Orphans' Court.—*Tuesday, July 23rd.* Present, Judges Beck, Scott, and Hepbron.

The Court passed a number of claims against the estates of deceased parties.

The renunciation of Margaret A. Wallis and Mary S. Wallis to letters of administration on the estate of Hannah Isabella Wallis and recommending George Vickers, was received, and letters ordered to be granted to George Vickers.

On application of Eliza Brown, colored, the aunt of Clara Wilmer, ordered that Chas. H. Wilmer, guardian to said Clara Wilmer, pay to said Eliza Brown the sum of twenty-four dollars per annum for maintenance and schooling of said ward, and that the said Eliza care for and keep said ward until further orders.

LOSS BY FIRE.—On Wednesday, about 11 o'clock in the forenoon, the barn, stable, carriage-house, sheds, overseer's house, and all the outbuildings except the meat-house, on the home farm of Mr. Horatio Beck, were destroyed by fire. Mr. Beck was engaged in threshing his wheat crop, and the fire was kindled by a spark from the engine, which fired a straw-thatched shed. The larger part of Mr. Beck's wheat, (some twelve hundred bushels,) his straw, farming implements, reaper, one horse and a colt, were entirely consumed. Two other horses were badly burned. Mr. Beck's loss is between five and six thousand dollars. He is insured to the amount of $1,365 in the Kent Mutual Fire Insurance Company of Kent County.

We are informed that the engine was burning cobs at the time, which is considered dangerous fuel to use on a threshing floor; in fact, the practice of threshing by steam near buildings, should be abandoned by farmers.

A So-Called Greeley Bargain.

The New York Tribune of yesterday gives an emphatic denial to what it calls the "Binghampton Republican's roorback," the whole gist and force of which was that a bargain or compact, or some sort of arrangement had been made between Horatio Seymour and some one else, whereby Seymour was to be made Secretary of State in case of Greeley's election to the presidency. For a year prior to the Cincinnati Convention men of divers politics had written to Mr. Greeley suggesting him as a candidate for the presidency; but the Tribune says he wrote to no person whatever, except in reply to those solicitations, and never named himself, except to say that he did not think the opposition to General Grant could be concentrated on him, (Mr. Greeley.)—The Tribune adds:

"If any one has any letters from him of a different tenor from these, no matter how confidential, we are authorized to pronounce their statements grossly untrue. He never desired any person on earth to get up a meeting in his behalf. He never invited any person to visit New York in order to confer with him on the subject of the presidency. And he never invited any person to visit Horatio Seymour or any one else in order to win his favor or secure his support for any office whatsoever. We repeat that, while quite a number have addressed Mr. Greeley on this subject, and some of them have evinced a dispositon to run where they were not sent, Mr. Greeley has pursued the even tenor of his way, and oftener repelled than invited proffers of support for the presidency. If any one has letters from him which are alleged to conflict with this statement, now produce them or be forever silent."

Curious Case.

An interesting case for heads of families in England, if not in this country, came before the Court of Queen's Bench at Westminster recently, raising as it did the important question as to the liability incurred by removing persons suffering for infectious diseases, so as to endanger the health of the public. The plaintiff was a lodging-house keeper at a sea-side resort, Eastbourne, and the defendant, a gentleman residing in London. The action was brought to recover damages for the losses sustained by the plaintiff through the death of his children and illness of his wife, and also from his being prevented from letting his lodging, in consequence of the defendant having brought his family into the house where they were suffering from scarlet fever, without stating the fact. The jury returned a verdict for the plaintiff, damages $675, with leave to move on both sides.

Mr. Greeley Coming to Baltimore.

Baltimoreans who have seen Mr. Greeley at the liberal headquarters in New York report that the sage of Chappaqua will certainly come to Baltimore and deliver an address on what he knows about farming in October, when the next agricultural fair is held at Pimlico. Mr. Greeley says he will be sure to come, as he made the engagement before he was a presidential candidate. He evidently expects pleasure from the visit, and it is intimated in several quarters that his reception will be an enthusiastic event. The "Ida Greeley Grays" should turn out.—*Balt. Sun.*

The Committee have selected a site which is most eligible, being but a few minutes' walk from Buck Neck Wharf, directly on the stage route from Chestertown to the above named Landing, and about two miles from Worton Station on the Kent Co. Railroad.

Ayer's Cathartic Pills,

For the relief and cure of all derangements in the stomach, liver, and bowels. They are a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral whatever. Much serious sickness and suffering is prevented by their timely use; and every family should have them on hand for their protection and relief, when required. Long experience has proved them to be the safest, surest, and best of all the *Pills* with which the market abounds. By their occasional use, the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by *Ayer's Pills*, and stimulated into action. Thus incipient disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution, or diet, or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these *Pills* rapidly cure:—

For Dyspepsia or Indigestion, Listlessness, Languor, and Loss of Appetite, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For Liver Complaint and its various symptoms, **Bilious Headache, Sick Headache, Jaundice or Green Sickness, Bilious Colic and Bilious Fevers,** they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For Dysentery or Diarrhœa, but one mild dose is generally required.

For Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back, and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For Dropsy and Dropsical Swellings, they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppression, a large dose should be taken, as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

Ayer's
Hair Vigor,
For restoring to Gray Hair its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *It soon restores faded or gray hair to its original color, with the gloss and freshness of youth.* Thin hair is thickened, fallen hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed; but such as remain can be saved by this application, and stimulated into activity, so that a new growth of hair is produced. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning grey or falling off, and consequently prevent baldness. The restoration of vitality it gives to the scalp arrests and prevents the formation of dandruff, which is often so uncleanly and offensive. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre, and a grateful perfume.

PEACH BASKETS.
PEACH Growers and Shippers are respectfully informed that we are now manufacturing the justly celebrated "Mitchell Patent Peach Basket." This Basket is constructed on a principle which prevents the fruit from settling or crushing, and is positively endorsed and recommended by all the leading Commission Houses in New York and Philadelphia as the best Basket in use. Our Baskets are made of the choicest material, and none but the best experienced workmen will be employed in their construction; and we desire to call special attention to the fact that we are using in the basket this season a malleable nail, manufactured expressly for our use, and which adds materially to its firmness, strength and durability.
Having purchased the newest and most improved basket machinery, we are prepared to sell the *best* basket in the market, at a price that will defy competition. Our facilities are such that we can make 5000 baskets daily, all of which will be thoroughly inspected before leaving the factory. Orders may be sent to
