Land Sales next Tuesday.

TRUSTEE'S SALE.

BY VIRTUE of a Decree of the Circuit Court for Kent county, in Chancery, passed in a cause in said Court wherein C. C. Brown, admr. C. T. A. of Mary E. Brown, dec'd., is complainant, and C. I. B. Mitchell is defendant, the undersigned as Trustee, will offer at Public Sale, on

Tuesday, the 18th of March,

1873, at the Voshell House, in Chestertown, at 3 o'clock, P. M.,

All THAT VALUABLE FARM
ON EASTERN NECK ISLAND,

in Kent county, Md., belonging to C. I. B. Mitchell, Esq., of Queen Anne's Co., Md., called "Wickliff," and containing

600 ACRES,

more or less. This Farm adjoins the lands of the late James P. Wickes, Mrs. Robert Bogle, and others.

About 60 acres is covered by *HEAVY PINE TIMBER*—very valuable—and there is about 50 acres of Marsh, which affords excellent early pasturage. The residue is arable land of the best quality, and in a high state of cultivation, the soil being adapted to all the cereals and Fruits.

This Farm has the reputation of being one of the most productive in the county, and many peach growers say that the soil of Eastern Neck Island produces the finest quality of Peaches; while the surrounding salt waters at the mouth of the Chester River render the yield comparatively certain.

The Farm is divided into a convenient number of fields, and is under good fencing.

THE BEACH on this Farm affords fine shooting and fishing, and rents annually at a large price.

COCKEY'S ISLAND is included within the lines of this farm, and is a celebrated Shooting Point for Swan, Geese, and Ducks. There is a good Shooting House on the shore, arranged for the accommodation of parties.

OYSTERS and FISH, of the best quality, within easy reach from the shore.

The improvements are a two story *BRICK DWELLING*, in good repair, with the usual Out-buildings, which are new and good, and ample for the farm.

THE TERMS prescribed by the Decree are as follows: Five thousand dollars to be paid in cash on the day of sale, and the balance in two equal instalments, in one and two years from the day of sale; the credit payments to bear interest from the day of sale, and to be secured by the bond of the purchaser with approved security. The purchaser to be at the cost of the deed.

The cash payment may be deferred 30 days to suit purchaser.

Possession given on the ratification of the sale.

Trustee's Sale
OF
TOWN PROPERTY.

BY Virtue of a Decree of the Circuit Court for Kent county, as a Court of Equity, the undersigned, as Trustee, will offer at Public Sale, on

Tuesday, the 18th of March,

at 12 o'clock, M., at the Voshell House, in Chestertown, all

THAT LOT OF LAND,

with the improvements thereon, now in the occupation of Geo. W. Parks, and situated on High street, adjoining the property of Mrs. Deborah Parsons, and others, being the same property described in two deeds from Richard Hynson, Trustee to Thomas A. Hudson, dated October 13th, 1872.

THIS LOT has a front of 62 feet 7½ inches on High street, and a depth of 115½ feet.

It is improved by a new and comfortable DWELLING HOUSE, adjoining which is a

NEW BLACKSMITH SHOP,
WITH WHEELWRIGHT SHOP
IN THE REAR.

The stand is an excellent one for this trade, being the first in the town on the road leading to Winland's Mill, and very near the Rail Road Depot.

The property will be divided into two parcels, one containing the Dwelling and the other the Shops, and will be offered as a whole and in parcels, and sold according to the highest aggregate bid in either case. Plots will be exhibited at the sale.

THE TERMS prescribed by the Decree are as follows: Eight hundred dollars to be paid in cash on the day of sale, and the balance in six and twelve months from the day of sale, in equal instalments, with interest from day of sale. The credit payments to be secured by the bond of the purchaser with approved security.

The deed to be paid for by the purchaser.

Possession given on the ratification of the sale.

Parcel of Land

situated in Kent county, in the Third Election District, on the public road leading from Chestertown to Bacchus' Mill, and adjoining the lands of Major Rich'd. Smyth, A. B. Jump, and others, belonging to Capt. Isaac S. Rogers, and

CONTAINING 18 ACRES,

more or less, which is fully described in a deed from John S. Constable, executor of Wm. S. Constable to John Lusby, dated February 21st, 1865, and duly recorded in the Land Records for Kent county.

Ayer's *Hair Vigor,*

For restoring to Gray Hair its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *It soon restores faded or gray hair to its original color, with the gloss and freshness of youth.* Thin hair is thickened, fallen hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed; but such as remain can be saved by this application, and stimulated into activity, so that a new growth of hair is produced. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning grey or falling off, and consequently prevent baldness. The restoration of vitality it gives to the scalp arrests and prevents the formation of dandruff, which is often so uncleanly and offensive. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre, and a grateful perfume.

Ayer's Cherry Pectoral,

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Among the great discoveries of modern science, few are of more real value to mankind than this effectual remedy for all diseases of the Throat and Lungs. A vast trial of its virtues, throughout this and other countries, has shown that it does surely and effectually control them. The testimony of our best citizens, of all classes, establishes the fact, that CHERRY PECTORAL will and does relieve and cure the afflicting disorders of the Throat and Lungs beyond any other medicine. The most dangerous affections of the Pulmonary Organs yield to its power; and cases of Consumption, cured by this preparation, are publicly known, so remarkable as hardly to be believed, were they not proven beyond dispute. As a remedy it is adequate, on which the public may rely for full protection. By curing Coughs, the forerunners of more serious disease, it saves unnumbered lives, and an amount of suffering not to be computed. It challenges trial, and convinces the most sceptical. Every family should keep it on hand as a protection against the early and unperceived attack of Pulmonary Affections, which are easily met at first, but which become incurable, and too often fatal, if neglected. Tender lungs need this defence; and it is unwise to be without it. As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of Childhood, CHERRY PECTORAL is invaluable; for, by its timely use, multitudes are rescued from premature graves, and saved to the love and affection centred on them. It acts speedily and surely against ordinary colds, securing sound and health-restoring sleep. No one will suffer troublesome Influenza and painful Bronchitis, when they know how easily they can be cured.

Originally the product of long, laborious, and successful chemical investigation, no cost or toil is spared in making every bottle in the utmost possible perfection. It may be confidently relied upon as possessing all the virtues it has ever exhibited, and capable of producing cures as memorable as the greatest it has ever effected.

THE
EUREKA
FANNING MILL.

The Greatest Invention
OF THE 19th CENTURY!

FARMERS, LOOK TO YOUR INTEREST.

THE attention of Farmers and Mechanics is particularly directed to the combined economy, utility and practicability of the Eureka Mill, and to the many other advantages it possesses over every other Fanning Mill which has been introduced to the public. It is the fruit of long and patient investigation by the inventor, who has made it his constant study for over twenty years. He has secured several patents for Mills, and has always been rewarded with the best of success. But not feeling satisfied with his former attainments, he determined to reach the climax, and now he now believes that his new invention will warrant him in exclaiming in the joy of his heart, like the philosopher, Phythagoras, EUREKA, signifying in the Grecian language, "I have found it." This has given the name to this new Mill.

In this Mill are all the former improvements, to which have been added several more, adding still greater advantages than were at first anticipated, or even thought possible by the inventor himself. It embraces the three great essentials necessary in every invention.

It combines Utility, Economy and Practicability!
THE EUREKA MILL

Is small and lighter, and is capable of doing more and better work in a given time than any other Mill ever invented. It is the only Mill that will successfully remove from wheat such pests as Cockle, Garlic, Oats, Rye, &c.

Should an extra quality of grain for seed or gristing purposes be required, it can be so arranged as to catch in one box perfect grain, and in the other, grain fit for market or mill. Here is made a great saving usually lost sight of; for nearly one-quarter of the grain cleaned in the common Mills is lost when sown, on account of shrunken kernels and inferior grain. The Eureka Mill saves all this, and gives seed every kernel of which will grow when put into the ground, and this saving will, in a short time, pay for the Mill.

HINES & BURCHINAL,
Chestertown, Md.,

Owners of the Mill, are having them manufactured at the Sash Factory and Planing Mill of NOLAND & Co., Port Deposit, Md., which is a guarantee they will be put up in the very best manner.
