LOCAL MATTERS.

The Orphans' Court.

Present, Jas. Beck, of Geo., Thos. Lusby and William Stevens.

After passing sundry claims against the estates of deceased parties, the following appears upon the minutes of proceedings:

James A. Pearce and Geo. W. Greenwood, admrs. of John Greenwood, of Benjamin, returned an inventory of the personal estate of deceased, which was ordered to be recorded.

R. C. Johnson, executor of the last will of James Stanly, returned an inventory of the personal estate of deceased: ordered to be recorded, and obtained an order for the sale thereof.

On application of M. A. Biscoe, admr'x. of A. A. Biscoe, ordered that the admr'x. is authorized to sell and transfer to the purchaser, four shares of the unredeemed stock of the Kent Mutual Building Association.

The last will and testament of William T. Adkinson was admitted to probate and ordered to be recorded. Letters testamentary on the personal estate of the deceased were granted to Benedict B. Adkinson, who gave bond with Wm. Stevens and A. B. Wheatley as sureties. Richard Jones and Thos. Strong were appointed to appraise the personal estate of dec'd., and the usual notice to creditors ordered.

Mary M. Hodges, admr'x. of Rich'd. Hodges, returned her first administration account: passed, and ordered to be recorded.

Tilghman Shafer, admr. of H. C. Rile, returned his second administration account—ordered to be recorded.

County Commissioners:

Present—Wm. Thomas Hepbron, Thomas P. Dixon and Stevenson Constable.

A number of orders were passed for the payment of money.

William V. Lucas, collector of tax for the third disstrict, reported that he has collected from the Levy of 1870 the amount of $11,096.77, and that he has paid out the same, leaving a balance to collect from the Levy of 1870 of $1578.26—and collected from the Levy of 1871, $142.87, and paid upon orders $82.00. Report accepted.

Morgan Brown, collector of tax for the fifth districts, reports that he has collected for the first quarter, ending Sept. 30, 1871, for county tax $757.91, and paid $655.10, leaving a balance of $72.81—of State tax $156.54, sent to the Comptroller.

The Moffit and Schwatka road case came up for hearing, and after the examination of a number of witnesses was held over for further consideration.

Runaway.

Tuesday afternoon as Mr. A. B. Wheatley, our candidate for Sheriff, was about to leave town with his daughter in his carriage, his horse took fright, and becoming unmanageable ran with him and overturned the carriage on the pavement in front of Edw'd. T. Willis' store, throwing Mr. Wheatley and his daughter on the pavement. Mr. Wheatley was taken up insensible and carried into C. F. Stam & Bro's. drug store, where medical assistance was rendered. He soon recovered consciousness, and although badly bruised and somewhat cut about the face and head, proved not to be seriously injured. The young lady was badly bruised, also, but not seriously injured.

The horse broke loose from the carriage after the upset, and dashed at a terrific pace up the pavement, scattering goods-boxes, and causing a general scampering on the part of pedestrians to get out of his way. A little boy, son of Mr. Jas. M. Vandyke, made a narrow escape, being knocked several yards, but unhurt.

Another Railroad.

The much talked of Baltimore and New York railroad, which in its course is to cross Kent county, seems to be assuming a tangible form, as will be seen by advertisement in our columns to-day. We learn that that portion of the road which crosses the State of New Jersey is completed to within three or four miles of the Delaware bay; that the right of way has been obtained to cross the State of Delaware; and that the company's engineer will soon be at work surveying the route through this county.

The European Circus,

Last Wednesday, made the finest street display ever known in Chestertown, and those of our friends in the country who missed it, lost a sight well worth seeing. Most wonderful to relate, the procession and performances were strictly in conformity to the advertisements. It was a huge affair, and in every respect widely different from the catch-penny concerns which yearly visit this section.

Religious.

An extra meeting has been going on every night, except Saturday, for the past two weeks, at the M. P. Chapel in this town. This week several penitents have presented themselves at the altar for prayer. The attendance has been [illegible]

Railroad Matters.

The Directors of the Kent County Railroad, have made a contract with Mr. Jackson of Philadelphia, for the completion of our road from Worton Station to Bellair, with station houses included: to be finished to Chestertown by the fifteenth day of November next, and to Bellair by the first of May, 1872. There seems to be no cause to doubt that the road will now be completed.

A project is now on foot to raise additional funds by contributions from our citizens, to build a creditable station house at this junction, and we hope our people will feel sufficient pride in the matter to promptly raise the necessary amount.

Dangerous.

There is an open Cellar on the pavement just below Mr. William Bacchus' which is exceeding dangerous. It is wonderful that some one has not been injured by falling therein.

The Commissioners should require it to be covered. The owner of the property is liable to presentment by the Grand Jury.

Letter from Baltimore.

Editor Transcript—Allow me to say something about your Baltimore advertisers. It is well we should be better acquainted. Let us cultivate comity, and learn more of each other.

GEO. W. BROOKS & Co. are judicious Lumber Dealers. They wish to know more of The Shore—and desire the citizens of Kent to give them a call.

Those who would have their sons made practical business men will do well to try PENNINGTON, N. J. The Jerseymen know how to keep the fair front to London, and [illegible] material wealth out of small resources, [illegible] any other set of men in the United States [illegible] not even excepting Connecticut Yankees.

BROOKER & LEWIS are selling goods very cheap. Their auction goods are of excellent grade and marvelously low in price. Any one in need of House Furnishing goods will do well to call on them. They are honorable in all their transactions.

H. A. GABLE & Co. cut their frames from the luxuriant mountain forests of Pa. Their mills are at Williamsport, Pa., and they can give as good material as there is to be found in this market—being first hands they are ready to compete with any offers that are made in their line.

WILLIAM GLUCK is a gentleman German. Our country is richer in scholarship, sage thought, studious economy, and general thrift, by our first-class German population. It is an old saying "the French got the land, the English the water, and the Germans the air," in the general distribution. I suppose that is the reason why the Germans are Philosophers. Mr. Gluck's "Sunnyside" is an ornament to a parlor. He knows, to buy cheap is a half sale.

MYERS Bros. are clever, practical, worthy men. They go any where over the State to make the old home look new. They know how to renovate a drawing-room for the reception of lovers or the nuptials of sweethearts.

JOHN MAYHER for forty years has been in the Agricultural Implement business—he is but recently from New York—the growth of our city attracts him here. He is a gentleman of the old type, and the farmers will like to talk with him: their wives, too, will be pleased with some of those goods in his line which more directly interest their culinary affairs.

Last, not least, what shall we say of our friend HARRIS, on Pratt street, so near to South. The prow of the Shoreman's shallop runs near him. Sporting goods is his delight. Don't pass him by—he is an acquaintance who improves with years.

RAMBLER.

Prosecution of Brigham Young and other Mormons.

SALT LAKE CITY, Oct. 3.—In court this morning, the counsel for Brigham Young having stated that Young was sick and unable to appear, moved that he be admitted to bail. Judge McKean said if the prisoner was sick he might remain in his house, unguarded, for the present, but that the motion to admit to bail could not be entertained until the prisoner appeared at the bar of the court.

In the Hawkins case a motion made to quash the indictment was overruled, but time was granted to file a plea of abatement. All is quiet; there is no indication of trouble.

Daniel H. Wells, mayor of Salt Lake City, and third president of the Mormon Church, was arrested this evening by United States Marshal Patrick, upon the indictment of the grand jury charging him, under the Utah statute, with lewdly laciviously cohabiting with one Louisa Free, whom Wells claims as one of his wives.

The accused was taken before Judge McKean, and held to bail in $5,000 to answer at the present term of the court. In this case, as in that of Brigham Young, upon a similar charge, Chas. H. Helmsted and Hon. S. Fitch are counsel for the defense.

THE CUBAN REBELLION.—A late cable despatch states that Spain is about to send 4,000 more troops to Cuba. She has dug a ditch into which she is throwing much of her substance and many valuable lives. Three expeditions, bringing aid to the insurrection, have recently reached Cuba. One of these, that of Quesada, is the only one the Spaniards have had much to say about. A proclamation from the Captain General calls upon deserters from the Spanish force to the insurrection to return and bring their chiefs with them This looks as if matters were not altogether lovely. Three years of rebellion leave Cuba as defiant and Spain as hopeless as ever.

Tome--Jacob Tome Esq.

This gentleman, who resides at Port Deposit, known to many of our lumbermen, was last week nominated by the negroes and scalawags of Maryland for Governor. He will be overwhelmingly defeated, of course, as he cannot even "gull" the ignorant negroes, because he sold more of them into slavery, while "it paid," than any man in Cecil county.—*Clearfield Rep.*

THE REASON WHY.—Weston, the pedestrian, who was advertised a few days since to walk 113 miles in twenty-four hours, at the Union Grounds, in Cincinnati, but who failed to accomplish the task, attributes his failure to an empty stomach, upon which he says "nothing would stay down." He also states that just before he gave out it appeared as if a giant was clasping him about his chest and pressing it inward.

Festival.

The Ladies of the Protestant Episcopal Church in Chestertown, will hold a Fair and Festival in the Town Hall during the October Court.
