Ayer's Sarsaparilla

Is widely known as one of the most effectual remedies ever discovered for cleansing the system and purifying the blood. It has stood the test of years, with a constantly growing reputation, based on its intrinsic virtues, and sustained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corruptions of the blood, such as the scrofulous and syphilitic contamination. Impurities, or diseases that have lurked in the system for years, soon yield to this powerful antidote and disappear. Hence its wonderful cures, many of which are publicly known, of Scrofula, and all scrofulous diseases, Ulcers, Eruptions, and eruptive disorders of the skin, Tumors, Blotches, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, and internal Ulcerations of the Uterus, Stomach, Bowels and Liver. It also cures other complaints, to which it would not seem especially adapted, such as Dropsy, Dyspepsia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility, and Leucorrhœa, when they are manifestations of the scrofulous poisons.

It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even when no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.

Scribner's Monthly for 1876.

The publishers invite attention to the following list of some of the attractive articles secured for Scribner's Monthly for the coming year. In the field of fiction, besides numerous novelettes and shorter stories, there will be

TWO REMARKABLY SERIAL STORIES

BY AMERICAN AUTHORS.

The first of these, now complete in our hands,

"*GABRIEL CONROY,*"

BY BRET. HARTE.

Begins in the November number, and will run for 12 months. This is Mr. Harte's first extended work. The scenes and characters, which the author has chosen from his favorite field, California, are painted with characteristic vividness and power: and the week is without doubt the most graphic record of early California life that has yet appeared.

We shall begin in the January number

"*PHILIP NOLAND'S FRIENDS, Or, Show Your Passports.*"

BY EDWARD EVERETT HALE.

The scene of this story is laid in the Southwestern territory, now forming the States of Louisiana and Texas, at the time of Aaron Burr's treason. The characters lived in a section which was now American, now French, and now Spanish, and this record of their adventurous lives makes a story of intense and unflagging interest throughout.

A Second "FARMER'S VACATION,"

By Col. Geo. E. Waring, Jr.

Col. Waring is now in Europe, visiting in a row-boat ride of 250 miles, one of the most fertile and interesting of the vine-growing valleys of Europe. This second series of papers promises to be even more interesting than that with which our readers are already familiar.

CENTENNIAL LETTERS,

Edited by John Vance Cheney.

A rare collection of Revolutionary Letters, mainly from stores in the hands of descendants of Col. Joseph Ward. They are full of interest, and will be read with a rare relish in connection with the Centennial celebration of the year.

Brilliantly Illustrated Articles on

AMERICAN COLLEGES,

Written respectively by their friends, will appear during the year. The revived interest in college life makes these papers especially timely, and will secure for them unusual attention.

OLD NEW YORK.

Elegantly illustrated articles on Old New York, by John F. Mines, will appear at once, and will attract the attention of all, in city or country, who mark with interest the development of the great metropolis, and affectionately remember the quaint peculiarities of its olden time.

Every number is profusely illustrated, thus enabling us to give to our descriptive and narrative articles, an interest and permanent value never attained in a non illustrated periodical. Under its accustomed management the magazine will in the future be devoted, as it has been in the past, to sound literature and Christian progress.

THE EDITORIAL DEPARTMENTS

occupy over 20 pages of each number and contain Dr. Holland's vigorous and timely editorials, as well as Reviews of the latest works in Art, Literature, and Science.

TERMS:—$4 00 *a Year in advance*: 35 *cents a Number.*

The 10 vols, complete, Nov. 1870, to Oct 1875, bound in maroon cloth, $20 00
