Resolved, That it shall be the duty of the presiding officer of this Convention to appoint an Executive Committee for Kent county, consisting of fifty members, ten from each election district.

Resolved, That said Executive Committee shall co-operate with the State Central Committee, and continue in the performance of its duties until another is appointed by a Convention of the County.

On motion of Mr. Meeks a committee was appointed to nominate permanent officers of the convention. Rev. W. M. Strayer, E. P. Janvier, and C. H. Baker were appointed.

On motion, a committee of five members was appointed by the chair to prepare business for the action of the convention. The chair appointed the following: Howard Meeks, W. M. Strayer, Saml. Burgess, John W. Collins, and Charles Strong.

On motion, the convention adjourned to re-assemble at 3½ o'clock.

Afternoon Session.—The convention met at the appointed hour. The chairman being absent Jas. H. Edes was called to preside. The committee on permanent organization reported as follows:

For President, Hon. George Vickers. Vice Presidents—R. S. Griffith, 1st dist.; A. W. Melvin, 2d; John T. Skirven, 3d; A. W. Sparks, 4th; James H. Edes, 5th. Recording Sec'y., E. P. Janvier; Corresponding Sec., Howard Meeks; Treasurer, C. H. Baker.

The report was accepted and on motion, unanimously adopted.

The minutes of the morning session were read and approved.

The committee on business made their report, as follows:

WHEREAS, The enactment by the Legislatures of several States, of laws giving to their citizens, the right to decide for or against the licensed traffic in intoxicating liquors, and to parties injured by such traffic legal redress, and the general approval of such laws by the people have demonstrated the wisdom, justice and humanity of such legislation, therefore,

Resolved, That we unite with our fellow citizens throughout the State in vigorous efforts to secure similar legislation for the State of Maryland.

Resolved, That we will present no party issue, neither supporting nor opposing any party on pure Temperance ground, at present, but while leaving all men to follow their party preference, we recommend to Temperance men to use all their influence to secure the nomination of honest, and reliable men, who will faithfully represent them in regard to Temperance as well as in other matters.

Resolved, That we strongly recommend to the voters of both parties to place upon their ballots the words, for "local option" to indicate their sentiments, and to instruct the Delegates elected to the General Assembly, as to the course they are expected to pursue. And we hereby request the Judges of Election to count such votes in their return.

Resolved, That as prevention is better than cure, we suggest that Sabbath School Officers and Teachers and also the Teachers of our secular Schools, have it in their power to do a vast amount of good, by organizing juvenile Societies and Bands of Hope.

Resolved, That in the Christian ministry we find a noble band of Temperance workers, and impressed with the potency of their influence, we commend anew to them the Temperance cause and respectfully suggest that they shall present the subject to their respective congregations on the Sabbath next preceeding the fourth of July.

Resolved, That we invoke the continued aid of the Press, hitherto so cheerfully given, to the interests of Temperance.

Resolved, That in the opinion of this convention a proper regard for our civil institutions and our social welfare demands that active efforts should be made to promote Temperance among the people of color.

Resolved, That our hope is in the Lord, Jehovah, and therefore our faith in final and speedy success is strong, and in this faith we appeal to every christian and patriot to pray and labor until our work shall be accomplished.

Which was received, and after full consideration, discussion and slight amendments was unanimously adopted, by sections, and finally as amended, adopted as a whole.

A form of constitution was read, and on motion referred to a committee of five, one from each election district, viz: C. H. Baker, chairman; Wm. Comegys, 1st district; John F. Melvin, 2d; E. P. Janvier, 3d; James H. Edes, 5th.

On motion the convention proceeded to nominate and elect delegates to the State convention, to be held in Baltimore on the 7th proximo. The following were elected: R. S. Griffith, Wm. Kennedy alternate; C. H. Baker, Capt. J. H. Thompson alternate; Samuel Vannort, Samuel Burgess alternate.

Resolved, That when this convention shall adjourn it shall be to meet again in the M. E. Church at Chestertown, on Monday May 5th next, at 10 o'clock A. M.

On motion, the county papers were requested to publish these proceedings.

On motion, the convention adjourned to meet at half-past seven this evening in mass meeting.

The Mass Meeting at the Court House at night was slimly attended, in consequence of the misapprehension as to the place of meeting. The meeting was organized by the election of Capt. Chas. H. Wickes as chairman, and was addressed by Howard Meeks, Esq., in an earnest, convincing argument in favor of a Local Option Law. It was decided to hold a Mass Meeting in the Court House on Tuesday evening next, and a committee appointed to make arrangements therefor.

SERIOUS FALL.—Mr. Adkinson, the town Bailiff, met with a severe accident last Thursday afternoon. He was on a ladder sawing off a large limb from a tree in front of the market house, and in its descent to the ground in consequence of coming in contact with a cart near by, the butt swung around against the foot of the ladder, knocking it down. Mr. Adkinson fell a distance of from 10 to 12 feet, his right shoulder and side of his head striking the ground first. He was immediately carried to his residence and medical aid summoned. In the course of a few hours he recovered consciousness, and Friday morning was considered better, but the physicians had not been able to ascertain the full extent of his injuries.

THE NORTHERN CONVOCATION, of the Diocese of Easton, comprising the counties of Kent and Cecil, will meet at Shrewsbury Church, on Tuesday the 6th of May.

E. J. Powell and J. W. Jarman were appointed to superintend the work to be done on the streets of Millington, and Thos. R. Quimby to do the work.

CECIL COUNTY.

On Tuesday of last week, President Jacob Tome, of the Elkton and Masseys Railroad Company, and Chief Engineer Wingate, with a party of other gentlemen, made an examination of the points about Elkton, preparatory to locating the road. On Monday, 28th inst., the Engineer announced that he would commence the location of the road, taking Elkton for a starting point.

On Friday morning of last week, J. B. Bush, a son of Dr. Bush, of Wilmington, who is a member of the Senior Class of Delaware College at Newark, while climbing to the top of the cupola of the College building, missed his hold and fell to the roof, a distance of thirty feet, thence slipping down, fell to the ground a further distance of forty feet. Singular to say though much bruised and very sore, the young man did not break a limb, nor sustain any serious injury. A day or two after, he was taken home by his father, and was able to walk with the assistance of a servant, from the cars to the carriage at Wilmington. The Doctor confidently expects that in a few days he will be able to resume his studies.

Proposed Improvements.—The Directors of the Centreville Building and Loan Association, having more money than there are demands for borrowers, having determined to build several houses the approaching summer. They have purchased a lot on Broadway, and are now soliciting plans for the proposed buildings. The houses are to be of such character as laboring men can rent at a moderate price, there being a great demand for such houses.—*Citizen.*

A CARD

To the Democratic and Conservative Voters of Kent County.

A REPORT having been circulated that I have withdrawn as a candidate for nomination for the office of Clerk of the Circuit Court of Kent county, I take this method of positively denying the truth of that report, and to re-announce myself as a candidate subject to a fair and proper nomination. I belong to no ring or clique, and rely upon the people for support. The State seems to have been under "Ring" influence for several years, but it is to be hoped that our county will be free from all such combinations.

As a just and fair way of nominating candidates for the various offices, I would respectfully suggest that committees be run for Clerk; a separate committee for Register, and so on for Sheriff and Legislature in the respective districts; let the committees thus chosen meet in Chestertown on a day to be named, and hold a convention for each officer to be selected.

The justice and fairness of this plan is easily demonstrated: Suppose that Mr. A, a candidate for sheriff in the first district, should be very popular and have many friends; he will elect a committee favorable to his own nomination. That committee may not be favorable to B, who has a majority for clerk in the same district, nor for C, who may have a majority for register of wills, nor for D or for E, who may have a majority for the legislature. It is apparent that a committee elected for a sheriff cannot represent the wishes of the district for all the officers to be nominated; the same thing may occur in other districts—a committee selected to nominate a clerk may control all the other nominations against the wishes of the district.

Another plan is suggested: Let each candidate be voted for by ballot, and the candidates having the majority or plurality shall be supported by the committee from that district, and which shall be pledged to that support.

One of these methods seem to be necessary to preserve harmony in the party, to prevent combinations, to give satisfaction to the voters, and to secure success at the polls. The free will and sense of the people should prevail in reference to each candidate.

With my thanks to those who have tendered me support, and with assurance that if elected I shall perform the duties personally and impartially, not forgetting my friends, my party and the public, I remain,

Respectfully, yours,
WM. A. VICKERS.

The Thorough-bred STALLION, LEGATEE,

Has commenced his Spring season. All breeders agree in the superiority of thorough-bred males over those which are not.

Legatee is a blood bay, six years old, very compactly built, gentle and kind everywhere, having been driven in various ways, powerfully strong, healthy and sound and as pretty as a picture: very much resembling his sire the renowned LEXINGTON, whose character and form none dared to criticize, and whose performances are without a parallel in the annals of the Turf.

Legatee was got by LEXINGTON, he by Boston out of ALICE CARNEAL, by IMPORTED SARPEDON.

Legatee's dam was LEVITY (Ruric's dam) by Imported Trustee. The rest of his pedigree is traced in an unbroken line through the most notables of the country, to *CULLEN'S ARABIAN*, imported by General Spottswood.

He has one of the richest pedigrees in the country. To say nothing of Legatee's ancestry on his sire's side, such world renowned horses as LEXINGTON, BOSTON, and SARPEDON, his dam's family is one of the most prized in the U. S., having produced such celebrated horses as RURIC, VANDAL, his brother Alaric, and the present famous horses owned by Mr. Sanford of New York, *MONARCHIST* and *SALINA*, BOTH OF WHOM ARE BY LAGATEE'S SIRE OUT OF HALF SISTERS TO LEGATEE, WHO WERE BY IMPORTED GLENCO OUT OF LEGATEE'S DAM!!

Legatee has run and won several four mile heats and repeat, among which was the *CELEBRATED RESTORATION STAKES*, (purse $5,000,00) at Long Branch, easily beating TWENTY ENTRIES and among them several celebrated and frequent winners upon other occasions.

The Turf, Field and Farm, in its issue of Jan. 1872, spoke of Legatee in the highest terms of praise, and regarded him as one of the VERY BEST HORSES IN AMERICA.

He has proved himself to be a SURE FOAL GETTER, and has attracted attention and admiration wherever he has gone.

Ex-Governor Oden Bowie and Gen'l. Howard of the Western Shore, and John Cochran, of Delaware, have bred their best mares to "Legatee," and in our own county, Drs. Whaland and Price, Richard Hynson, John Brice, Col. Spencer, Capt. Skirven, Alex. Kennedy, Jas. Hurtt, and other acknowledged horsemen and OWNERS OF GOOD STALLIONS have been or are breeding to him.

Number of mares limited.
