LOCAL NEWS.

THE KENT COUNTY AGRICULTURAL FAIR.—The Agricultural Fair of the Worton Club commenced on Tuesday last. The very heavy rain of the previous night rendered the ground exceedingly damp and heavy and doubtless somewhat interfered with exhibitors, especially of stock. It is impossible for us to give even a general description of the exhibition. The grounds were admirably situated at the Worton Station on the Kent County Railroad, and the frequent trains carried hundreds of people to the grounds, the most of whom made their way to the ladies department. On the tables just inside the door were specimens of butter and bread, the most noticable among which was that of Mrs. Wm. H. Stewart, Miss Jennie M. Overend, and Mrs. J. P. Nicholson; this lady also exhibited some canned peaches, which were pronounced by Mr. Harris of Round-Top cannery as perfect as any he ever saw. Cake by Mrs. Lucy Dodd, and the finest specimen of jelly cake we ever saw, by Mrs. T. A. Hulme. On this table we also noticed a choice piece of surloin and beefsteaks, from Mr. Jas. A. Brice of Chestertown. Passing along we next noticed pillow cases elegantly worked, by Mrs. Hulme, and in very appropriate nearness to this elegant work, a beautiful vase of wax flowers, by Miss Carrie L. Hynson, of our town. Following them we noticed palm hats of various styles, by Mrs. J. W. Corey, that would pass among any palm hats we ever saw. The fruit department was opened by specimens of the Amazon raspberry, grown by Mr. J. W. Judefind. Mr. R. S. Emory exhibited fine specimens of White Heath Peach, Wainwright's Ohio, Iona and Concord grapes, and Duchesse pears. The Duchesse pears of Mr. Wm. Ford were only excelled by one single pear of the same variety by Mr. Raymond. Mr. William W. Stephens exhibited a handsome pyramid of apples, containing 20 varieties. Mr. J. W. Corey had splendid specimens of Fallowell apples.

The handsome set of harness, by our townsman John F. Howard, was considerably surpassed by those exhibited by Mr. Henry Parr of Galena, which were valued at $80, the hames alone costing $9.00.

Dr. Beck exhibited specimens of Fultz and Mathen wheat; Wm. H. Stewart, Lancaster red wheat; J. P. Nicholson, Michigan amber.

The display of flowers was very creditable, Messrs. Massey & Hudson, florists, of course taking the premium.

One side of the flower department was flanked by 'Fern Cottage,' a very pretty conceit of Miss Jennie Overend's, consisting of a little model cottage surrounded by a miniature landscape garden made of native evergreens and flowers with a fountain in the midst thereof. A ladies' cape, by Miss Rebecca Overend, attracted much attention and combined the beautiful and useful. It resembled the finest fur, but was made of the wild cotton plant.

A rustic flower vase by Mr. George Stephens, attracted much attention; also one by Mrs. A. Vannort.

Hon. James T. Earle was called to Philadelphia to attend a meeting of the Centennial Commission of which he is a member, and could not deliver his address. In his absence Jas. A Pearce, Esq., was pressed into service, and about one o'clock on the last day made a very intertaining and preatical address. He was followed by the Rev. Mr. Caldwell, who also made some remarks.

The following is the result of the trials of speed:

ORPHANS' COURT.—Present, Judges Beck, Scott, and Hepbron.

Henrietta Boyd, guardian of Harry L. Boyd (minor) was authorized to expend two hundred and fifty dollars from the personal estate of her ward in permanent improvements upon his land.

On the petition of Isaac M. Jones, administrator of Thomas E. McLaughlin, it was ordered that the said administrator execute deeds for certain lots to the purchasers thereof.

William D. Burchinal, guardian to Hiram, William M., and Arthur M. Brown, returned his separate guardian accounts from August 11, 1872, to August 11, 1873, which were passed and ordered to be recorded.

The Register was directed to give notice to parents and guardians to make application for the vacancy in the Baltimore Female College, till Tuesday, October 28, 1873.

BOARD OF COUNTY COMMISSIONERS.—Present Messrs. Wilson, Griffith and Roseberry.

The Commissioners appointed the following Judges of Election:

First District—R. C. Johnson, William Cacy, Samuel L. Blackiston.

Second District—Jacob Highley, Lewis Hepbron, J. Frank Wilson.

Third District—John T. Skirven, Dr. Sam'l. Beck, A. R. Parks.

Fourth District—John R. Gray, J. T. Twilley, Levi Fiddis.

Fifth District—B. B. Beck, Owen Connolly, W. W. Coleman.

Ordered, that Thos. S. Bordley be and he is hereby appointed to take charge of the Town Hall, to rent and collect rents, and account for the same to the Commissioners of Kent county.

FORMATION OF A GRANGE OF THE PATRONS OF HUSBANDRY.—A grange of the Patrons of Husbandry was organized at Kennedyville, in this county on Saturday last, and the following officers elected: Master, Joseph M. Barr; overseer, Ezekiel Anderson; lecturer, Jas. W. Hurtt: steward, R. E. Wallis; assistant steward, S. A. Merritt; chaplain, Dr. J. S. Harris; secretary, Thos. J. Shallcross; treasurer, F. D. Justice; gate keeper, W. A. Kennedy; Ceres, Miss Maggie Shallcross; lady assistant steward, Miss T. W. Shallcross.

The grange was organized with thirty charter members, and is the second grange formed in Maryland, No. 1 being instituted at Colora, Cecil county, on the 24th instant, with Ambrose Ewing, master, and a full charter membership.

The official report of the gorwth of the granges, issued September 6, shows the whole number or sub-granges reported at headquarters to be 6,062. These are distributed at follows: Alabama, 45; Arkansas, 41; California, 56; Florida, 6; Georgia, 137; Illinois, 613; Indiana, 353; Iowa, 1,700; Kansas, 502; Kentucky, 1; Louisiana, 16; Masschusetts, 4; Michigan, 65; Minnesota, 349; Mississippi, 287; Missouri, 718; Negraska, 314; New Hampshire, 3; New Jersey, 3; New York, 9; North Catalina, 73; Ohio, 141; Oregan, 26; South Carolina, 146; Tennessee, 107; Texas, 9; Vermont, 25; Virginia, 3; West Virginia, 7; Wisconsin, 200; Colorado, 3; Dacota, 13; Canada, 8. Thus the advance of the "farmers movement" is certainly very rapid. As the organization was not known to the public a year ago its popularity and growth are without precedent in the annals of social movements. It is a notticeable and curious fact that it has taken deepest root in the west and in the southwest. South Carolina has 146 granges, Tennessee and Georgia over 100 each, Mississippi nearly 300, and Missouri 700. If anything were needed to show that the grange business is either non-partisan or the development of a new and very extraordinary political party, it is in the fact that the States already named affiliate with Iowa, Illinois, Indiana, Wisconsin and Minnesota, in all of which the grange movement has apparently come to stay, especially in Iowa, where there are 1,708 of its camp fires. In the East it has thus far run lightly. As populous a State as New York has only nine granges, Pennsylvania sixteen, all New England less than forty. It is a movement spreading over sections of country so diverse in their social and political character that it is not easy to analyze and define the bond of sympathy that makes it unite.

Ayer's

Cherry Pectoral,

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Among the great discoveries of modern science, few are of more real value to mankind than this effectual remedy for all diseases of the Throat and Lungs. A vast trial of its virtues, throughout this and other countries, has shown that it does surely and effectually control them. The testimony of our best citizens, of all classes, establishes the fact, that CHERRY PECTORAL will and does relieve and cure the afflicting disorders of the Throat and Lungs beyond any other medicine. The most dangerous affections of the Pulmonary Organs yield to its power; and cases of Consumption, cured by this preparation, are publicly known, so remarkable as hardly to be believed, were they not proven beyond dispute. As a remedy it is adequate, on which the public may rely for full protection. By curing Coughs, the forerunners of more serious disease, it saves unnumbered lives, and an amount of suffering not to be computed. It challenges trial, and convinces the most sceptical. Every family should keep it on hand as a protection against the early and unperceived attack of Pulmonary Affections, which are easily met at first, but which become incurable, and too often fatal, if neglected. Tender lungs need this defence; and it is unwise to be without it. As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of Childhood, CHERRY PECTORAL is invaluable; for, by its timely use, multitudes are rescued from premature graves, and saved to the love and affection centred on them. It acts speedily and surely against ordinary colds, securing sound and health-restoring sleep. No one will suffer troublesome Influenza and painful Bronchitis, when they know how easily they can be cured.

Originally the product of long, laborious, and successful chemical investigation, no cost or toil is spared in making every bottle in the utmost possible perfection. It may be confidently relied upon as possessing all the virtues it has ever exhibited, and capable of producing cures as memorable as the greatest it has ever effected.
