OUR LOCAL DEPARTMENT.

ORPHANS' COURT.—Present, Judges Beck, Scott and Hepbron.

The Court passed a number of claims against the estates of deceased parties.

Jacob Highley and Wm. Welch returned their report of the annual rental value of the real estate of Margaret S., May E. and John L. Wethered, minors, in the hands of Charlotte S. Wethered, their guardian, which was received and ordered to be recorded.

On application, ordered that the indentures of Philip Hacket, colored, an indentured apprentice to Dr. James A. Perkins, be and the same are hereby cancelled.

Rebecca V. and Franklin M. Gooding, admrs. of Aaron M. Gooding, returned an inventory of the personal estate of dec'd., which was received and ordered to be recorded. The same was ordered to be sold at public sale after the store goods are sold in the ordinary way of business.

Edwin Smith, exect. of John P. Smith, returned his third account, which was passed and ordered to be recorded.

Robert J. Lusby, exect. of John Lusby, deceased, returned his first account, which was passed and ordered to be recorded.

THE WEATHER—Is certainly variable: on the 30th ult., the thermometer marked zero, on Tuesday last, five days afterward, we had a high temperature and a thunder storm.

RELIGIOUS.—The protracted meeting at the Methodist Episcopal Church closed last week. Number of conversions small.

At the Methdist Protestant Church the meeting commenced last Sunday night and has been going on during the week. Congregations large. Several conversions have taken place. J. T. Murray, D. D., of Baltimore, is expected to be present the coming week.

THE colored man reported in our last issue with the small pox, died on Monday last. There have been no additional cases, and we presume our town may be considered free once more from this terrible disease.

A singular case of negro superstition occurred, in connection with this case. The negro man employed by the town authorities to take care of the sick man was required to bury his old clothes in which which he nursed: they were deposited in the grave of the deceased, and the following night Griffin opened the grave, took out his clothes and threw them into the branch. The reason he assigned for his action was that it was bad luck to have his old clothes deposited in a grave.

CONSTRUCTION OF LAW IN REGARD TO VACCINATION.—On Tuesday last a decision was made in the Baltimore City Court, by Judge Gilmor, in a case which arose under the "Act for the protection of the people of the State from the ravages of the Small Pox." The parties were Dr. Worthington vs. the Mayor and City Council of Baltimore, Dr. Worthington having sued the city to recover $35.50 for services in vaccinating seventy-one children whose parents were unable to pay, being at the rate of fifty cents for each vaccination. Judge Gilmor decided that under the provisions of the act of 1864, chapter 269, every practicing physician in the State is bound, under a penalty of five dollars for each refusal, to vaccinate all children who may be presented to them for vaccination within one year after birth, if in proper condition, and all persons not previously effectually vaccinated who may apply to them for vaccination within the circle of their practice; and that when the parents or guardians of the minors vaccinated are not able to pay, the county commissioners or the city council of Baltimore, as the case may be, shall pay the physician at the rate of 50 cents for each vaccination.

This decision is of interest to our medical men at this time, from which they learn that they are compelled to vaccinate all children, &c., under a penalty, and that the County Commissioners must pay the physician at the rate of fifty cents for each vaccination.

ARRIVAL OF SALMON EGGS.—The agent of the German government has arrived at New York with 750,000 salmon eggs, 250,000 of which are a present from the German to the American government, the balence being purchased by the government from private parties. But a small percentage were found to be dead on unpacking the eggs. The Herald says:

"They were carefully packed with moss in sixty large boxes, the whole occupying on board ship 280 cubic feet. Those specially presented by Germany were packed at the government establishment in Huntingen on the Rhine. Those purchased by our government were packed at the establishment of Mr. Schuster, in Frinburg, the original cost being $2 per thousand a very small price, it is considered, compared with the Canadian price, which has been $40 per thousand. The boxes were conveyed to Dr. Slack's hatching establishment at Bloomsbury, N. J., to be picked over, and the sound eggs repacked and distributed to the rivers in States where the water is suitable for the growth of salmon. This distribution will include the States of Maine New Hampshire, Vermont, Connecticut, New York, New Jersey, Ohio, Wisconsin, Pennsylvania and Illinois.

HORACE GREELEY'S GRAVE.—Two crosses of cedar-roses are all that remain to mark the spot where lie the remains of the late Horace Greeley, in Greenwood Cemetery. Attached to one of the crosses is a card with these words: "To-day the will of God elects him to a place from which all human honors look small and dim."—*Chapin.*

PENINSULA ITEMS.

CECIL COUNTY.

Locked Jaw.— F. Wallace Davis, who cut his hand severely while butchering about two weeks ago, was seized with locked jaw on Monday last, from which he died on Friday morning.

The Presbyterian congregation of Elkton have called the Rev. W. B. Herberton with an annual salary of $1,000. He was lately stationed at Brandywine Manor, Chester County Pennsylvania.

The Democrat says: The unparallelled cold weather of Wednesday morning last, when the mercury fell as low as 12° below zero, had a remarkable effect on two poplar trees, standing one in the lawn and another at the gate of Mr. Samuel McIntire, who resides on the Glasgow road, a short distance beyond the Maryland State line in Deleware. Mr. McIntire, who states that about the time he was getting up he heard a loud report, seeming to come from the tree in the lawn. When light dawned, he went out and examined it, and found that the trunk, from the ground upward, a distance of twenty or more feet is burst asunder as if by a huge wedge, or the explosion of nitro-glycerine. This tree and the one at the roadside, split in the same manner, are silver poplars in vigorous growth, and measuring nearly three feet across.

QUEEN ANNE'S COUNTY.

The meetings at the M. E. Church Centreville have been continued for three weeks without any material success.

The meeting on Tuesday the 28th ult., in reference to the Ship Canal was not largely attended. It was addressed by James T. Earle, Dr. W. C. Davidson, Wm. P. Corsa of Milford Delaware.

A daughter of Mr. Starkey, aged ten years, who resides near Church Hill, met with a horrible death on Wednesday of last week. During the absence of her mother (who had ridden out in a sleigh for a few minutes), she had occasion to lift a vessel containing water from the fire, at which time her clothes took fire, and before timely aid could be rendered her body was so charred that death relieved her in a very few minutes, after she had bid her little sister an affectionate adieu.

CAROLINE COUNTY.

T. H. Kemp has sold his fishery on the Choptank river near Denton for $1,000.

Several deaths from small-pox have occurred in this county Mrs. Cade, in the 80th year of her age, died suddenly on the 28th ult.

WICOMICO COUNTY.

[From the Advertiser.]

The question of building a Town Hall in Salisbury, is now being agitated.

New Crate and Basket.—Our fellow townsmen Mr. Humphrey Humphreys and Dr. E. W. Humphreys, have recently patanted a crate and basket for the shipment of fruit, which it is claimed, possess great superiority over all others in use.

Facts for the Curious.—In 1865-66 the gentlemen of our town smoked ten cent cigars. In 1867-68 they sported meerschaum pipes, and five cent Connecticut wrappers. In 1869-70—briar root pipes and five cent cigars. In 1871-72 fancy clay pipes with long reed stems, and five cent cigars. And now in 1873, they have come down to the plain clay and best Lynchburg tobacco.

EXPLANATION.

In '65-66, greenbacks were almost as plentiful as oak leaves. '67-68, greenbacks were growing beautifully less. In '69-70, greenbacks were fading. In '71-72, greenbacks were almost out of sight; and now, greenbacks have vanished.

New Telegraph Line.—The Wicomoco & Pocomoke Railroad company have contracted with the Western Union Telegraph company for the erection of a telegraph line from Salisbury via Berlin to Snow Hill. Orders for the necessary polls have been given out, and as soon as they are procured work will be commenced and pushed forward rapidly until the line is completed.

WORCESTER COUNTY.

The Newtown Record says: There was a freight train of 24 cars passed over the Eastern Shore R. R. yesterday, from Princess Anne. Sixteen cars were loaded with freight from Norfolk, Va., among which were sixteen cars of live turkeys.

THE AMERICAN FARMER for February is at hand filled as usual with practical, useful matter for all departments of rural life, its numerous correspondents including men of the highest authority on the subjects upon which they write. The "Farmer" is a substantial, solid journal, devoted entirely to agriculture and kindred pursuits, and is well worthy the support of our thoughtful farmers. Published by Sam'l. Sands & Son, Baltimore, Md., at $1.50 a year, or at $1 in clubs of five or more, with handsome premiums to clubs. Specimen numbers sent free.

MANNERS.—Before you bow to a lady in the street permit her to decide whether you shall or not, by at least a look of recognition.

"Excuse my gloves," is an unnecessary apology for the glove should not be withdrawn to shake hands.

When your companion bows to a lady you do also. When a gentleman bows to a lady in your company, always bow to him in return.

A visit must be returned in like manner, even though no intimacy is intended.

A smiling countenance is pleasant; but excess of laughter should be avoided, especially when it is possible for any one to suppose himself derided by it.

It is stated that Samuel Sinclair, late publisher of the New York Tribune, has gone into bankruptcy.
