LOCAL ITEMS

Orphans' Court.—*Tuesday, April 23d.* Present, Judges Beck, Scott, and Hepbron.

The Court passed a number of claims against the estates of deceased parties.

Owen Connelly, admr. of J. B. Voshell, returned inventory of personal estate of said deceased, which was received and ordered to be recorded, and obtained an order for sale of same.

On application of Owen Connelly, admr. of J. B. Voshell and acting guardian to minor child, I. C. Taylor and S. C. Brannock were appointed to view and estimate the annual rental value of the real estate of said minor.

On application, letters of administration on the personal estate of Louis B. Vanhorn, late of Kent county, deceased, were granted to Richard Hynson, with Thomas B. Hynson and George W. Spencer as sureties on his bond in the penalty of $2,000. Chas. Estes and T. J. Vickers were appointed to appraise said estate. Also an order to give the usual notice to creditors was passed.

On application, letters of administration De Bonis Non, C. T. A., on the personal estate of Samuel Clark, late of Kent county, dec'd., were granted to Richard Hynson, with Thomas B. Hynson and George W. Spencer as sureties on his bond in the penalty of $2,000, and Charles Estes and T. J. Vickers were appointed to appraise said estate. Also an order to give the usual notice to creditors was passed.

J. W. Ivens, admr. of James W. Ivens, returned his first administration account, which was passed and ordered to be recorded.

William B. Usilton, admr. of Samuel Frazier, returned his second and final administration account and dividend, which was passed and ordered to be recorded.

William Wilson, executor of the last will and testament of James Wilson, returned his first administration account, which was passed and ordered to be recorded.

County Commissioners.—Present, Messrs. Roseberry, Griffith, and Wilson.

The bonds of William Hepbron, Collector of the Third District, and Charles H. Davis, Collector of the Fourth District, were received and accepted.

A number of transfers and abatements were made and bills filed for levy.

THE REV. MR. CURTIS, former reciter of the Prostant Episcopal Church in this Parish, has gone over to the church of Rome. The Baltimore Sun, of Saturday last, says:

Reference has been heretofore made to the difficulties which existed between the Right Rev. Bishop Whittingham, of the Protestant Episcopal Diocese of Maryland, and the late rector of Mount Calvary Church, Rev. Alfred A. Curtis, which resulted in the latter refusing to accept the pastoral letter of the House of Bishops, and subsequently of his resignation of his charge. Soon after the difficulties arose, Mr. Curtis left this country and proceeded to Brimingham, England, where he still remains, his object in going there, it is understood, being to consult with Dr. Newman, formerly a prominent divine in the Church of England, but now, as is generally known, a member of the Roman Catholic Church, and it is further understood that Mr. Curtis has connected himself with the Church of Rome. A few days ago Bishop Whittingham received a communication from Mr. Curtis, notifying him of his intention of renouncing his faith in the Protestant Episcopal Church. Acting upon this letter, the bishop called together a number of the clergy of Baltimore, who met in St. Paul's Church on Wednesday last, at the 11 o'clock service. Immediately after the second lesson the bishop placed himself in front of the alter and publicly read a statement deposing Mr. Curtis from all duties attaching to the office of presbyterian priest in the Episcopal Church, in accordance with the canon provided for such cases. It is believed that Mr. Curtis will not present himself for the present, at least, as a candidate for holy orders in the Roman Catholic Church, but will maintain the position of a layman for a time.

Shuffling Out.

A telegram from Washington, evidently originating from official sources, announces that the claims for indirect damages put into the American case have not been withdrawn from before the Tribunal of Geneva, and will not be withdrawn.

There is also a labored argument to show that these indirect claims were continually kept before the British Government, and that the High Commissioners and Mr. GLADSTONE knew that they formed a part of the American demand. But the pith of the whole matter lies in that of the official telegram which we have italicized, and which may be taken as the substance of the note of Secretary FISH to Earl GLANVILLE. It is to the effect that no demand is made for indirect damages, the Government being itself disposed to regard this class of claims as of questionable legality. It is also acknowledged, though in guarded phraseology, that a large preponderence of the most eminent Continental jurists and publicists deny the liability of a nation for indirect damages. —*Baltimore Gazette.*

Templeville, Queen Anne's Co.
Or, JOHN RAYMOND LUSBY,
Kennedyville, Kent Co.

April 13, 1872—3w.

The Thorough-bred Stallion, LEGATEE,

Is now making the Season in this county, and it is desirable that he shall not travel much, and as his list is well nigh filled, (having a limited number of mares,) those who wish to breed to him had better communicate at once with Mr. A. L. Vannort, Post Master at Hanesville, who will notify his owner of the same.

Governor Bowie says this horse has no equal in the country, and is breeding his choicest stock to him.

The Turf, Field and Farm, in speaking of LEGATEE, long before he was thought of traveling here, states that "he is the finest bred horse in America, and should make a superior stallion."

LEGATEE has won a number of races, among the rest, the "Restoration Stakes," at Long Branch, purse $5,000, easily beating several celebrated and frequent winners upon other occasions. See handbills.

April 13, 1872—tf.

NOTICE

TO THE

Tax Payers of the 4th Election District.

YOU are earnestly requested to settle your Taxes immediately, as I must have the money: unless this is done, in each and every case I shall collect according to law.

SCIENTIFIC AMERICAN

For 1872.

TWENTY-SEVENTH YEAR.

THIS splendid weekly, greatly enlarged and improved, is one of the most useful and interesting journals ever published. Every number is beautifully printed on fine paper, and elegantly illustrated with original engravings, representing New Inventions; novelties in Mechanics, Manufactures, Chemistry, Photography, Architecture, Engineering, Science and Art.

Farmers, Mechanics, Inventors, Engineers, Chemists, Manufacturers, and people of all professions or trades will find the

Scientific American

of great value and interest.

Its practical suggestions will save hundreds of dollars to every Household, Workshop and Factory in the land, besides affording a continual source of valuable instruction. The Editors are assisted by many of the ablest American and European writers, and having access to all the leading Scientific and Mechanical Journals of the world, the columns of the Scientific American are constantly enriched with the choicest information.

An official list of all the Patents issued is published weekly.

The yearly numbers of the Scientific American make two splendid volumes of nearly one thousand pages, equivalent in size to four thousand ordinary book pages.

SPECIMEN COPIES SENT FREE.

TERMS.—$2 a year; $1.50 half year; Clubs of ten copies for one year, $2.50 each, $25.00, with a Splendid Premium to the person who forms the Club, consisting of a copy of the celebrated Steel-Plate Engraving, "Men of Progress."

In connection with the publication of the Scientific American, the undersigned conduct the most extensive Agency in the world for procuring PATENTS.

The best way to obtain an answer to the question—Can I obtain a Patent? is to write to MUNN & CO., 37 PARK ROW, New York, who have had over Twenty-five Years' Experience in the business. No charge is made for opinion and advice. A pen-and-ink sketch, or full written description of the invention, should be sent.

For instructions concerning American and European Patents—Caveats—Re-issues—Interferences—Rejected Cases—Hints on Selling Patents—Rules and Proceedings of the Patent Office—The New Patent Laws—Examinations—Extensions—Infringements, etc etc., send for INSTRUCTION BOOK, which will be mailed free, on application. All business strictly confidential.

Address MUNN & CO.,
Publishers of the Scientific American,
Dec. 23, 1871. 37 Park Row, New York
