Ayer's Cherry Pectoral,

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Among the great discoveries of modern science, few are of more real value to mankind than this effectual remedy for all diseases of the Throat and Lungs. A vast trial of its virtues, throughout this and other countries, has shown that it does surely and effectually control them. The testimony of our best citizens, of all classes, establishes the fact, that CHERRY PECTORAL will and does relieve and cure the afflicting disorders of the Throat and Lungs beyond any other medicine. The most dangerous affections of the Pulmonary Organs yield to its power; and cases of Consumption, cured by this preparation, are publicly known, so remarkable as hardly to be believed, were they not proven beyond dispute. As a remedy it is adequate, on which the public may rely for full protection. By curing Coughs, the forerunners of more serious disease, it saves unnumbered lives, and an amount of suffering not to be computed. It challenges trial, and convinces the most sceptical. Every family should keep it on hand as a protection against the early and unperceived attack of Pulmonary Affections, which are easily met at first, but which become incurable, and too often fatal, if neglected. Tender lungs need this defence; and it is unwise to be without it. As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of Childhood, CHERRY PECTORAL is invaluable; for, by its timely use, multitudes are rescued from premature graves, and saved to the love and affection centred on them. It acts speedily and surely against ordinary colds, securing sound and health-restoring sleep. No one will suffer troublesome Influenza and painful Bronchitis, when they know how easily it can be cured.

Originally the product of long, laborious, and successful chemical investigation, no cost or toil is spared in making every bottle in the utmost possible perfection. It may be confidently relied upon as possessing all the virtues it has ever exhibited, and capable of producing cures as memorable as the greatest it has ever effected.

Iron in the Blood

PERUVIAN AN IRON TONIC SYRUP

MAKES THE WEAK STRONG,

The Peruvian Syrup, a Protect-ed Solution of the Protoxide of Iron, so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairs damages and waste, throws out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhœa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, *and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.*

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

See that each bottle has PERUVIAN SYRUP *blown in the glass.*

Scribner's Monthly for 1876.

The publishers invite attention to the following list of some of the attractive articles secured for Scribner's Monthly for the coming year. In the field of fiction, besides numerous novelettes and shorter stories, there will be

TWO REMARKABLY SERIAL STORIES

BY AMERICAN AUTHORS.

The first of these, now complete in our hands,

"GABRIEL CONROY,"
BY BRET. HARTE.

Begins in the November number, and will run for 12 months. This is Mr. Harte's first extended work. The scenes and characters, which the author has chosen from his favorite field, California, are painted with characteristic vividness and power: and the week is without doubt the most graphic record of early California life that has yet appeared.

We shall begin in the January number

"PHILIP NOLAND'S FRIENDS, Or, Show Your Passports."

BY EDWARD EVERETT HALE.

The scene of this story is laid in the Southwestern territory, now forming the States of Louisiana and Texas, at the time of Aaron Burr's treason. The characters lived in a section which was now American, now French, and now Spanish, and this record of their adventurous lives makes a story of intense and unflagging interest throughout.

A Second "FARMER'S VACATION,"

By Col. Geo. E. Waring, Jr.

Col. Waring is now in Europe, visiting in a row-boat ride of 250 miles, one of the most fertile and interesting of the vine-growing valleys of Europe. This second series of papers promises to be even more interesting than that with which our readers are already familiar.

CENTENNIAL LETTERS,

Edited by John Vance Cheney.

A rare collection of Revolutionary Letters, mainly from stores in the hands of descendants of Col. Joseph Ward. They are full of interest, and will be read with a rare relish in connection with the Centennial celebration of the year.

Brilliantly Illustrated Articles on

AMERICAN COLLEGES,

Written respectively by their friends, will appear during the year. The revived interest in college life makes these papers especially timely, and will secure for them unusual attention.

OLD NEW YORK.

Elegantly illustrated articles on Old New York, by John F. Mines, will appear at once, and will attract the attention of all, in city or country, who mark with interest the development of the great metropolis, and affectionately remember the quaint peculiarities of its olden time.

Every number is profusely illustrated, thus enabling us to give to our descriptive and narrative articles, an interest and permanent value never attained in a non illustrated periodical. Under its accustomed management the magazine will in the future be devoted, as it has been in the past, to sound literature and Christian progress.

THE EDITORIAL DEPARTMENTS occupy over 20 pages of each number and contain Dr. Holland's vigorous and timely editorials, as well as Reviews of the latest works in Art, Literature, and Science.

TERMS:—$4 00 *a Year in advance*: 35 *cents a Number.*

The 10 vols. complete, Nov. 1870, to Oct 1875, bound in maroon cloth, $20 00
do do bound in half morocco 30 00

Vols. begin in November and May. Any of the earlier volumes (I to VIII) will be supplied separately to parties who wish them to complete sets at this rate, *i.e.*, cloth, $2 00; half morocco, $3 00.

Booksellers and Postmasters will be supplied at rates that will enable them to fill any of the above offers.
