OUR LOCAL DEPARTMENT

ORPHANS' COURT.—Present Judges Beck, Scott and Hepbron.

The Court passed a number of claims against the estates of deceased parties.

B. Trew, executor of the last will and testament of Jos. Shriver, dec'd., returned an inventory of the personal estate and obtained an order to sell the same at private sale.

Wm. Perkins and T. C. Boyer, executors of the late Isaac Boyer, (colored) returned their second account, which was passed and ordered to be recorded.

Wm. Perkins, one of the executors of Isaac Boyer, (colored) dec'd., returned the first administration account of Isaac Boyer, dec'd., administrator of Shadrack Nichols, (colored) which was passed and ordered to be recorded.

FIRES.—The high wind of Sunday last was prolific of fires in this locality. The dwelling and out-houses on the farm in Queen Anne's county, belonging to the heirs of E. F. Chambers, deceased, in the tenantcy of Col. Edw. Wilkins, with the out-buildings, were entirely destroyed. Col. Wilkins lost considerable in the way of stores for his peach-picking operations. The dwelling was old and not very valuable.

On the same day, not far from Kennedyville, the dwelling belonging to the heirs of Joseph J. Howard, deceased, was entirely destroyed, the occupant losing nearly every thing of value. The premises were insured to the amount of nineteen hundred dollars.

SALES.—Jas. A. Pearce, Esq., as trustee, sold on Tuesday last, eighteen acres of land, near Belair, for five hundred dollars; purchased by Mrs. S. G. Rogers. At the same time, the lot on High street in this town, at present occupied by G. W. Parks, improved by a dwelling and blacksmith shop, for six hundred and ten dollars: purchased by Mr. J. K. Willis.

AFFRAY.—A difficulty occurred at Maxwell's hotel in Millington on Thursday the thirteenth inst., between William Green of that place, and John S. Walters, of Halltown, Queen Anne's Co., which resulted in Green being severely cut about the neck and breast.

It was thought at first that Green might not survive, but his present condition indicates his recovery.

THE Maryland Annual Conference of the M. P. Conference, which assembled in Baltimore city on the 12th inst., did not adjourn on Wednesday last, as was expected, owing to the unusual amount of business engaging its attention this session. Dr. Murray is to go to Pittsburg, as pastor of one of the largest Methodist churches of that city, at an annual salary (we are informed) of $2,500.00; the young preacher, Mr. Crouse, it is believed is to go Dorchester. Kent Circuit gets R. Scott Norris, of Starr Church, Baltimore, and as the junior preacher a young man named Lewis.

AN EXTRA MEETING has been going on at the M. E. Church every night this week. Rev. Mr. Nelson, in the absence of the pastor, Mr. Milby, preached several evenings.

LARGE FISH.—Wednesday, the 11th inst., Mr. David Elbourn caught in Langford's Bay a rock weighing 80 pounds and measuring five and a half feet. It was shipped to Baltimore per steamer Law, and sold by Messrs. Barkman & Lawder for five dollars.

A LARGE HAUL.—On the thirteenth instant, W. W. Coleman caught at one time 550 bunches of prime white perch.

GERMAN LABOR.—Mr. Morris Ascher, as agent for a club of farmers in the lower district, has gone to New York to procure twenty-five German laborers, men, women and children.

THE firm of Leary & Thompson, at Gray's Inn Creek, shipped on Wednesday morning to Baltimore, by steamer Law, a large lot of plow beams, for Thos. Norris & Son, agricultural implement dealers.

HORRIBLE.—A fatal accident from the careless handling of fire-arms, occurred on an oyster-dredging vessel, from Baltimore, named the Adeline, T. Denning, master, on Thursday night, the 13th inst., whilst lying at anchor near the 'Cliffs' on Chester river. Justice Stanley, of this town, was immediately sent for by the captain of the boat to hold an inquest, and the next morning, in company with Constable S. L. Rawleigh, the 'Squire proceed by land to the vessel, and after an investigation, was satisfied from the circumstances, that holding an inquest was unnecessary. The facts, as we learn, are substantially these: Two of the crew had been ashore gunning in the afternoon and returned about night, laying their guns on the trunk over the cabin. The young man who was killed was lying asleep in a birth, and when the cook announced supper, one of the crew (not yet of age) picked up one of the guns and noticing that there was no cap on it, remarked to the captain, who was standing near, "if this gun is not loaded, I'll wake that fellow up and frighten him," and drawing the ram-rod ran it down the barrel, pronouncing the gun not loaded. Taking a seat on the rail of the boat, he raised the hammer, put on a cap, and reaching forward with the gun at arm's length, ran the barrel through a small grated window in the side of the trunk, to within a few inches of the sleeper's face, pulled the trigger, and instead of frightening him by the explosion of the cap, sent a load of shot through the side of the poor fellow's face and out at the back of his head, making a ghastly wound and causing death without a struggle. The unfortunate man had been but three days on the boat and was a total stranger, the captain and crew not even knowing his name, except his given-name of James. By overhauling his valise, the Justice found three shipping discharges, showing the deceased was a native of Londonderry, Ireland, James McLaughlin by name, and at the time of his death about 22 or 23 years old. His last discharge was dated at Savannah, Georgia, in 1872. A book in his valise showed that he had been employed on the Lynchburg and Danville railroad (as he told the crew) as a freight conductor. The young man whose thoughtlessness had occasioned the terrible occurrence was almost out of his mind on account of it, and the whole crew were greatly affected. The captain had the body buried in the grave-yard at Bond Chapel in Quaker Neck.

THOROUGH-BRED MALES.—We call attention to Dr. Vannort's advertisement in another column, concerning his blooded horse "Legatee."

From a knowledge of his performances and pedigree we can recommend this horse to farmers and others. Nowhere is blood more desirable than on the farm. This horse has no plebian ancestors and his offspring may resemble any one of them and still be good. The very best sire is a sound, good tempered, thorough-bred. There are probably a dozen or twenty such now in the United States, commanding from $100 to $250 for service. Legatee is beyond doubt, a pure thorough-bred, and as good as the best in the country. He is the most perfect horse we have ever seen in this county.

He will be in Millington next Monday afternoon.

SCRIBNER'S FOR APRIL.—The record of "An hour among the Greenbacks," in Scribner's for April, is as entertaining as a story. The unnamed author certainly writes from a thorough acquaintance with his subject, and gives, with the aid of pictures, the best account yet published of the workings of the currency Department. Miss Proctor's profusely illustrated description of "Moscow and Southern Russia" will be read with peculiar interest at this time, as well as the sketch of "An Emperor's Vacation at Vichy." Among the illustrated papers are an article on America's prima donna, Clara Louise Kellogg, with portrait, and "An Ancient American Civilization," with pictures of Peruvian antiquities.—Besides Dr. Holland's serial, "Arthur Bonnicastle," there is a new story by way of fiction, the beginning of a story by Saxe Holm. From George MacDonald there is another beautiful translation from Novalis. In "Topics of the Times" Dr. Holland writes of "The Latin Nations," "Clean Hands," "Lord Lytton" and "Party Virtue." The old Cabinet has a "Protest concerning Catalogues," something about expression etc. Home and Society, Culture and Progress, Nature and Science, and Etchings, are perhaps more interesting than usual.

The May number of Scribner's opens the sixth volume, and, as the publishers say, This is the time to subscribe."

PENINSULA ITEMS.

CECIL COUNTY.

J. M. Hood, the engineer of the Peach Bottom Railway, is suffering from an attack of snow blindness.

On Monday of last week, 5,500 salmon, hatched from ova secured at the headwaters of the Sacramento river, were let into the Susquehanna at the water works wharf, Harrisburg, by Fish Commissioner Worrall and Mr. W. D. Seiler, of Harrisburg. The fish were from one to two inches long and appeared to be exceedingly healthy. The ova of the salmon were hatched by Mr. Slack, of Moorestown, N. J. The fish were conveyed to Harrisburg by rail. 400 or 500 died on the way.

Mr. Jacob A. Howard of Elkton sold at auction on Wednesday of last week, thirteen dairy cows at the following prices:

No. 1, $44; No. 2, Blue Heifer, 4 yrs., old, $40; No. 3, Lee Cow, $39; No. 4, $35; No. 5, $33; No. 6, $29; No. 7, $28; No. 8, $35; No. 9, $35; No. 10, $29; No. 11, $25,60; No. 12, $26; No. 13, $25. One large bull sold for, $19; and another medium size for, $33. The cows were generally old but good milkers and principally fresh. A fine pair of mules was knocked down at, $415;

Old Man.—Thomas Culberson, doubtless the oldest man in the county, is in his 95th, year, in good health, cuts cordwood during the Winter and from all appearances will live several years yet.—He resides in Elk Neck, in the 5th, District.

QUEEN ANNE'S COUNTY.

The *Citizen* says: On Thursday last Commodore Timmons, of the Oyster Police, arrested the Captains of five vessels for oyster dredging in Chester river.—They all had a hearing before Esquire Pippin, of Queenstown, and four of them were fined $75 each, whilst the fifth man was fined $200, being convicted in two cases. We have not learned the names of the parties or the vessels they commanded.

CAROLINE COUNTY.

Infanticide.—The citizens of Greensborough were thrown into a state of excitement on Sunday and Monday last, by the finding by some boys on Sunday, of the body of an infant along the banks of the river. The body, it is supposed, had been buried in the banks some five or six weeks and since the thaw had been scratched up by the dogs, as one of the feet and a leg and one hand had been eaten off. A colored woman named Ellanora Thomas is supposed to be the mother of the child, and so strong is the evidence against her, that a writ was issued for her arrest, but she has disappeared and cannot be found. —*Union.*

Gave Leg Bail—Jake Babes who has been confined in our jail for some time past, charged with petty larceny, and who has likewise been suffering with fits and burning everything within his reach, and who was supposed to have lost his reasoning powers, was removed from prison and sent to the lunatic cell at the Alms House last Thursday. Jake remained very contentedly for a day or two in his new quarters, but he was only planning his escape. On Saturday evening he made a demonstration on the bars of the window in his cell, broke them down and effected his escape, since which time his whereabouts has not been ascertained. He informed a colored man before he took his leave, that this thing of being crazy and having fits, was put on to deceive the officers and make good his escape. He certainly succeeded well in deceiving everybody, even the physicians believing him insane. He has made tracks for Delaware again where we may expect soon to hear of bold and daring charges made on the hen roosts of Delaware's "Blue Hen's Chickens."—*Ib.*

Killed by a Falling Tree.—Erastus Anderson, aged about 72 years, while chopping wood for Mr. Chas. H. Todd, in the fourth election district of this county, was killed by a tree falling upon him on Friday last.

Large White Perch.—Thos. L. Chaffinch caught, in Liden's mill pond, a few days since, a very large white perch. It was 15 inches long, 12 inches in circumference, and weighed 2 pounds.

WORCESTER COUNTY.

Col. Edward Dymock has rented the National Hotel at Snow Hill, and will take hold at once.

One vessel was launched from W. J. S. Clark's marine railway, at Snow Hill, on Saturday, and three others are on the stocks.

Lazarus Maddox, a workman in Rusk's mill near Westover, lost one hand by a circular saw, last week.

WICOMICO COUNTY.

Samuel Heam nearly severed his foot at the instep the other day, while chopping wood.

Herrings are 3 1-2 cents apiece in Salisbury.

The W. & P. R. R., is putting in a turn table at the wharves. This has become necesary by the great increase of business.

Salisbury boasts the most extensive lumber market on the Peninsula.

Another survey of the Wicomico has been made preparatory to the spending of the $5,000 lately appropriated by Congress.

DORCHESTER COUNTY.

Thos. P. Lecompte has resigned the ticket agency of the R. R., at Cambridge, by reason of ill-health, and T. E. Wright has been appointed to the vacancy.

The Odd Fellows will celebrate the 27th of April and T. N. Williams has been chosen orator for the occasion.

The Telegraph Company talks of extending its wires into Cambridge in the Fall.

The fruit buds are uninjured so far.

TRUSTEE'S SALE.

BY Virtue of a decree of the Circuit Court for Kent County, as a Court of Equity, passed on the 10th day of October, 1872, the undersigned, as Trustee, will offer at Public Sale, on

TUESDAY,

The First day of April, 1873,

at 12 o'clock, M., at the Voshell House in Chestertown, all

THAT FARM

belonging to Emily A. Massey and P. H. C. Massey, of Kent county, and where the said B. H. C. Massey now resides,

Containing 405 ACRES,

more or less. This Farm is situated on the public road leading from Sassafras to Millington, and adjoins the lands of R. B. M. Massey, John Benson, and others, and is about one mile from Massey's Station on the Kent County Rail Road. The land is all of the best quality, is highly improved, and in a good state of cultivation. It is divided into six fields, of convenient size, and the Fencing is in good order. There is a fine Hedge on that part of the farm bordering on the public road, and also upon the line of R. B. M. Massey's lands.

THERE ARE

10,000 Peach Trees

on this farm, nearly all of which are in bearing, and five thousand of which are now three years old.

The improvements are a two-story *BRICK DWELLING*, well finished and in good repair, with roomy chambers, ample for a large family; good Barn, Corn Cribs and Stables, with extensive Shedding for cattle.

This Farm is situated in the centre of the Peach growing interest of the county; and fruit can be shipped twice a day by the Kent County Rail Road and the Queen Anne's road. It is also within four miles of Wilson's Point, on the Sassafras river, where communication with Baltimore and Philadelphia is easy and cheap.

The Elkton and Massey's Rail Road, now about to be constructed, will pass very near the farm, and will open another avenue of communication with the cities.

This estate, either as a residence or an investment, offers unusual attractions to purchasers, and an examination is invited.

THE TERMS OF SALE as prescribed by the decree, are as follows:

The sum of five thousand five hundred dollars to be paid in cash on the day of sale, and the balance in two equal instalments in twelve and eighteen months from the day of sale; the deferred payments to bear interest from the day of sale, and to be secured by the bond of the purchaser with a surety or sureties to be approved by the Trustee.

Title indisputable: possession given on the ratification of the sale. The purchaser to be at the expense of the Deed.

I shall in a few days begin sending accounts to parties, with the legal notice to pay, and in all cases, at the expiration of the thirty days, will proceed to collect the same.
