.

Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative *Pill*. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cases are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel nor any deleterious drug, they may be taken with safety by any body. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these *Pills* rapidly cure:—

For **Dyspepsia** or **Indigestion**, **Listlessness**, **Languor** and **Loss of Appetite**, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For **Liver Complaint** and its various symptoms, **Bilious Headache**, **Sick Headache**, **Jaundice** or **Green Sickness**, **Bilious Colic** and **Bilious Fevers**, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For **Dysentery** or **Diarrhœa**, but one mild dose is generally required.

For **Rheumatism**, **Gout**, **Gravel**, **Palpitation of the Heart**, **Pain in the Side**, **Back** and **Loins**, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For **Dropsy** and **Dropsical Swellings** they should be taken in large and frequent doses to produce the effect of a drastic purge.

For **Suppression** a large dose should be taken as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.
