DEPARTMENT.

We have received from Prof. ALEX. HOGG, formerly of Washington College, a very handsome card on which is a representation of the State Agricultural College of Alabama, of which Mr. Hogg is now Professor of Mathematics. The College is endowed by the State and has a faculty of six instructors. We learn that Mr. Hogg's efforts before the State legislature were chiefly instrumental in procuring the selection of his College as the State school.

PROTRACTED MEETING.—A Protracted Meeting at the Meth. Epis. Church in this town, which commenced last Sunday, has been going on, at night, throughout the week. We presume it will be continued next week.

IMPROVEMENT ON HIGH STREET.—The march of improvement in Chestertown, for the New Year, has been inaugurated by our go-ahead fellow-citizen, Mr. John L. Stam, in the erection of what will be, when finished, a neat and comfortable house, as well as a great improvement. The building (the frame of which is already up and weather boarded) is two stories high, of good depth, and designed for a store and dwelling, for which purpose it will be used as soon as finished. It is next to Mr. N. G. Westcott's store. Messrs. John T. Dodd & Son, the well-known, energetic contractors and builders, are doing the work.

FIRT VICE PRESIDENT OF THE PHILADELPHIA AND READING RAILROAD COMPANY.—It gives us pleasure to announce that Mr. John W. Jones, a native of this county, the son of the late Hon. Daniel Jones, has been elected First Vice President of the Philadelphia and Reading Railroad Company, one of the most influential and wealthy corporations in the country. Mr. Jones has for some years held official position in the Company, which testified its high appreciation of his talents and fidelity as an officer by from time to time promoting him.

OPENING OF NAVIGATION.—The very mild weather of the present week has had the effect of raising the long-continued ice embargo. The river here is all clear, and has been so since Thursday, the high south wind and tide of that day pretty effectually breaking up and carrying off the floating ice. One of Capt. Taylor's vessels, which was caught down the river at the commencement of the freeze, came up to the wharf here without difficulty, Thursday, so the whole river is no doubt open.

ACCIDENT TO A LOCOMOTIVE.—The locomotive belonging to the Kent road one day this week while on the way down from Wilmington, where it had been undergoing repairs, was thrown off the track near Massey's, by the displacement of a switch. After leaving the track the engine continued to run for about a hundred yards, bumping and thumping terribly over the ties. Fortunately, when about to plunge down the embankment, a stout friendly telegraph pole prevented the catastrophy, and the engine now reclines on the brink of the bank, but so much injured that another trip to the machine shop will have to be made before it will be ready for service on the road.

JANUARY TERM of the Circuit Court for Kent county, commences on Monday next. This being the intermediate term a jury will not be in attendance. There no business of special interest that we e aware of.

ORPHANS' COURT.—Present, Judges Beck, Scott and Hepbron.

The Court passed a number of claims against the estates of deceased parties.

Mary Jones, admr'x. of Rd. Jones, late of Kent county, dec'd., returned an inventory of the personal estate of dec'd., which was received and ordered to be recorded; and on application she was authorized to take the same at the appraised value.

The last will and testament of Lemuel Skeggs, late of Kent county, dec'd., was admitted to probate. Letters of administration, C. T. A., were granted to Sewell Hepbron, (the executor appointed by the will having filed his renunciation,) who gave bond with Louis S. Hepbron and J. R. Stavely, as sureties, in the penalty of twelve hundred dollars. James A. Roseberry and William Hepbron were appointed to appraise the said estate. The usual notice to creditors was ordered.

The release of Robert S. Griffith, trustee for Sarah Caulk, to Wm. J. Griffith, dec'd., was filed and ordered to be recorded.

The admrs. of Joseph W. Webb, late of Kent county, dec'd., were authorized to transfer or sell ten shares of stock of the Farmers' and Mechanics' Bank of Kent county, standing in the name of the said Jos. W. Webb.

On application, ordered that Mary E. Brown, guardian to Mary C., Hiram M., Ann R. and Henry C. Brown be, and she is allowed the sum of two hundred dollars for the board of each of her wards per year.

Thos. L. Britton, executor of the last will and testament of William F. Smith, late of Kent county, dec'd., returned his fifth and final admr. account, and third dividend, which was passed and ordered to be recorded.

Tilghman Slafer, admr. of Henry C. Rile, late of Kent county, dec'd., returned his third administration account, which was passed and ordered to be recorded.

William H. Roberts and Robert S. Griffith, administrators of John T. Roberts, returned their second and final admr. account, which was passed and ordered to be recorded.

S. Franklin Smith, admr. of Samuel A. Smith, returned an additional admr. account, which was passed and ordered to be recorded,

S. Franklin Smith, guardian to Emma, William H. and George E. Smith, returned his separate guardian accounts for the year 1872.

Mary E. Brown, guardian to Mary C., Hiram M., Ann R. and Henry C. Brown, returned her separate guardian accounts for the year 1872, which were passed and ordered to be recorded.

William G. Trew, guardian to Thomas T., William T., Henry Comegys and Elizabeth S. Brown, returned his separate guardian accounts for the year 1872; passed and ordered to be recorded.

PENINSULA ITEMS.

CECIL COUNTY.

George Biddle Esq. has been appointed School Commissioner, by the Court, to fill the vacancy caused by the resignation of G. W. Cruikshank.

The Democrat says: A young lady of Elkton, rubbing her face against the protruding bristles on the arm of the sofa upon which she was reclining, remarked "That it reminded her of a man's face that wanted shaving." When she was last seen before retiring she was still rubbing.

Mrs. Steele an aged lady residing near Blue Ball, in the Fourth District, was burned so badly last week as to cause her death. She was standing on the hearth warming herself, with her back to the fire, when her clothing ignited, and before the flames could be extinguished the injuries proved fatal.

Clearing out Elk River Channel.—Mr. Craighill, U. S. Engineer, has written a letter to a gentleman stating that he has been ordered by Congress through the War Department to make a survey of the Elk River, in compliance with a petition from the citizens of Elkton, for an appropriation from Congress to clear the channel of said river for navigation.

QUEEN ANNE'S COUNTY.

I. O. O. F.—The semi-annual election of the officers of St. Tammany Lodge of Odd Fellows took place on Wednesday.—The officers chosen for the several positions are: C. H. Clash, Noble Grand; J. J. Hall Vice Grand; Wm. W. Busteed, Secretary; James B. Palmer, Treasurer; George S. Palmer, Warden; P. F. T. Blake, Chaplain; John T. Hand, Conductor; James H. Straughn, O. G.; M. Kahn, I. G.; John M. Brown and John Davis, Supporters to Noble Grand; A. H. Wright, and Jacob W. Bullen, Supporters to Vice Grand; E. H. Brown and William T. Spence, Scene Supporters; J. W. Thompson, Representative to Grand Lodge.

TALBOT COUNTY.

A private dispatch from Easton to the Baltimore Sun says:

Mr. Richard Tilghman, of Dundee, in that county, was drowned Tuesday morning while crossing the river on the ice.—He was accompanied on the ice by a lady, who was rescued.

The Star says: Mr. Robert Robinson, living with Mr. Standfield, near Royal Oak, was taken with a fit a few days ago and fell into the fire. Mr. Standfield, a blind man, was in the house with him, and supposing he smelt something burning like hair, felt towards the fire, discovered the situation of the unfortunate man and extricated him from death. He was badly burned about the face. Dr. R. M. Dawson is treating the case. It is feared that Mr. Robinson will lose one of his eyes by the accident.

CAROLINE COUNTY.

The Journal has reason to believe that the small-pox is, and has been for some time in the neighborhood of Denton.—There have been several cases and one death from it.

A Sad Accident.—Mrs Nancy. Leverton, widow of Lemuel Leverton, on the 28th of December last, at her son's, John Wilson, fell down stairs and breaking her spectacles, which she had on at the time, sticking the fragments into her head.—She spoke but a few words afterwards, and died the next day. She was a sister to the Rev. Sol. Kenton, deceased. She was 71 years of age, and has been an exemplary christian from early youth up to the time of her death.

MRS. LYDIA SHERMAN, who was recently sentenced to the Connecticut State Prison for life for murdering three husbands and several children, has made a full confession of her crimes, and now coolly admits that she successfully tried her skill in poisoning upon eight persons. This enterprising female seems to have done a wholesale business in the killing line, and yet she managed to escape a conviction of murder in the first degree, and thereby escaped paying the penalty of her crimes upon the gallows.
