Johnny's Opinion of Grandmothers.

Grandmothers are very nice folks;
They beat all the aunts in creation,
They let a chap do as he likes,
And don't worry about education.

I'm sure I can't see it at all,
What a poor fellow ever could do
For apples, and pennies, and cakes,
Without a grandmother or two.

Grandmothers speak softly to "ma's"
To let a boy have a good time;
Sometimes they will whisper, 'tis true,
T'other way, when a boy wants to climb.

Grandmothers have muffins for tea,
And pies, a whole row, in the cellar,
And they're apt (if the know it in time)
To make chicken pies for a "feller."

And if he is bad now and then,
And makes a great racketing noise,
They only look over their specs
And say, "Ah, these boys will be boys.

"Life is only so short at the best;
Let the children be happy to-day."
Then they look for a while at the sky,
And the hills that are far, far away.

Quite often, as twilight comes on,
Grandmothers sing hymns, very low,
To themselves as they rock by the fire,
About Heaven, and when they shall go.

And then, a boy stopping to think,
Will find a hot tear in his eye,
To know what will come at the last;
For grandmothers all have to die.

I wish they could stay here and pray,
For a boy needs their prayers ev'ry night,
Some boys more than others, I s'pose;
Such as I need a wond'rful sight.

—*Little Sower.*

Manners of the Day.

A writer in the Chicago Times deplores the lack of courtesy in these days, and illustrates as follows:

You step into a Justice's office. A young man sits near enough to a desk to make a foot-rack of it, reading a paper. You are after the justice, and you ask, in a tone greatly modulated by experience of former rebuffs, if he is in. You stand in waiting until the young man has finished his paragraph, when he kindly gives you the benefit of a casual inspection, and resumes his paper, incidentally remarking he thinks not.

Put upon, but not discouraged, you resume.

Feebly, 'Can't say,' devouring another paragraph about a boy being chawed up by a dog in Iowa. In doubt whether you may safely ask another question, you still muster up courage enough to inquire:

'Where would I be likely to find him?'

Without looking up:

'In Milwaukie.'

Irritated by this cool trifling with your time and patience, you demand:

'Could you not have said as much at first?'

Imperturbably, 'If I'd been asked I could, old boy.'

And you, who had thought yourself able to stand before kings, retired from this bold, brassy boy, discomfited.

A gentleman of my acquaintance, of the very finest sensibilities; and one to whom a word is severer than a blow, went with a lady friend to a great depot in this city to help her off on a journey. He went first to have her baggage checked. Pointing out her trunk to the man in charge, the only reply made was the solitary word—

'Ticket.'

Not comprehending exactly what was meant he stood a moment, as one who is in doubt, expecting an explanation. It came—

'Go and get your ticket if you want your baggage checked!' roared the man in the coarse, hard tone of a ruffian.

My friend got the ticket and returned. The trunk was put on the scales and proved to be over-weight.

'Dollar!' ejaculated the man.

My friend, you know, innocently supposed that the baggage went with the passenger without extra charge, and therefore thought he was being defrauded. So he said—

'I think I'll not pay the dollar. I'll take the trunk back and send it by express.'

'No you won't,' said the baggage man, 'you'll pay the dollar.'

And he did.

A young man saw a card in a window: 'Four neckties for a quarter.' That being about the amount he felt able to squander on neck wear, he stepped in. A plumped and bedeviled knight of the ribbon stood behind the counter, and seemed utterly oblivious of the young man's approach until addressed.

'I would like some of those neckties,' said the young man.

'How many?' asked the clerk.

'Four.'

'We can't make anything selling these neckties four at a time,' said the young man in a petulant way. We frequently lose a large sale by attending to these —— neckties.'

'I wouldn't keep them,' said the young man. 'And if I kept them, I wouldn't advertise them in the window, 'four for a quarter.''

'The —— you wouldn't,' said the milk-eyed, pleasant-spoken clerk, as with one gyration of his attenuated, shadow grown form whisked the neckties back into the show window and went placidly back to his ogling.

The young man thinks that was the promptest dry goods prince he has ever met, even in Chicago.

Never attempt an interview in the presence of your sweetheart. Her hero, punctured, suffers a collapse.

Never approach a peeler with your hat on. He will arrest you for contempt.

Never approach one with your hat off. Meekness and civility are his meat and drink.

If you seek directions from one seek it from two. As they will not agree ask a third. To the sum of their difference add what you before knew, and you will be in a condition to go and look at a directory.

To make an interview perfectly safe and eminently satisfactory, get yourself up in a loud and dashing style. Buff trowsers, parigated waistcoat—'Dolly Varden' necktie. Take on a swagger, a look of weariness, she—but, then, unless you take blood in your eye you will not succeed.

VINEGAR BITTERS
VEGETABLE FREE FROM ALCOHOL
PURELY CALIFORNIA
D. WALKER'S
EUREKA
VINEGAR BITTERS

J. WALKER, Proprietor. R. H. McDONALD & Co., Druggists & Gen. Agents, San Francisco, Cal., and 32 Commerce St., N.Y.

MILLIONS Bear Testimony to their Wonderful Curative Effects.

Vinegar Bitters are not a vile **Fancy Drink,** Made of **Poor Rum, Whiskey, Proof Spirits and Refuse Liquors,** doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, **free from all Alcoholic Stimulants.** They are the **GREAT BLOOD PURIFIER and A LIFE GIVING PRINCIPLE,** a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Tonic, possessing, also, the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and of all the Visceral Organs.

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. **Such Diseases** are caused by **Vitiated Blood,** which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid Liver and Bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effect.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

PIN, TAPE, and other **WORMS,** lurking in the system of so many thousands, are effectually destroyed and removed.

Ayer's Cathartic Pills,

For the relief and cure of all derangements in the stomach, liver, and bowels. They are a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral whatever. Much serious sickness and suffering is prevented by their timely use; and every family should have them on hand for their protection and relief, when required. Long experience has proved them to be the safest, surest, and best of all the *Pills* with which the market abounds. By their occasional use, the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by *Ayer's Pills,* and stimulated into action. Thus incipient disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution, or diet, or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these *Pills* rapidly cure:—

For **Dyspepsia or Indigestion, Listlessness, Languor,** and **Loss of Appetite,** they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For **Liver Complaint** and its various symptoms, **Bilious Headache, Sick Headache, Jaundice** or **Green Sickness, Bilious Colic** and **Bilious Fevers,** they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For **Dysentery** or **Diarrhœa,** but one mild dose is generally required.

For **Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back,** and **Loins,** they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For **Dropsy** and **Dropsical Swellings,** they should be taken in large and frequent doses to produce the effect of a drastic purge.

For **Suppression,** a large dose should be taken, as it produces the desired effect by sympathy.

As a *Dinner Pill,* take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

HALL'S VEGETABLE SICILIAN HAIR RENEWER

Every year increases the popularity of this valuable Hair Preparation; which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY OR FADED HAIR to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR DRESSING ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."

THE
EUREKA
FANNING MILL.
The Greatest Invention
OF THE 19th CENTURY!
FARMERS, LOOK TO YOUR INTEREST.

THE attention of Farmers and Mechanics is particularly directed to the combined economy, utility and practicability of the Eureka Mill, and to the many other advantages it possesses over every other Fanning Mill which has been introduced to the public. It is the fruit of long and patient investigation by the inventor, who has made it his constant study for over twenty years. He has secured several patents for Mills, and has always been rewarded with the best of success. But not feeling satisfied with his former attainments, he determined to reach the climax, and he now believes that his new invention will warrant him in exclaiming in the joy of his heart, like the philosopher, Phythagoras; EUREKA, signifying in the Grecian language, "I have found it." This has given the name to this new Mill.

In this Mill are all the former improvements, to which have been added several more, adding still greater advantages than were at first anticipated, or even thought possible by the inventor himself. It embraces the three great essentials necessary in every invention.

It combines Utility, Economy and Practicability!
THE EUREKA MILL
Is small and lighter, and is capable of doing more and better work in a given time than any other Mill ever invented. It is the only Mill that will successfully remove from wheat such pests as Cockle, Garlic, Oats, Rye, &c.

Should an extra quality of grain for seed or gristing purposes be required, it can be so arranged as to catch in one box perfect grain, and in the other, grain fit for market or mill. Here is made a great saving usually lost sight of: for nearly one-quarter of the grain cleaned in the common Mills is lost when sown, on account of shrunken kernels and inferior grain. The Eureka Mill saves all this, and gives seed every kernel of which will grow when put into the ground, and this saving will, in a short time, pay for the Mill.

HINES & BURCHINAL,
Chestertown, Md.,
Owners of the Mill, are having them manufactured at the Sash Factory and Planing Mill of NOLAND & Co., Port Deposit, Md., which is a guarantee they will be put up in the very best manner.
