THERE IS NO USE

"Waiting for something to turn up,"

And we have at last decided to turn it up. The protracted warm spell has materially interfered with the CLOTHING BUSINESS of Baltimore. Hundreds of Thousands of Dollars worth, which seasonable weather would have sold, remains on Shelf and Counter. It is usual in most business houses to make reductions after the season of demand is over. We have decided to take time by the forelock and make those reductions NOW. Hence our entire stock has been marked Down, Down, DOWN to an after-holiday basis. We will positively stick at no reasonable sacrifice that will turn our great stock into speedy cash.

Hardware! Hardware!

MY stock is very large and selling MUCH LOWER than we have since we commenced the Hardware business.

Nov 19 J. K. ALDRIDGE.

Scribner's Monthly for 1876.

The publishers invite attention to the following list of some of the attractive articles secured for Scribner's Monthly for the coming year. In the field of fiction, besides numerous novelettes and shorter stories, there will be

TWO REMARKABLY SERIAL STORIES

BY AMERICAN AUTHORS.

The first of these, now complete in our hands,

"*GABRIEL CONROY,*"
BY BRET. HARTE.

Begins in the November number, and will run for 12 months. This is Mr. Harte's first extended work. The scenes and characters, which the author has chosen from his favorite field, California, are painted with characteristic vividness and power: and the week is without doubt the most graphic record of early California life that has yet appeared.

We shall begin in the January number

"*PHILIP NOLAND'S FRIENDS,*
Or, Show Your Passports."
BY EDWARD EVERETT HALE.

The scene of this story is laid in the Southwestern territory, now forming the States of Louisiana and Texas, at the time of Aaron Burr's treason. The characters lived in a section which was now American, now French, and now Spanish, and this record of their adventurous lives makes a story of intense and unflagging interest throughout.

Col. Waring is now in Europe, visiting in a row-boat ride of 250 miles, one of the most fertile and interesting of the vine-growing valleys of Europe. This second series of papers promises to be even more interesting than that with which our readers are already familiar.

CENTENNIAL LETTERS,
Edited by John Vance Cheney.

A rare collection of Revolutionary Letters, mainly from stores in the hands of descendants of Col. Joseph Ward. They are full of interest, and will be read with a rare relish in connection with the Centennial celebration of the year.

Brilliantly Illustrated Articles on
AMERICAN COLLEGES,

Written respectively by their friends, will appear during the year. The revived interest in college life makes these papers especially timely, and will secure for them unusual attention.

OLD NEW YORK.

Elegantly illustrated articles on Old New York, by John F. Mines, will appear at once, and will attract the attention of all, in city or country, who mark with interest the development of the great metropolis, and affectionately remember the quaint peculiarities of its olden time.

Every number is profusely illustrated, thus enabling us to give to our descriptive and narrative articles, an interest and permanent value never attained in a non illustrated periodical. Under its accustomed management the magazine will in the future be devoted, as it has been in the past, to sound literature and Christian progress.

New Establishment.

THE subscriber has just opened (at the Voshell House Building) a *NEW AGRICULTURAL DEPARTMENT,* to be known as the

Kent County Agricultural Store

where he will keep constantly on hand the celebrated CHAMPION Reaper and Mower, with all Extras and Repairs for the same.

Always on hand, the Smyrna Concave and Wiley, or any other Plow manufactured by Taylor & Co., of Smrna, Del. A full selection of Castings for the above named Plows always on hand.

Also, on exhibition and for sale, *the Light Running*

NEW AMERICAN
SEWING MACHINE,

which is in advance of all competitors, in valuable improvements and points of excellence, which have never been attained by other machines. They have stood the test of the severest criticism as well as the most malignant abuse from rival agents, who have done their utmost to prevent the introduction of a machine so superior in all its parts, and which possesses such valuable and important improvements.

Oil and Needles always on hand.

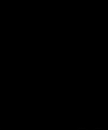

Machines cleaned and Repaired at short notice and reasonable charge.

ALL KINDS OF FARMING IMPLEMENTS

will be added to my stock, when the different seasons wherein they are to be used draw near.

Please give me a call before purchasing elsewhere.
