## LOCAL NEWS.

**Orphans' Court.**

Present Judges Nicholson, Shallcross and Willson.

On application, letters of administration on the personal estate of Thomas H. Stephens, late of Kent county, deceased, were granted and committed unto Wm. W. Stephens, who filed a bond with James Beck of Geo., and Samuel Vannort, as sureties, in the penalty of twenty-five hundred dollars, which was approved. Geo. R. Beck and Thomas Gale were appointed to appraise the said estate—and the usual notice to creditors was ordered.

Susan E. Heighe, admr. of S. E. Heighe, dec'd., returned an inventory of the personal estate of said deceastd, and received an order authorizing distribution and sale thereof.

Benj. M. Hazell, admr. of Benj. Hazell, dec'd., returned his fourth administration account.

Geo. Vickers, executor of Wm. T. Spry, deceased, returned his second and final administration account.

Mary J. Dodd, executrix of John T. Dodd, dec'd., returned the first and final guardian account of John T. Dodd, guardian to Samuel Register.

The release of Mary A. Register to Mary J. Dodd, exect'x. of John T. Dodd, deceased, administrator of Wm. Register, was filed and ordered to be recorded.

The release of Samuel Register to Mary J. Dodd, executrix of John T. Dodd, late guardian, was filed and ordered to be recorded.

On application, ordered that T. C. Parsons, admr. of John D. Walraven, dec'd., give notice by advertisement to creditors that a dividend on the personal estate of said deceased will be made in this Court on Tuesday, Feb. 15, 1876.

**Fire.**

Monday night last about half-past two o'clock, fire was discovered in the brick part of what is generally known as the old "Charles Stanley property," now belonging to Geo. B. Westcott, Esq. The fire, we learn, was first discovered by one of Mrs. Stanley's daughters, who waked up nearly suffocated with smoke, she occupying this part of the building. The room formerly used as a kitchen was found to be completely enveloped in flames, which made rapid progress for a time, and the family were obliged to make a hasty exit. The citizens of the town were aroused and made every effort to arrest the flames, and it is said by those who were first on the spot that could the pipe of the fire engine been found at once, the efforts to extinguish would have been successful. The engine pipe was in the engine house. Adjoining the brick building was a very large old frame building and a large wood carpenter's shop, which it was impossible to save: the entire Stanley property was consumed. The dwelling occupied by Mr. N. G. Westcott, though only seperated by an alley, was saved by the greatest exertions, the wind favoring. Mr. N. G. Westcott and Mr. Melvin moved every thing from their premises and must have suffered considerable loss. In the burnt building Mrs. Martha A. Biscoe and a niece were lying extremely ill, and Mrs. Stanley in very feeble health, they were safely removed, however, a dog being the only living thing burnt.

The fire occurred in a block filled almost entirely with frame houses and with the wind in any other direction must have swept the entire block. As it was it blew in the most favorable direction.

There is an insurance of $1,537 on the building, $180 on furniture and $75 on tools. Mrs. Stanley lost the most of her furniture. The buildings were old.

Another warning has been given our citizens to make more ample preparation for extinguishing fires. Hooks and ladders at least might be provided, and as the merchants are always obliged to furnish buckets, we see no reason why the law requiring every householder to keep on hand a leathern bucket should not be enforced. And while our people always work with a will, it would be better to have some one who would have the right to *direct* what should be done. The absence of proper organization made more labor last Monday night than was necessary.

**Prof. Rivers' Address.**

We shall lay before our readers, next week, the very able address delivered by Prof. Rivers of Washington College, before the Teachers' Institute of Kent county in June last.

We call attention to the advertisement of L. J. Cox & Co., Grain Commission Merchants, Bowly's wharf, Baltimore, at the old stand of Cox & Sears. Mr. Cox is well known to our agriculturists.

Attention is also called to the removal of J. H. Smith & Co's. Clothing House, Baltimore, to 133 West Baltimore street, four doors above the new *American* office. This firm has an established reputation.

**The Bell**

For the new M. E. Church in this town, was placed in position in the tower last Monday afternoon. It was cast at Register's well known foundry in Baltimore, and weighs 521 pounds. A trial proved the bell to be of fine tone and of power sufficient to be heard a long distance. It cost some $75.

**Fatal Accident.**

Tuesday afternoon last, about four o'clock, Jack, aged about eight years, the son of Mrs. C. L. Crisfield, of our town, grandson of the Hon. John W. Crisfield and the late Senator Pearce, was unintentionally shot with a pistol by Richard, the son of Richard Hynson, Esq., of our town. Master Hynson is between ten and eleven years of age and has been somewhat accustomed to the use of fire-arms. On this occasion, we learn, he had his father's pistol and invited young Chrisfield to go a short distance with him to shoot it. Richard, or the boys between them, fired all the loads as they supposed from the revolver, when Richard capped a barrel and said, now Jack, I am going to shoot you with this cap. One barrel proved not to have been discharged and Jack was shot in the right side, the ball passing into the lung. Richard ran and communicated the facts to the first parties he met, some boys, who procured assistance and the wounded youth was carried to his home. Dr. Meeteer was called in, but the wound was mortal, and death resulted the following morning. The sad misadventure has enlisted the sympathy of the entire community for the distressed families.

**The Revival Meeting**

At the M. P. Church in this town, now in its second week, is making encouraging progress. The preaching is excellent, congregations large and attentive, penitents nightly at the altar, and a number of conversions. Ministerial aid is expected next week.

**The Order of Red Men.**

Wicomico Tribe, No. 54, I.O. of R. M. of Smithville, on Jan. 21st elected the following officers: H. J. Parsons, P.; A. Roberts, S.; M. Copper, S. S.; E. Leatham, J. S.; Wm. V. Lucas, K. of W.; J. W. Ivens, C. of R.; G. T. Williams, 1st W.; E. C. Stoops, G. of W.; S. H. Leathem, G. of F.; Wm. V. Lucas, D. D. G. S.; J. W. Ivens, Representative to G. T.

**An Examination**

Of the pupils of the Public School of our town commenced yesterday, and will be continued to-day. Parents of the children and others interested should attend.

On our first page will be found the Essay of Miss Helen Power, read before the County Association in November last.

### QUEEN ANNE'S ITEMS.

*From the Observer.*

New District.—A petition is being numerously signed in this county praying the Legislature to erect a new district out of parts of the 1st, 2d and 3d districts. The petition asks that Ruthsburg may be made the voting place for the new district.

A petition to the Legislature is in circulation and numerously signed by those in the interior, to allow duck shooting in Chester river and tributaries in sink and sneak boats.

A Protracted Meeting is now in progress at the M. E. Church in Centreville. In addition to the exercises every night meetings are to be held from 2 to 3 o'clock each afternoon.

Dramatic Association.—Some of our spirited young men have organized themselves into a dramatic troupe, and will shortly begin practicing for a public entertainment. They have elected the following officers: President, Theodore Vickers; Vice President, Bernard Friel; Secretary, Gorge T. Hobby, Jr.; Treasurer, Robert N. Goldsborough; Prompter, Samuel Glanville.

Fatal Effect of a Cut.—Samuel Volk, a lad about sixteen years of age, and son of Mr. Charles Volk, who resides at Smith's corner, Queen Anne's county, cut a slight gash with an ax in the cap of his knee about the middle of December last. The wound was so slight that he gave little or no attention to it until about a week afterwards, when it began to pain him intensely. He was on his way to Baltimore, but in consequence of his intense suffering proceeded no further than Booker's wharf; there he procured a team and returned home. He wasted gradually away and was buried on the 16th instant.

## NURSERY STOCK.

*Apple, Pear, Peach and Cherry Trees and Small Fruit Plants by the* 100, 1,000 *or* 10,000.

I HAVE for Spring planting, the most extensive and choicest assortment of Fruit Trees and Plants I have ever before offered to planters.

APPLE TREES.

The growers of this valuable and profitable fruit in Md. generally have been sadly disappointed, in getting trees from the North, as winter varieties there, when planted here, mature their fruit too early in the fall to keep through the winter with us. For this reason, and to secure reliable winter keeping apples, I grew my Apple Nursery on my farm in Va., three hundred miles South of here. I have a choice selection which cannot fail to give satisfaction. I have largely of a variety called Smith's Horse, (not the old Horse apple). The fruit can be picked nearly as early as the Early Harvest, and being double its size, sells readily at from $5 to $7 per bbl.

PEACH TREES.

Almost all my Peach Trees were budded from bearing trees, grown on my own and two adjoining farms, the buds being taken from the trees while the fruit was on them; leaving no doubt in my mind, that my stock is true to name.

I have not a long list of varieties; have budded chiefly, of late, most approved canning sorts, including three (3) very valuable new varieties for canning, very popular in Delaware, ripening with and after Smock.

I also have a large stock of Early Beatrice. I fruited this variety last summer. Several of my friends in Kent saw the fruit, and can testify that it was fully 10 days earlier than Hale's; a high-colored, showy, firm peach. I think it well worthy extensive cultivation.

PEAR TREES.

I have secured a large stock of Standard and Dwarf Pear Trees, from a reliable source in New York; and can furnish, in quantities, of the most approved varieties. No better Pear Trees can be grown anywhere than in New York.

CHERRY TREES.

I have but few varieties of this fruit, and the planter wants but few for profit.

SMALL FRUIT PLANTS.

I have a large supply on hand. I recommend but few varieties. My extensive experience as a fruit-grower, enables me to judge of the merits of the many kinds in the market. I have rejected two thirds of them, as not worthy of cultivation.
