LAND SALE.—On Wednesday next, C. H. Baker, Trustee, will sell at the hotel in Millington, at 8 o'clock, P. M., all that tract of land now occupied by Enoch Moffitt, about two miles from Millington. See advertisement.

SALE OF A DWELLING.—The dwelling house on Queen street, recently occupied by B. B. Perkins, was sold on Tuesday last by C. W. Ridgely, trustee, to Mrs. Mary L. Sparks, for $1,760.

THE Annual Commencement Exercises of Washington College will take place in the College Hall on Wednesday next, and the celebration of the Mount Vernon Literary Society on the previous evening. A gentleman from Cambridge, we believe, will deliver the Annual Address before the Society. No official announcement of the orator has, however, appeared. We hope the public will show more interest than the Society has manifested zeal in advertising their celebration.

The Principal of the College is making police arrangements to prevent a recurrence of the disturbance which annoyed the audience last year—and we hope our citizens will give their presence on the occasion.

THE Excursion on the afternoon and evening of the fourth, by Thomas Wildey Encampment, I. O. O. F., of this town, was a pleasant and well patronized affair. When a little below Queenstown a violent storm was encountered, but through it, under the skillful management of the experienced officers and crew, the LAW gallantly held her course. On reaching Kent Island wharf, the storm still continuing though much abated, it was decided not to extend the trip out into the bay, the boat was headed up the river, and though most of the way was very dark, all the landings were successfully made. The Chestertown wharf was reached about 11 o'clock, where the boat remained until daylight next morning. A large number of excursionists remained on the boat, and the dancing continued all night.

The Encampment realized $95.25 net.

DEATH OF JOHN O. SLAY, ESQ.—It is with deep feelings of regret that we are called upon to record the death of Mr. John O. Slay, at his father's residence in Camden, Delaware, on Thursday the 27th ultimo. Mr. Slay was born in February, 1829, and was in his thirty-fourth year. He was a native of Delaware, and was graduated at Yale College, and admitted to the practice of the law at Dover. In the Spring of 1864 he came to this town, upon the invitation of Senator Vickers, and was associated with him in his extensive practice. Added to good legal ability and persevering industry in his profession, he possessed unusual genial social qualities which endeared him to many of our citizens. Not possessed of robust health, something over two years ago he began to break down under his work, and was compelled to abandon the practice of his profession, his disease gradually becoming fixed upon his lungs. A trip during the past Winter to the dry climate of the North West doubtless prolonged his life.

An effort was made by some of our citizens to secure railroad facilities to attend his funeral on Sunday last, but failed. He was borne to his grave by Hon. J. P. Comegys, Judge Houston, Senator Salisbury, George V. Massey, Esq., Martin Bates Hillard, Esq., and William C. Atkinson. The Revs. Mr. Bryan and Jas. B. Merritt, formerly of this county, officiating.

Orphans' Court.—*Tuesday, July 2nd.* Present, Judges Beck, Scott and Hepbron.

The Court passed a number of claims against the estates of deceased parties.

Richd. Hynson, admr. of Samuel W. Canady, returned a list of sales of the personal estate of said deceased.

John W. Corey and Wm. W. Stephens returned their report of the annual rental of the real estate of the minor children of John Gale, deceased.

Robert J. Lusby, administrator of John M. Hudson, returned an additional list of sales of the personal estate of deceased; also, an additional list of debts.

The release of Pere L. Wickes to Joseph A. Wickes, his co-executor of the last will and testament of Joseph Wickes, late of Kent county, dec'd., was received and ordered to be recorded.

The release of Joseph A. Wickes to Pere L. Wickes, as same of same, was received and ordered to be recorded.

On application, letters of administration on the personal estate of Wm. B. Hewitt, late of Kent county, deceased, were granted to C. H. Baker, who gave bond with Thomas Baker and Samuel V. Farson, as sureties. James A. Shaw and Samuel L. Rawleigh were appointed to appraise said estate, and the usual notice to creditors ordered.

A Power-of-Attorney from Thos. J. Clark and Mary Ann Clark, to D. J. Blackiston, to sell and convey their undivided interest in certain real estate in the first election district of Kent county, was filed and ordered to be recorded: also, a petition of the said D. J. Blackiston to be appointed Trustee to sell the said real estate.

The petition of James M. Downey and as next friend of Wm. J. Downey and Jas. R. Downey, infants, for the sale of certain real estate in the fifth election district of Kent county, was received and filed and ordered to be recorded.

HORACE GREELY'S POSITION IN REGARD TO THE DEMOCRATS.—The Hartford Times (Democratic) of June 26 has the following extract from a private letter to a gentleman in Connecticut. Though it was never intended for publication, the gentleman to whom it was addressed has deemed it of sufficient interest and importance to justify its publication:

"*New York June* 11, 1872.—I have no possible claim to democratic support, and never made any. The democrats will, of course, be governed by a consideration of their own interest. It is nowise proper or probable that they should be influenced in making their decision by any consideration [illegible] to myself, and if they could be, I do not desire it. Hence I have said nothing to any democrat unless he first addressed me and even then I have gone no further than to say that, if I should be elected, I would treat all those who supported me alike, not asking whether they had been in the past republicans or democrats. Yours,

"HORACE GREELY."

EDITORS' REUNION OF THE 9TH OF JULY.— The liberal and democratic journals all over the county heartily respond to the call for a re-union of the national press upon the occasion of Democratic National Convention. The appeal addresses itself directly to all members of the press who favor the liberal movement, and its expected that the assemblage will be one of the largest and most national gatherings of the kind ever held in this country.

ORDER OF PUBLICATION.

James Myer & Co., and John McCauley,
vs.
John B. Kilpatrick, and others.

In the Circuit Court for Kent County. In Equity. Petition, &c.

THE object of this Petition is to procure a Decree directing the application of the proceeds of the Real Estate of John Kilpatrick, deceased, sold by Richard Hynson, Trustee, to the payment of the debts of the said John Kilpatrick.

The Petition states that heretofore a certain John Kilpatrick, late of Kent county, deceased, was in his life time seized and possessed of certain Real Estate in said county, called the "Trulock Farm, containing two hundred and eighty acres of land, more or less, and being so thereof seized and possessed, some time in the year 1868, departed this life intestate, leaving John B. Kilpatrick and Mary J. Kilpatrick, of the city of Philadelphia and State of Pennsylvania, and Catharine Long, formerly Catharine Kilpatrick, and Margaret Kilpatrick, of the same city and State, his only children and heirs-at-law.

The Petition further states that on the 15th day of July, 1868, the said John B. and Mary J. Kilpatrick filed their Bill of Complaint in the Equity side of the Circuit Court for Kent county, against the said James Long, Catharine Long, and Margaret Kilpatrick, praying for the sale of said Real Estate, and for the division of the proceeds thereof among the parties entitled upon which Bill of Complaint, after due process of law, the said Court, on the 28th day of April, 1870, passed a Decree for the sale of said Real Estate, and appointed Richard Hynson, Trustee, who, on the 9th day of February, 1872, reported that he did, on the 20th day of June, 1871, sell said Real Estate to Andrew Woodall and John Z. Clark, for the sum of four thousand, five hundred, and forty-seven dollars and five cents, payable in four equal instalments of six, twelve, eighteen, and twenty-four months from the day of sale.

The Petition further charges that John Kilpatrick was, at the time of his death, indebted to James Myer & Co., in the sum of one hundred and fourteen dollars and twenty cents, with interest from April 14, 1868, upon a promissory note dated April 17th, 1867, and for the sum of two hundred and four dollars, payable to James Myer & Co., sixty days after date, on which was endorsed a credit, April 14, 1868, of $100.00. The Bill further charges that the said John Kilpatrick was in his lifetime indebted to John McCauley, in the sum of two hundred and sixteen dollars and twenty cents, with interest thereon from July 8, 1868, upon an open account.

The Bill further states that Letters of Administration upon the Personal Estate of said John Kilpatrick, were granted by the Orphans' Court of Kent County, to John B. Kilpatrick, who has since duly and fully administered the same.

The Bill further charges that the said Personal Estate was insufficient to pay all debts due and owing by said intestate, and that upon a full administration thereof, James Myer & Co. received a dividend of $17.66, which has been duly credited upon the note aforesaid, and still leaves a balance of $117.09, with interest from April 14, 1871. And John McCauley received a dividend of thirty-two dollars and ninety-six cents, which has been duly credited, and still leaves a balance of $208.08, with interest from April 14, 1871.

It is thereupon, this 10th day of June, 1872, ordered that the complainants, by causing a copy of this Order to be inserted in some newspaper published in Kent county, once in each of three successive weeks, prior to the 15th day of July next, give notice to said absent defendants of the object and substance of this petition, and warn them to appear in this Court, in person or by solicitor, on or before the 10th day of October next, to answer the premises and show cause, if any they have, why a Decree ought not to pass as prayed.

TO THE
Peach Growers
OF THE PENINSULA.
YOU can now have your Peach Trees budded to order, in such varieties as you desire. I am prepared, by a new method of cultivation, to bud to order, during the month of June, Peach Trees for next Fall and Spring planting. The superior location of my Nursery enables me, by this new mode, to furnish trees of good size and with better roots than those from any other Nursery.
In addition to the varieties that are cultivated by the nurserymen, I imported from Mr. Rivers, the great Orchardist, near London, three new varieties—Early Beatrice, Early Louise, and Early Rivers. These Peaches have all been fruited in my orchard, and ripen in the order in which they are named, beginning about the 20th of June. They are hardy, and bear transportation as well as Tryth's Early. Last season I shipped a few crates to New York, and will have this year a very considerable quantity; quite enough to demonstrate their value to the Peach Growers of this Peninsula, whose patronage I respectfully solicit, as I feel assured that my trees will give entire satisfaction.
Col. EDWARD WILKINS, of Riverside, Kent Co., Md., has planted this season 5000 trees from my Nursery, and I confidently refer to him as to the quality of my trees.

PEACH BASKETS.
PEACH Growers and Shippers are respectfully informed that we are now manufacturing the justly celebrated "Mitchell Patent Peach Basket." This Basket is constructed on a principle which prevents the fruit from settling or crushing, and is positively endorsed and recommended by all the leading Commission Houses in New York and Philadelphia as the best Basket in use. Our Baskets are made of the choicest material, and none but the best experienced workmen will be employed in their construction; and we desire to call special attention to the fact that we are using in the basket this season a malleable nail, manufactured expressly for our use, and which adds materially to its firmness, strength and durability.
Having purchased the newest and most improved basket machinery, we are prepared to sell the *best* basket in the market, at a price that will defy competition. Our facilities are such that we can make 5000 baskets daily, all of which will be thoroughly inspected before leaving the factory. Orders may be sent to
