☞ On our first page will be found the speech of James A. Pearce, Esq., delivered at the Tournament on Wednesday of last week. We subjoin the coronation speech on the same occasion, by C. Tylden Westcott, Esq., as reported in the News of last Saturday:

Knights of Kent, Ladies and Gentlemen:—In the absense of the distinguished gentleman who had promised to deliver the coronal oration to-day, I have unexpectedly been called upon by the Executive Committee to perform that pleasing duty. You have already heard, through the silver-tongued orator who proceeded me, a full and historical review of the rise and progress of chivalry. 'Tis needless then for me to repeat it. Yet I deem it due to the gallant Knights of our own day to say that our tournaments differ very materially from those sanguinary offsprings of the Crusades. Then almost every offence led to petty strife and war, and the pages of history and romance are teeming with the mighty deeds of the then gallant Knights. But ours is a custom native to us; a creature of the sunny South, whose soft-winged zephyrs seem to have fanned into existence this friendly display of the manly deeds and knightly bearing of her chivalrous sons. Unlike the mortal strife of Knights of by-gone days, where generally the combat raged until the life-blood of one paid the forfeit, our jousts are characterized by feelings most friendly and are attended by those true marks of chivalry, honor, truth and friendship.

To-day, sirs, you have each to the others thrown down the knightly gage, with a challenge to public contest, for such degrees of excellence as are awarded in a modern tournament. And to-day you have shown by your knightly bearing and skillful horsemanship, that you are worthy successors of the noble scions whose deeds you emulate.

To you, sir victor, I offer my hearty congratulations upon your success. Through a long and exciting contest you have shown yourself pre-eminently skelful as a rider, of true and unerring eye and arm, and as courtly as courageous. To you belongs the honor, for which, chiefly, all have contended, to crown the chosen maid a Queen of Beauty and Love. Accept at my hands this beautiful coronet of flowers, and, with knightly mien and deference, place it upon the brow of your fair lady, this day made a Queen.

To you, most noble Queen, I scarce know what to say: for when one of our sex, and I appeal to the gallant Lnights here assembled if I am not right—attempts to instract a lady how to play her role, he then o'ersteps his mark; for not only do the ladies always act well their parts, but often, with a sympathy, true to their very nature, step forward with a kindly smile and lend a helping hand to the hesitating youth who confronts them. I beg of you then, most royal Queen, to loose no time in taking this last step in the day's dramma, and release me from the embarrassing position in which unanticipated circumstances have placed me.

☞ The Maryland State Teachers' Association will meet in Baltimore on the 30th and 31st of August. Distinguished gentlemen have been invited to address the Association, and the most interesting topics will be presented for discussion.

MILLIONS Bear Testimony to their Wonderful Curative Effects.

Vinegar Bitters are not a vile **Fancy Drink,** Made of **Poor Rum, Whiskey, Proof Spirits and Refuse Liquors,** doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, **free from all Alcoholic Stimulants.** They are the **GREAT BLOOD PURIFIER and A LIFE GIVING PRINCIPLE,** a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Tonic, possessing, also, the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and of all the Visceral Organs.

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these **Bitters** have been most successful. **Such Diseases** are caused by **Vitiated Blood,** which is generally produced by derangement of the **Digestive Organs.**

DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid Liver and Bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effect.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

PIN, TAPE, and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed.

Ayer's Sarsaparilla,
FOR PURIFYING THE BLOOD.

The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this *Sarsaparilla* is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this *SARSAPARILLA: St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears,* and other eruptions or visible forms of *Scrofulous* disease. Also in the more concealed forms, as *Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia,* and the various *Ulcerous* affections of the muscular and nervous systems.

Syphilis or *Venereal* and *Mercurial Diseases* are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. *Leucorrhœa* or *Whites, Uterine Ulcerations,* and *Female Diseases,* are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. *Rheumatism* and *Gout,* when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also *Liver Complaints, Torpidity, Congestion* or *Inflammation* of the *Liver,* and *Jaundice,* when arising, as they often do, from the rankling poisons in the blood. This *SARSAPARILLA* is a great restorer for the strength and vigor of the system. Those who are *Languid* and *Listless, Despondent, Sleepless,* and troubled with *Nervous Apprehensions* or *Fears,* or any of the affections symptomatic of *Weakness,* will find immediate relief and convincing evidence of its restorative power upon trial.
