Teachers' Association.

The Teachers' Association of Kent county was held at the school room in Chestertown on Saturday last, thirty-two teachers being present, besides several Trustees and other friends of the schools.

The meeting was called to order by the President, and the Rev. Mr. Hutchins offered prayer.

The committees on Music and Absenteeism not being ready to report were continued.

The committee on printing Constitution reported the work done and rendered the bill.

On motion, an assessment of ten cents per capita was laid to defray expenses of printing and other incidental expenses.

The regular election of officers was held, with the following result:—E. F. Perkins, President, and the following Vice-Presidents—T. B. Long, 1st district; H. C. Wallis, 2d district; Dr. Samuel Beck, 3d district; John F. Cop, , 4th district; Howard Meeks, 5th district.

After the election of officers some remarks were made by the Examiner on methods of teaching, the State classification, school grounds, and the general work of the teacher.

AFTERNOON SESSION.

The following subject, "Is it possible to awaken greater interest in the District Associations; if not, is it not better to discontinue and give our whole attention to the County Association: was discussed by Messrs. Rogers, Melvin, J. W. Corey, Mrs. Mary Stephens, Mr. Peterson, J. V. Cooley, J. F. Copper, F. Hall, Miss Gosnell, Miss Lowerton, and S. W. Wallis.

On motion the question was passed, and it was resolved in the sense of the meeting that the District Associations be continued.

The question, "How shall teachers classify those who attend school only during the winter months?" was discussed by a number of the members, and on account of its importance postponed to the next meeting.

Mr. Long announced the death of William E. Sherwood, late teacher of school No. 2, third district. A committee, consisting of Messrs Long, Hall and Rogers, was appointed to prepare resolutions.

The Executive Committee reported the following questions for the next meeting, which were adopted:

1st.—"How to teach the Geography of the United States."

2d.—"How to teach Composition."

Tilden and Reform.

There was a large and enthusiastic meeting of the friends of Tilden and Reform at Smithville, on Wednesday evening last, which resulted in the formation of a Tilden and Hendricks Club for the Third Election District. Capt. Thomas Kennard was elected President and Sol. Wright, Secretary.

There will be another meeting of the Club, at Smithville, on Saturday, the 23d inst., at 3 o'clock, P. M. The friends of Tilden and Reform are cordially invited to attend and hear some good speaking.

'Waiting for something to turn up,"

And we have at last decided to turn it up. The protracted warm spell has materially interfered with the CLOTHING BUSINESS of Baltimore. Hundreds of Thousands of Dollars worth, which seasonable weather would have sold, remains on Shelf and Counter. It is usual in most business houses to make reductions after the season of demand is over. We have decided to take time by the forelock and make those reductions NOW. Hence our entire stock has been marked Down, Down, DOWN to an after-holiday basis. We will positively stick at no reasonable sacrifice that will turn our great stock into speedy cash.

Iron in the Blood

PERUVIAN SYRUP — AN IRON TONIC

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhœa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, *and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.*

Thousands have been ch... by the use of this remedy... weak, sickly, suffering... tures, to strong, healthy... happy men and women... invalids cannot reasonably... itate to give it a trial.

See that each bottle has PERUVIAN SYRUP blown in the glass.
