Selected Poetry.

From Scribner's Magazine for May.

THE RAILWAY RIDE.

BY THOMAS DUNN ENGLISH.

In their yachts on ocean gliding,
On their steeds Arabian riding,
Whirled o'er snows on tinkling sledges,
  Men forget their woe and pain:
What the pleasure then should fill them—
What the ecstacy should thrill them—
Borne with ponderous speed, and thunderous,
  O'er the narrow iron plain.

Restless as a dream of vengeance,
Mark you there the iron engines
Blowing steam from snorting nostrils,
  Moving each upon its track:
Sighing, panting, anxious, eager,
Not with purpose mean or meagre,
But intense intent for motion,
  For the liberty they lack.

Now one screams in triumph, for the
Engine-driver, grimed and swarthy,
Lays his hand upon the lever,
  And the steed is loose once more;
Off it moves, and fast and faster,
With no urging from the master,
Till the awed earth shakes in terror
  At the rumbling and the roar.

Crossing long and thread-like bridges,
Spanning streams, and cleaving ridges,
Sweeping over broad green meadows,
  That in starless darkness lay—
How the engine rocks and clatters,
Showers of fire around it scatters,
While its blazing eye outpeering
  Looks for perils in the way.

To yon tunnel drift careering,
In its brown mouth disappearing,
Passed from sight and passed from hearing,
  Silence follows like a spell:
Then a sudden sound-burst surges,
As the train from earth emerges
With a scream of exultation,
  With a wild and joyous yell.

What the chariot swift of Ares
Which a god to battle carries?
What the steeds the rash boy handled
  Harnessed to the sun-god's wain?
Those are mythic: this is real:
Born not as the past ideal,
But of craft and strength and purpose,
  Love of speed and thirst of gain.

Oh! what wildness! oh! what gladness!
Oh! what joy akin to madness!
Oh! what reckless feeling raises
  Us to-day beyond the stars!
What to us all human ant-hills,
Fame, fools sigh for, land that man tills,
In the swinging and the clattering,
  And the rattling of the cars!

Death of Charles Lever.

A cable dispatch announces the death, at Trieste, of Charles Lever, one of the most delightful of Irish novelists. Lever was born in Dublin in 1806, received a thorough education at the Dublin University and at Gottingen, and regular entered the practice of medicine. During the prevalence of cholera in Ireland in 1832 he was made medical officer for Londonderry, in which position he distinguished himself, and was subsequently, for three years, physician to the British embassy at Brussels. During the latter period he wrote the "Confessions of Harry Lorrequer," which made a favorable impression by its vivacity and humor, and happy pictures of Irish life. It was the precursor of a long line of novels of the same character, the best of which are Charles O'Malley, Jack Hinton, Tom Burke, The O'Donoghue and the Knight of Gwynne. In 1842 he assumed direction of the Dublin University Magazine, to which he contributed liberally. Since 1845 he has resided in Europe, living in literary retirement in the Tyrol, and afterwards at Florence until 1858, when he was appointed by Lord Derby vice consul at Spezzia, and was transferred to Trieste in 1867. Among the best of his works published anonymously is the Diary of Horace Templeton and Con Cregan, an Irish Gil Blas; and his more recent productions are One of Them, Barrington, Luttrell of Arran, A Day's Ride, Sir Brooke Fosbroke, and Lord Kilgobbin, a work just republished in this country. A pathetic interest is attached to this book. The dedication, dated from Trieste, Jan 20, 1872, reads: "To the memory of one whose companionship made the happiness of a long life, and whose loss has left me helpless, I dedicate this book, written in breaking health and broken spirits. The task, that once was my joy and my pride, I have lived to find associated with my sorrow; it is not, then, without a cause I say I hope this effort may be my last." Sadly has the melancholy hope been fulfilled.

☞ A prisoner who was condemned to solitary confinement for life, obtained the following facts, which are not uninteresting: The Bible contains 3,586,489 letters, 773,692 words, 31,173 verses, 1,189 chapters, and 66 books. The word "and" occurs 56,277 times; the word "Lord" occurs 1,855 times; the word, "reverend" occurs but once, which is in the 9th verse of the 111th Psalm. The middle verse is the 8th verse of 118th Psalm. The 21st verse of the 7th chapter of Ezra contains all the letters in the alphabet except the letter J. The finest to read is the 26th chapter of the Acts of the Apostles. The 19th chapter of II Kings and the 37th chapter of Isaiah are alike. The longest verse is the 9th verse of the 8th chapter of Esthco. The shortest verse is the 35th verse of the 11th chapter of St. John. The 8th, 15th, 21st and 31st verses of the 107th Psalm are alike. All the verses of the 136th Psalm end alike. There are no words or names of more than six syllables.

☞ A magician was displaying his powers in a Texas town a few days ago, and introduced the familiar trick of pretending to load a pistol and then allowing a spectator to fire at him. The spectator, not to be out done in sleight-of-hand, managed to drop a bullet in the barrel and killed the luckless exhibitor off-hand.

☞ The English alphabet has 26 letters, the French 25, the Italian 20, the Spanish 27, German 26, Slavonic 42, Russian 35, Latin 23, Greek 24, (16 until 403 B C., when the 24 Ionic characters were introduced,) the Hebrew 22, the Arabic 28, Persian 32, Turkish 28, the Sanscrit 44.

Cultivators! Cultivators!! AND CULTIVATOR TEETH.

TO be had at the shops of the undersigned. We have teeth of two different patterns; one is the old three cornered pattern, the other is our IMPROVED TOOTH, which wears much longer than the old pattern, the sides being round, which causes the tooth always to wear to, and keep a point.

The old pattern always wears round, and has no point to make it run in. These teeth will be sold cheap, as we have a large stock on hand. Orders by mail promptly, attended to. We could give a number of testimonials in regard to the superiority, of these teeth if necessary, as they are used extensively in this and the adjoining county.

THE

EUREKA FANNING MILL.

The Greatest Invention

OF THE 19th CENTURY!

FARMERS, LOOK TO YOUR INTEREST.

THE attention of Farmers and Mechanics is particularly directed to the combined economy, utility and practicability of the Eureka Mill, and to the many other advantages it possesses over every other Fanning Mill which has been introduced to the public. It is the fruit of long and patient investigation by the inventor, who has made it his constant study for over twenty years. He has secured several patents for Mills, and has always been rewarded with the best of success. But not feeling satisfied with his former attainments, he determined to reach the climax, and he now believes that his new invention will warrant him in exclaiming in the joy of his heart, like the philosopher, Phythagoras, EUREKA, signifying in the Grecian language, "I have found it." This has given the name to this new Mill.

In this Mill are all the former improvements, to which have been added several more, adding still greater advantages than were at first anticipated, or even thought possible by the inventor himself. It embraces the three great essentials necessary in every invention.

It combines Utility, Economy and Practicability!

THE EUREKA MILL

Is small and lighter, and is capable of doing more and better work in a given time than any other Mill ever invented. It is the only Mill that will successfully remove from wheat such pests as Cockle, Garlic, Oats, Rye, &c.

Should an extra quality of grain for seed or gristing purposes be required, it can be so arranged as to catch in one box perfect grain, and in the other, grain fit for market or mill. Here is made a great saving usually lost sight of; for nearly one-quarter of the grain cleaned in the common Mills is lost when sown, on account of shrunken kernels and inferior grain. The Eureka Mill saves all this, and gives seed every kernel of which will grow when put into the ground, and this saving will, in a short time, pay for the Mill.

HINES & BURCHINAL,

Chestertown, Md.,

Owners of the Mill, are having them manufactured at the Sash Factory and Planing Mill of NOLAND & Co., Port Deposit, Md., which is a guarantee they will be put up in the very best manner.

VINEGAR BITTERS

VEGETABLE — FREE FROM — ALCOHOL

PURELY — CALIFORNIA

EUREKA

VINEGAR BITTERS

R. WALKER, Proprietor. R. H. McDONALD & Co., Druggists & Gen. Agents, San Francisco, Cal., and 32 Commerce St., N.Y.

MILLIONS Bear Testimony to their Wonderful Curative Effects.

Vinegar Bitters are not a vile **Fancy Drink,** Made of **Poor Rum, Whiskey, ... Proof Spirits and Refuse Liquors,** doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, **free from all Alcoholic Stimulants.** They are the **GREAT BLOOD PURIFIER, and A LIFE GIVING PRINCIPLE,** a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Tonic, possessing, also, the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and of all the Visceral Organs.

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these **Bitters** have been most successful. **Such Diseases** are caused by **Vitiated Blood,** which is generally produced by derangement of the **Digestive Organs.**

DYSPEPSIA, OR INDIGESTION, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid Liver and Bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effect.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

PIN, TAPE, and other **WORMS,** lurking in the system of so many thousands, are effectually destroyed and removed.

SOLD BY ALL DRUGGISTS AND DEALERS.

J. WALKER, Proprietor. R. H. McDONALD & CO., Druggists and Gen. Agents, San Francisco, Cal., and 32 and 34 Commerce Street, New York.

August 5 1871—y

RHEUMATISM NEURALGIA

$5000 WILL BE PAID

To any person producing any Medicine showing half as many living, permanent cures as DR. FITLER'S VEGETABLE RHEUMATIC REMEDY. *Used inwardly only.* A pleasant Medicine, free from injurious drugs Warranted, under oath, to have permanently cured 95 in every 100 patients treated in the past ten years. (See testimony.) It is the scientific prescription of Professor Jos. P. Fitler, M. D., a graduate of the University of Pennsylvania, A. D. 1823,—now one of Philadelphia's oldest regular physicians, and Professor of Chemistry and Toxicology,—who has made Neuralgia, Chronic and Inflammatory Rheumatism the specialty of his entire professional life—a fact vouched for by the signatures accompanying each bottle, and other testimonials of many prominent renowned physicians and clergymen. To protect sufferers from poisonous quack nostrums and useless expenditure of money, a legal signed guarantee, stating exact number of bottles warranted to cure, will be forwarded gratis to any sufferer sending by letter a full description of affliction. In case of failure to cure, amount paid positively refunded. Medicine sent anywhere by express, collect on delivery. Afflicted invited to write for advice; all information and medical advice sent by letter gratis. Address DR. J. P. FITLER, 29 South Fourth street, Philadelphia, Penna. The Remedy is sold or obtained by Druggists. For sale by

SCIENTIFIC AMERICAN

For 1872.

TWENTY-SEVENTH YEAR.

THIS splendid weekly, greatly enlarged and improved, is one of the most useful and interesting journals ever published. Every number is beautifully printed on fine paper, and elegantly illustrated with original engravings, representing New Inventions; novelties in Mechanics, Manufactures, Chemistry, Photography, Architecture, Engineering, Science and Art.

Farmers, Mechanics, Inventors, Engineers, Chemists, Manufacturers, and people of all professions or trades will find the

Scientific American

of great value and interest.

Its practical suggestions will save hundreds of dollars to every Household, Workshop and Factory in the land, besides affording a continual source of valuable instruction. The Editors are assisted by many of the ablest American and European writers, and having access to all the leading Scientific and Mechanical Journals of the world, the columns of the Scientific American are constantly enriched with the choicest information.

An official list of all the Patents issued is published weekly.

The yearly numbers of the Scientific American make two splendid volumes of nearly one thousand pages, equivalent in size to four thousand ordinary book pages.

SPECIMEN COPIES SENT FREE.

TERMS.—$3 a year; $1.50 half year; Clubs of ten copies for one year, $2.50 each, $25.00, with a Splendid Premium to the person who forms the Club, consisting of a copy of the celebrated Steel-Plate Engraving, "Men of Progress."

In connection with the publication of the Scientific American, the undersigned conduct the most extensive Agency in the world for procuring PATENTS.

The best way to obtain an answer to the question—Can I obtain a Patent? is to write to MUNN & CO., 37 PARK Row, New York, who have had over Twenty-five Years' Experience in the business. No charge is made for opinion and advice. A pen-and-ink sketch, or full written description of the invention, should be sent.

For instructions concerning American and European Patents—Caveats—Re-issues—Interferences—Rejected Cases—Hints on Selling Patents—Rules and Proceedings of the Patent Office—The New Patent Laws—Extensions—Infringements, etc etc., send for INSTRUCTION BOOK, which will be mailed free, on application. All business strictly confidential.
