WAKE! YOUTH OF AMERICA!

Wake! Youth of America! wake.from thy slumber,
Fair Freedom lies fainting to-day,
O! rise to avenge her deep wrongs without number,
Vow heart, head and hand for the fray.

Her wrongs, burning cheek, can I name them unfettered?
Her press, oft so venal and vile;
Her ballot, the franchise, brute freemen unlettered,
Have sold for a glass and a smile.

Her Rulers, who traffic in office unblushing;
Her Judges whose law suits the cry;
Her Law-makers bound by the bribes that are hushing,
The wail of her Justice to die.

Oh, when from stern Maine to sweet Georgia's blue ocean,
America welcomed the free,
Brave hearts, did you dream of treacherous potion
She held in her bosom for thee?

The milk that ye drew from her breast white and pearly
Hath poisoned the sources of life.
Thy increase and riches bring sorrow thus early,
Sad Land rent with faction and strife.
Can it be, can it be, that fair Freedom is dying—
That the vampire now sucking her breath,
Corruption, the tyrant, who sees her expiring,
Will rise with her power at the death?

Can it be, can it be that our nation is falling,
That a Monarch will rule us ere long,
While we hear the world over, the plaints and the wailing,
That tell of each Monarchy's wrong?

No! Youth of America, God hath not left us,
The sword He hath given to thee,
Down with the traitors in office whose deeds have bereft us
Of faith in the Land of the Free.

Rise, Youth of America, Freedom we'll rescue,
Seek the polls from hillside and vale,
Pure rulers will call to her wan cheek its lost hue,
Before her corruption will quail.

Pure Voters! pure Rulers! no tricksters shall cheat us—
To our post then, men of our Band,
At meeting and caucus where skulk to defeat us
The Vultures who prey on our Land.

And oh, I adjure thee, by all that is holy,
Be true to the land of thy birth,
Remember our sires, who bled and walked lowly,
That freedom might compass the earth.

Wake, Youth of America, wake from thy slumber,
Fair Freedom lies fainting to-day;
O! rise to avenge her deep wrongs without number,
Vow heart, head and hand for the fray.

The Pigeon's Flight.

To the Editor of the Scientific American:

Your European readers will be amazed at your admission of the Montclair pigeon flying *canard* into your issue of the 25th ult., which makes the absurd declaration that carriers, tossed one and two thousand miles at sea, returned; and, as if that would not sufficiently test public credulity at an average speed of over 200 miles an hour, or double that of the most devastating tornado, in which buildings and forests are scattered like chaff!

This audacious assertion, unchallenged by you, evinces a singular credulity and misapprehension in regard to the powers of homing pigeons. As one of the antagonisms to excessive application, I have bred and kown for recreation the most celebrated types of flyers, and have in my cotes probably the largest trained flight in America of wild and spirited Antwerps, the best and boldest flyers the world has known. No homing pigeon, however sedulously trained, has yet returned, even over a familiarized land route of a thousand miles, nor from two hundred at sea. These birds do not return by any instinct like the migratory, or the nest building, but by the exercise of the perceptive faculties, the recognition of familiar objects and configurations of land, When birds arethrown at sea they seem bewildered, and if they cannot descry land in a brief flight, they return and cannot be forced to leave the rigging. They can only be trained by gradually increasing stages, till they get familiar with the features of the country and acquire confidence in their capacity. When these stages are too rapidly increased, the birds are lost.

Pigeon races constitute the great national pastime of Belgium, and it is believed that there are in that little kingdom 20,000 trained birds, the poorest of which would return within one or two hundred miles, and the most expert within four, five and perhaps six hundred. The longest flight (900 miles) ever attempted, was that from Rome, in 1868, when 200 long trained and skillful birds competed, all of which had been practiced to the confines of Italy. Only twenty ever returned, and the first, not till more than two weeks had elapsed from the tossing at Rome.

Their velocity of flight is greatly modified by the state of the atmosphere, the force and direction of the wind, condition of the bird, and also by its familliarity with the route.

In the record of about four hundred authenticated flights, when expert and carefully trained birds were flown over well known ground, the average velocity was less than forty miles an hour. The most rapid flight of old, tough, trained Antwerps, in finest racing condition, over routes with which they are perfectly familiar, never has exceeded sixty miles an hour. O. S. HUBBELL.

VINEGAR BITTERS

VEGETABLE — FREE FROM ALCOHOL — PURELY — CALIFORNIA

VINEGAR BITTERS

J. WALKER, Proprietor. R. H. McDonald & Co., Druggists & Gen. Agents, San Francisco, Cal., and 32 Commerce St., N.Y.

MILLIONS Bear Testimony to their Wonderful Curative Effects.

Vinegar Bitters are not a vile **Fancy Drink,** Made of **Poor Rum, Whiskey, Proof Spirits and Refuse Liquors,** doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, **free from all Alcoholic Stimulants.** They are the **GREAT BLOOD PURIFIER and A LIFE GIVING PRINCIPLE,** a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Tonic, possessing, also, the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and of all the Visceral Organs.

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these **Bitters** have been most successful. **Such Diseases** are caused by **Vitiated Blood,** which is generally produced by derangement of the **Digestive Organs.**

DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid Liver and Bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effect.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

PIN, TAPE, and other **WORMS,** lurking in the system of so many thousands, are effectually destroyed and removed.

SOLD BY ALL DRUGGISTS AND DEALERS.
